Dating Cupid Eve Langlais,2016-03-13 Roxanne knows where she'd like to shove Cupid's arrow. Tired of cheating men and false promises of love, Roxanne launches a campaign against Cupid's Dating Service. But it's hard to smear a company when you've got the hots for the owner. Maverick Eros is more than the CEO of CDS, he's Cupid himself. However, forget the media images of a chubby diapered cherub because the god of love is actually six feet plus of yummy, muscled male. When they meet, sparks fly-the lusty kind-but they both know from experience, love hurts. In the end though, they'll learn that love will have its way, with or without the aid of Cupid's arrow.

Stupid Cupid Alison O'Donnell,2017-08-19 Anecdotes of the author's experiences with dating mostly men from online dating sites.

You Can Count on Cupid Luisa Dillner,2010-01-19 True-love facts about modern dating, marriage, breakups, and makeups, from the Guardian's popular relationships advice columnist Is love blind-or does Cupid calculate? Luisa Dillner, a medical doctor and the entertaining Love by Numbers columnist for London's Guardian newspaper, sifts through the latest scientific research to answer the questions of the lovelorn and the love crazy alike. She tackles perennial matters of the heart, such as: - Which pickup lines work the best? - Do gentlemen prefer blondes? - How do I know she's the one? - How can I get my boyfriend to stop flirting and start taking out the trash? - Are office romances doomed? - What's the best way to mend a broken heart? - Will any couple ever be able to avoid arguing in the car? For those curious about the chances of tempting someone to leave a spouse (50 percent of those approached take the bait) or if Web romances bloom in the spring (the peak times for online love are actually January, February, and September), Dillner is the perfect--and amusing--guide to the science of living happily ever after.

Cupid Hates Me Wedge Stevens,2017-08-09 Most of us have been there: that horrible, God-awful date you just can't wait to get home and dish about with your friends, then eat a big bowl of ice cream while you soak in the tub watching some funny show streaming on your smartphone. To those who haven't had that experience: we hate you. Luckily for the rest of us, one man is brave enough to face the madness of dating in this crazy world. He goes into the dating battle armed only with his resolve to meet The One. Will he meet her? Will she meet him? How many cats does it take to make you crazy? All these issues and more are tackled by our brave warrior, Wedge Stevens. Yes, maidens will forever sing of his glorious battles in the dating world. Seriously, though, many of us have struggled through the dating world, searching high and low for our true love. Some find that love, and for those who don't, well, it's nice to know you're not alone. For Wedge, it was all about the chase. Now, it's about the laugh. So sit back, put your feet up, grab a spoon, and hopefully laugh a little as Wedge reveals all the evidence he has proving his case that, as he puts it, Cupid Hates Me.

Cupid's Match Lauren Palphreyman,2019-10-01 He's mythologically hot, a little bit wicked, and almost 100% immortal. And he'll hit you right in the heart . . . Miss Black, we have a big problem." Lila Black doesn't believe in matchmaking, let alone soul mates. So then why is she constantly being hassled by the Cupids Matchmaking Service? But this gilded, cherub-bedecked dating agency isn't exactly what it seems . . . and it's about to turn Lila's entire world upside down. It turns out that Cupids Matchmaking is the real deal. As in, it's run by actual cupids—who don't look at all like they do in the paintings—and they have a serious problem with Lila's "match." Because this guy shouldn't be in the system. He shouldn't have a match. And while he's irresistibly hot, he's also incredibly dangerous. Because Lila's true love match is Cupid. The original bad boy of love. And he wants her. Now Lila's once-normal teenaged world has exploded into a mythological nightmare overrun by crime-lord sirens, wrathful cupid hit men, magic arrows that cause no end of trouble, and a mischievous, not-so-angelic love god she can't seem to stop herself from falling for . . . Adored by 50 million readers on Wattpad, Lauren Palphreyman's smash-hit book is now in print for the first time.

The Day I Shot Cupid Jennifer Love Hewitt,2010 The star of the hit show Ghost Whisperer shares her own experiences of meeting and dating men, mixing a wicked sense of humour with relationship advice from the heart to offer an empowering field guide to romance, intimacy, and

fulfilment in one's self. Funny and quirky, with a surprisingly wicked sense of humour, America's sweetheart, actress Jennifer Love Hewitt, offers empowering love and dating advice from the battlefield. She dishes on her own love life - now 30 and coming into her own - with a confidential/conspiratorial tone. From varicose veins to aging to loving yourself and your body as it is, she inspires self-confidence and girl power ... with a twist. Each chapter in the book begins with a personal story about her love experiences. Hewitt has been in the media spotlight since her teens appearing on Party of Five at sixteen; her relationships have been tabloid fodder, and worse, her breakups have been dissected and splashed across magazine covers. Once called a 'serial dater', she knows what it means to pick yourself up, dust yourself off, and start all over again. In her book, she puts a light-hearted, sassy, even a little bawdy spin on the age-old question what do women really want ('We can no longer assume men know what we want ... they don't!'). She examines the new rules and landscape of modern dating: text flirting, IM-ing, dating long-distance or dating someone who just makes you feel like he's long-distance! Her advice will appeal to every independent, smart, romantic, girly, bossy, indecisive woman who ever wondered how she can be true to herself and still find the man of her dreams.

Optimal Cupid Christopher McKinlay, 2014-01-25 An easy-to-implement blueprint from the mathematician who reverse-engineered OkCupid and met the woman of his dreams in 90 days. Christopher McKinlay has been featured in Wired Magazine and Good Morning America for his groundbreaking analysis of OkCupid. For the first time he's showing non-experts how to turn Internet dating on its head. This concise guide will show anyone (straight, gay, male or female) the procedure McKinlay used to meet his fiancée and how the same ideas can transform their lives and bring them from browsing to contact. One summer evening while logged into a supercomputer in Colorado waiting for a large computation, McKinlay was killing time on OkC when he was troubled by a problem: what if large groups of people responded to OkCupid's personality questionnaire in statistically similar ways? He created custom software to scrape data from the site, collecting over 6,000,000 answers to OkC's "match questions" from more than 20,000 real users. This data made clear he'd been using the site the wrong way. Based on his findings, McKinlay (a mathematics PhD), optimized his own profile. The transformation was profound. He went from showing a "match percentage" of 90% with a few hundred women in the L.A. area to showing 90% or higher with over 30,000 local women. Unsolicited messages from attractive strangers began flooding his inbox.

With a foreword by Jon Finkel, McKinlay's insightful how-to will teach you how to benefit from the buried statistical patterns of online romance.

Screw Cupid: The Sassy Girl's Guide to Picking Up Hot Guys Sam Scholfield, 2009-09-08 Are you tired of waiting for the men you like to ask you out? Do you think waiting for the guy to make the first move is outdated and lame? If you've answered "yes," Screw Cupid is just the book for you. Screw Cupid is the guide for every woman ready to take her dating life into her own hands. Samantha Scholfield has many years of dating experience, and the techniques and strategies she reveals here were developed via extensive trial and error—and by consulting and collaborating with hundreds of women (and many men), and by refining the best of the extensive pickup advice that already circulates among men. Cupid's C*ck Ups Chelsea Black, 2020-12-09 Dating is like any exercise regime: It's not as fun as they make out in all of those late night TV infomercials and, once you start, you can't stop for fear of losing your muscles. So dating after divorce isn't easy. Chelsea Black has been thrown out of the suburbs where single women are not allowed for fear they'll steal someone else's husband and thrown back into the dating world. A decade later and there is the internet, mobile phones and the constant threats of cocktails to thwart her plans for finding her FuHu (Future Husband). But try she does as she asks herself what does one have to do to be truly dating ready and why are so many men not doing it? Apparently more than one bargained for. The book takes you through all types of dating from online and sex only dating (yes this does exist) to new fiancés and the men who seem to forget that they have a wife at home. But through it all she manages to pick herself up and start again because there's no such thing as a date that can get you down, right? I love the book; it's actually hilarious. I was almost in tears with your Tupac story and your porn at university

story. BG, New York It's the first season of sex in the city if it was from Samantha's point of view. SM, Johannesburg Witty, astute and so painfully close to home Anon, London This memoir is a tipsy and personal journey based on the blog The mizzadventures of Chelsea Black.

The Day I Shot Cupid Jennifer Love Hewitt, 2010-03-23 For any woman who has ever bought a self-help book and wondered why she bothered. (P.S. Now that I know he's just not that into me, where do I go from there? Yeah, thanks for that advice.) Jennifer Love Hewitt is a self-proclaimed love-aholic and hopeless romantic (her middle name is Love, after all!). She has been lucky and unlucky in love, and lived to tell--and she's done it all in the spotlight. Much has been written about her love life--some true, most made up to sell magazines. Now Hewitt shares the real story of what she's learned navigating the dangerous dating waters. In *The Day I Shot Cupid*, Hewitt offers her hard-won wisdom and tells us how to embrace love with both feet on the ground. First, we have to shoot Cupid. We have to believe that happily-ever-after is hard work--it's not all flowers and symphonies and floating hearts. Wise and wry and refreshingly honest, Hewitt talks about how to pick the right guy and how to know when to let the wrong ones go free, and she offers some surprising truths about the opposite sex. From twenty things to do after a breakup, to ten things to do before a date, to the perils of text flirting (Note: You are waiting. By the phone. For his response.), Hewitt uses stories and dating secrets to illustrate the idiotic, romantic, crazy, depressing, hilarious, awkward, glorious moments we all experience in relationships. Funny, quirky, and empowering, *The Day I Shot Cupid* deserves a place on every woman's nightstand, bookshelf, or coffee table, or tucked inside her oversized designer handbag.
