*Adventures in Bookbinding* Jeannine Stein, 2011-06-01 Each project in this book combines bookbinding with a specific craft such as quilting, jewelry making, or polymer clay, and offer levels of expertise: basic, novice, and expert. Illustrated step-by-step instructions and photographs demonstrate how to construct the cover pages, and a unique binding technique, easy enough for a beginner to master. Each project also features two other versions with the same binding geared to those with more or less experience. The novice version is for those who have no knowledge of the craft and want shortcuts, but love the look. For the quilter's book, for example, vintage quilt pieces become the covers so all that's needing in the binding. Or if you're interested in wool felting use an old sweater. This offers great opportunities for upcycling. The expert version is for those who have a great deal of knowledge and proficiency of a certain craft - the master art quilter, for example. For this version, an expert guest artist has created the cover and the author has created the binding. This offers yet another creative opportunity - the collaborative project. Since crafters often get involved with round-robins and other shared endeavors, this will show them yet another way to combine their skills. No other craft book offers the possibilities and challenges that *Adventures in Bookbinding* does. Readers will return to it again and again to find inspiration and ideas.

**Out of the Corner** Jennifer Grey, 2022-05-03 NEW YORK TIMES BESTSELLER • A deeply candid and refreshingly spirited memoir of identity lost and found from the star of the iconic film *Dirty Dancing* “A funny, dishy, occasionally heartbreaking coming-of-age story.”—The New York Times “Savage and engaging . . . Grey’s memoir is interesting not only for her journey out of darkness but also for what her story reveals about what women encounter in the entertainment business, and the fortitude required to make it.”—The Washington Post In this beautiful, close-to-the bone account, Jennifer Grey takes readers on a vivid tour of the experiences that have shaped her, from her childhood as the daughter of Broadway and film legend Joel Grey, to the surprise hit with Patrick Swayze that made her America’s sweetheart, to her inspiring season eleven win on ABC’s *Dancing with the Stars*. Throughout this intimate narrative, Grey richly evokes places and times that were defining for a generation—from her preteen days in 1970s Malibu and wild child nights

in New York's club scene, to her roles in quintessential movies of the 1980s, including *The Cotton Club*, *Red Dawn*, and her breakout performance in *Ferris Bueller's Day Off*. With self-deprecating humor and frankness, she looks back on her unbridled, romantic adventures in Hollywood. And with enormous bravery, she shares the devastating fallout from a plastic surgery procedure that caused the sudden and stunning loss of her professional identity and career. Grey inspires with her hard-won battle back, reclaiming her sense of self from a culture and business that can impose a narrow and unforgiving definition of female worth. She finds, at last, her own true north and starts a family of her own, just in the nick of time. Distinctive, moving, and powerful, told with generosity and pluck, *Out of the Corner* is a memoir about a never-ending personal evolution, a coming-of-age story for women of every age.

America's favorite fabric cut gets a fun makeover in a dozen all-new patterns from popular blogger Andy Knowlton. In her signature happy color palette, Andy shares easy-to-sew quilts that will inspire quilters to break into those bundles, unfold their singles, or even cut yardage into 18 x 22 chunks of fabric to re-create her cheerful designs. Stars, pinwheels, arrows, and Churn Dashes are just a few of the classic motifs that get Andy's fresh fat-quarter treatment. No more excuses and no time to lose - quilters will love reducing and restocking their stashes to make these fat-quarter-friendly projects.

**Nice Girls Don't Get the Corner Office** Lois P. Frankel,2014-02-18 Before you were told to Lean In, Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making nice girl errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

**The Woman in the Corner** Nancy Krygowski, 2020-02-25 *The Woman in the Corner* keenly observes and gives voice to the ambiguities and astonishments that we often turn away from—in human relationships and in our own unruly hearts. In poems that speak fearlessly about sex and grief, mothers and daughters, and friendships and marriage, Krygowski examines the beauty and danger of inhabiting a woman's body in the twenty-first century while negotiating how our pasts infiltrate, for better or worse, the here and now. This intimate collection delivers hard won loves and insights, surprising humor, and daring imagination. Krygowski celebrates our joys, gives witness to our pain, and never, never compromises. Excerpt from "The Woman in the Corner" I cut a leaf from my mother's blooming violet, long alive past her death, to start a plant for my daughter who I never knew as a baby—born to a different woman— but for whom I explained birth control, blood, how to relax, push in a tampon, what my mother never touched, her body a child-making mystery that pushed me into mystery. What is a woman who doesn't long for kids?
