The Cursed Treasure Anu Pillai,2020-10-23 *The Cursed Treasure* is a unique saga about the trials and tribulations in the life of Keshu. The Curse of the Conquistadors Treasure Neal Stringer, 2021-07-06 Dani is one of a group of friends who, while hiking in the Superstition Mountains, stumble upon an ancient treasure. The treasure comes with a dire warning, a curse associated with it, and tales of death that befell those who tried to possess it. The group dismisses the warning as ignorance of the time centuries ago, believing the deaths mentioned could be explained away with much more logical reasons not understood in that day. However, when shortly after the find a series of apparently tragic accidents begin to occur to members of the hiking party, the curse gains more consideration by some. Detective Salazar is not among those who find the curse a plausible explanation for the accidents, wondering instead if the valuable find may be the cause of them. As the number of accidents grows, he begins to wonder if Dani or her boyfriend, Travis, may be connected to the accidents. After all, he believes in greed but not curses, right up till the end.

Finding Is the First Act John Dominic Crossan,2008-03-01 An imaginative and illuminating study, Finding Is the First Act places historical thinking in creative tension with literary appreciation. The structures of Jesus's parable of the hidden treasure (Matt 13:44) are examined by mapping its plot options (finding, acting, buying) in view of other Jewish treasure stories and the vast array of treasure plots in world folklore. Startling differences emerge in the plot options chosen by Jesus that point to a new understanding of the directive to give up all one has for the Kingdom of God. Why Jesus' treasure parable? For three reasons that I am aware of. First, . . . the story has always fascinated me. . . . Second, in recent work on parables there has often been a tendency to concentrate especially on the longer parables of Jesus. I wanted deliberately to move in the opposite direction and to give full emphasis to a very short parable Third, this particular parable, in contrast, for example, to that of The Mustard Seed, does not furnish much grist for the diachronic mill of biblical studies. I was deliberately choosing an item which, in isolation from its Matthean context, could hardly sustain a monograph study along the standard lines of tradition criticism. --from the Preface
