Fish in the Dark Larry David,2015-04-06 From the comic genius behind Curb Your Enthusiasm—a play with “a perfect second-act twist, and a solid last-minute kicker” (Vulture). Fish in the Dark marked Seinfeld co-creator Larry David’s playwriting debut, his Broadway debut—and his first time acting on stage since eighth grade. David starred as Norman Drexel, a man in his fifties who is average in most respects, except for his hyperactive libido. As Norman, his more successful brother Arthur, their elderly mother,

and a host of other characters try to navigate the death of a loved one, old acquaintances and unsettled arguments resurface—with hilarious consequences.

A Guide to Screenwriting Success Stephen V. Duncan, 2006 A Guide to Screenwriting Success provides a comprehensive overview of writing--and rewriting--a screenplay. Duncan's handy book teaches new screenwriters the process of creating a professional screenplay from beginning to end--from character development to story templates. It shows that inspiration, creativity, and good writing are not elusive concepts but attainable goals. The book contains dozens of exercises to help writers through these steps. Prestige Television Seth Friedman, Amanda Keeler, 2022-11-11 Prestige Television explores how a growing array of 21st century US programming is produced and received in ways that elevate select series above the competition in a saturated market. Contributing authors demonstrate that these shows are positioned and understood as

comprising an increasingly recognizable genre characterized by familiar markers of distinction. In contrast to most accounts of elite categorizations of contemporary US television programming that center on HBO and its primary streaming rivals, these essays examine how efforts to imbue series with prestigious or elevated status now permeate the rest of the medium, including network as well as basic and undervalued premium cable channels. Case study chapters focusing on diverse series, ranging from widely recognized examples such as *The Americans* (2013-2018) and *The Knick* (2014-15) to contested examples like *Queen of the South* (2016-2021) and *How I Met Your Mother* (2005-2014), highlight how contributing authors extend conceptions of the genre beyond expected parameters.
