Emmett Hardy Crime Novels (Books 1-3) Chris Kelsey, Poignant and funny, studded with characters who haunt your imagination long after you've read the final page. -Anne Hillerman, New York Times bestselling author of Cave of Bones "This top-notch suspense thriller will seize your attention, and you'll be enthralled by the characters and the author's witty and appealing style." -Sublime Book Review A strong mystery-thriller that clearly shows some secrets, like a few bodies, can't stay buried. -Kirkus Reviews ***This box set includes the first three crime fiction novels in the Emmett Hardy Crime Novels. Book #4, *Junker Blues*, is now available. **WHERE THE HURT IS** (Book 1) When everyone would prefer to look the other way, can one man cut through fear and prejudice to unmask a killer? Oklahoma, 1965. Emmett Hardy is focused on drinking his failures away. And despite his general enthusiasm for the social reforms sweeping the country, the disillusioned police chief isn't surprised by his community's ongoing casual racism. But he's still shocked when he discovers the body of a Black woman with a slashed throat dumped by the railroad tracks. When the state authorities offer only a lazy investigation and arrest an unlikely suspect, Hardy puts down the bottle and swears to uncover the real murderer. But with resistance from his all-white neighbors and the clues leading to the small town's most powerful citizen, the upstanding cop may be heading straight into danger. Will Hardy's unrelenting race to find the truth destroy his life? *Where the Hurt Is* is the complex first book in the Emmett Hardy Crime Novel series. If you like tortured heroes, tense twists, and authentic settings, then you'll love Chris Kelsey's poignant novel. **BUTCHERVILLE** (Book 2) The residents of tiny Butcherville, Oklahoma love their God-given freedoms so much, they refuse to hire their own police force. When they need a cop, they just call Emmett Hardy, police chief of Burr, the closest neighboring town. Whether it's to break up a fight, dissuade an angry good ol' boy from hunting rabbits with an M-16, or eject an unruly patron from Butcherville's combination strip joint/bookstore, Emmett's always glad to oblige ... that is, until a local business owner's lust for money and power results in a deadly shootout and multiple kidnappings. Suddenly, Emmett's good intentions are fraught with dangerous consequences. Besieged by friend and foe alike, and sabotaged by a fondness for drink that's starting to affect his work, Emmett is the last man standing between a community of honest people trying to do their best with what little they have, and an evil that threatens not only their jobs and homes, but their very lives. **AIN'T NOTHIN' PERSONAL** (Book 3) After a kidnap-for-hire plot results in the death of a young boy, Burr police chief Emmett Hardy blames himself and has an alcohol-fueled breakdown. His life at a crossroads, Hardy checks into the hospital for treatment, only to discover upon his release that he's been suspended from duty. When a dying prisoner contacts him about a long-forgotten unsolved case, Emmett-temporarily at loose ends-begins an informal investigation. Soon he becomes a target of violence himself, as his investigation becomes a murder probe implicating the most powerful men in town. Hardy is forced to relive one of the most traumatic events of his childhood, and faces the possibility that members of his own family may have been involved in the crime.

Ultimately, with Emmett's tenuous grasp on sobriety slipping and his moral foundation shifting beneath his feet, the answer to the question, Who do I trust? becomes a matter of life and death.

Hedy Lamarr's Double Life Laurie Wallmark,2020-02-28 “Revelatory to young audiences in more ways than one.” —Kirkus “Many STEM-for-girls biographies fan excitement over women’s achievements, but this title actually brings the central scientific concept within middle-grade reach.” —The Bulletin of the Center for Children’s Books
Movie star by day, ace inventor at night: learn about the hidden life of actress Hedy Lamarr! To her adoring public, Hedy Lamarr was a glamorous movie star, widely considered the most beautiful woman in the world. But in private, she was something more: a brilliant inventor. And for many years only her closest friends knew her secret. Now Laurie Wallmark and Katy Wu, who collaborated on Sterling’s critically acclaimed picture-book biography Grace Hopper: Queen of Computer Code, tell the inspiring story of how, during World War Two, Lamarr developed a groundbreaking communications system that still remains essential to the security of today’s technology.

Anti Lebanon Carl Shuker,2013-02-12 It is Arab Spring and the fate of the Christians of the Middle East is uncertain. The many Christians of Lebanon are walking a knife-edge, their very survival in their ancestral refuge in doubt, as the Lebanese government becomes Hezbollah-dominated, while Syria convulses with warring religious factions. *Anti Lebanon* is a cross-genre political thriller and horror story embedded within these recent events, featuring a multiethnic Christian family living out the lingering after-effects of Lebanon's civil war as it struggles to deal with its phantoms, its ghosts, and its vampires. Leon Elias is a young and impoverished Lebanese man whose older sister had joined a Christian militia and has been killed. He becomes caught up in the recent little war in Beirut, when the Shi'a resistance/militia Hezbollah takes over most of the city. In this milieu—the emptied streets of Christian east Beirut, the old shell-scarred sandstone villas, the echoing gunfire—he becomes involved, only partly by choice, in the theft of a seriously valuable piece of artisanal jewelry, and is bitten—like a vampire—by its Armenian maker. Events take a ghostly and mysterious turn as the factions jostling for power in Beirut begin to align against him and his family, and he is forced to flee the sullied beauty of that wonderful and pitiful country, in this story of love and loss, of the civil war and the Arabization of the Switzerland of the Middle East, and of contemporary vampires—beings addicted to violence, lies, and baser primal drives. Carl Shuker is a remarkable writer. A storyteller in the tradition of Celine and J. G. Ballard, no one alive writes better sentences. *Anti Lebanon* will delight his fans and entrance anyone new to his fine work.

Mousetronaut Mark Kelly,2012-10-09 A #1 New York Times bestseller “This little mouse may well inspire some big dreams.” —Kirkus Reviews “In this picture book based on the space shuttle Endeavor...Meteor is one of the smallest mice, but the most hardworking...the values of being small, useful, solving problems, and working hard—as opposed to being big and strong—will inspire young readers.” —School Library Journal “Inspired by this real-life mouse, Kelly’s first children’s book tells the story of Meteor, a lightly anthropomorphized rodent who turns his tininess into an advantage when an important key gets stuck in a crack between two monitors...textured images and vivid portraits that make it absolutely clear that space travel is a larger-than-life adventure.” —Publishers Weekly A heartwarming picture book tale of the power of the small, from

bestselling author and retired NASA astronaut Commander Mark Kelly. Astronaut Mark Kelly flew with “mice-tronauts” on his first spaceflight aboard space shuttle Endeavour in 2001. Mousetronaut tells the story of a small mouse that wants nothing more than to travel to outer space. The little mouse works as hard as the bigger mice to show readiness for the mission . . . and is chosen for the flight! While in space, the astronauts are busy with their mission when disaster strikes—and only the smallest member of the crew can save the day. With lively illustrations by award-winning artist C. F. Payne, Mousetronaut is a charming tale of perseverance, courage, and the importance of the small!

Contemporary Romanian Cinema Dominique Nasta, 2013-10-29 Over the last decade, audiences worldwide have become familiar with highly acclaimed films from the Romanian New Wave such as *4 Months, 3 Weeks and 2 Days* (2007), *The Death of Mr. Lazarescu* (2005), and *12:08 East of Bucharest* (2006). However, the hundred or so years of Romanian cinema leading to these accomplishments have been largely overlooked. This book is the first to provide in-depth analyses of essential works ranging from the silent period to contemporary productions. In addition to relevant information on historical and cultural factors influencing contemporary Romanian cinema, this volume covers the careers of daring filmmakers who approached various genres despite fifty years of Communist censorship. An important chapter is dedicated to Lucian Pintilie, whose seminal work, *Reconstruction* (1969), strongly inspired Romania's 21st-century innovative output. The book's second half closely examines both the 'minimalist' trend (Cristian Mungiu, Cristi Puiu, Corneliu Porumboiu, Radu Muntean) and the younger, but no less inspired, directors who have chosen to go beyond the 1989 revolution paradigm by dealing with the complexities of contemporary Romania.

I hope to teach them how to handle a crisis and survive, whether or not they decide to stay at home or take their chances in the wild. It is written for those individuals who do not have the time to really prepare and practice the skills necessary to survive but have a strong desire to stay alive. This type of individuals usually gets their information to solve any problem through the internet. If you are one of this type of individuals, all you need is this book. You will be taught about basic survival skills, how to find or make shelter, how to purify water, how to build a fire, how to prepare your food, and many other things. Along with this book you need to put together a bugout pack (BOP). The BOP will allow you to survive three to five days, and even longer. An inexperienced individual will certainly die without this book and a fully loaded BOP. Your survival chances increase exponentially with these two items. I give you here the tools to make your survival possible and the knowledge to thrive.

Family Business G D Land,2006-11 New York City bodyguard Jimmy Fein is a smart-talking tough guy with a penchant for physical violence and a slight inferiority complex when it comes to his Irish-Jewish mafia family. Lately, though, they've been an equal mix of help and hindrance as he protects a client from a homicidal business partner. His Jewish father is constantly disappointed by Jimmy's reckless actions and refusal to profit from the family business. His cousin Mary Alice, a nun, is running a gambling pool based on how many times Jimmy will be shot by year's end. Even more insulting, the family views his partner, Elise, as the reasonable one despite her preference for shotgun-induced emasculation when it comes to abusive ex-spouses. Jimmy's latest job is to help Marcus Roth, a diamond merchant involved in an Internet scam. Marcus wants out, but the mastermind behind the operation wants him dead. Jimmy's job is further complicated by his family who decides to start its own competing Internet scam and cautions Jimmy against exposing the scam to the police or the public. Before long, Jimmy is reminded of the lethal dangers of mixing his business with family business ...
