"This book will change the trajectory of your life."—John Maxwell, #1 New York Times bestselling author, entrepreneur, and leadership expert Too many people delay, downsize, or shrug off their dreams just because they don't know where to start, but playing it safe doesn't account for the massive cost of a life not fully lived. *Win the Day* is the jump-start you need to go after your goals, one day at a time. You'll discover how to:

1. Flip the Script: If you want to change your life, start by changing your story.
2. Kiss the Wave: The obstacle is not the enemy; the obstacle is the way.
3. Eat the Frog: If you want God to do the super, you've got to do the natural.
4. Fly the Kite: How you do anything is how you'll do everything.
5. Cut the Rope: Playing it safe is risky.
6. Wind the Clock: Time is measured in minutes; life is measured in moments.
7. Seed the Clouds: Sow today what you want to see tomorrow.

As Batterson unpacks each of these daily habits, you'll see how simple it is to pursue them with focus and dedication—not someday down the road, but now. Transform your perspective of a single day and you'll discover the potential waiting to be grasped at the beginning of each new sunrise.

Cut the Rope: Doodle and Sticker Book Simon and Schuster UK Staff, 2013-10

Finding 42 Benny Mailman Exp, 2021-08-11 Finding 42, at its core, is an amazing adventure series. Book 1, *Cut the Rope, A Soul's Awakening*, begins with the author leaving the familiar, New York City, and flying into the unfamiliar, Moscow, Russia. The author, Benny Mailman, had just gone through some soulful healing in Denver, Colorado, after having been demoralized and drowning in darkness. He had been brought to the doorstep of hell, and ushered through the door. A proud Marine, a Loving son, and a joyful, smiling friend had all been ripped away, rendering him a shell of his former self. He learned a difficult lesson in those darkest days: no amount of his Love could heal his mentally sick friend. The year was 2011. Finally freeing himself from the clutches of evil energy, Benny sought to rebuild his soul through healers. He sought true freedom. He sought Love. It was now January of 2012, the month and year Benny turned 42. As he walked in a winter storm, he knew this year was going to be life changing... he just knew. On October 4, 2012, (see the 42?) he began a journey that had no end date. He just went, determined to be true to his soul and live an extraordinary adventure on his terms, thus creating his own reality. When asked how long he would be traveling, he simply responded I will know when I am done. Finding 42 is a letting go of the known and often forced reality. It is about a man setting out to prove that a better reality was there for the creating. Within the journey, spiritual growth flourishes and an ancient knowledge is renewed in the strength, kindness, and beauty of the human spirit. Book 1 is filled with stories and

soulful connections with fellow travelers and locals alike. There is the story of Fire Horse in Mongolia, Tom Waits and Starbucks in Moscow, life aboard the Trans-Siberian Railroad, the Great Wall, a visit to a 4,000 year old tree near Shaolin Temple. Oracle Chicken, and even a magical event in Luoyang, China. Fasten your seatbelts! I remind you that this is all true.

The Rope Eater Ben Jones,2007-12-18 When Brendan Kane accepts a stranger's offer of work--two years on a ship departing the following morning--the nature of the journey isn't divulged. It matters not, though, for Kane is directionless himself, having just witnessed the Civil War's horrors only to return North with nothing but the clothes on his back and as many dead soldiers' letters as he could carry in his pockets. Aboard the mysterious Narthex, Kane meets a ramshackle crew that includes an eccentric doctor and a three-handed Muslim full of horrifying lore. Kane learns only that they're sailing for the Arctic in search of gold or maybe whales. But when it turns out the Narthex's destination is a temperate paradise hidden amidst glaciers--a mythical place--Kane and his cohorts must struggle to survive not only the bleak Arctic conditions, but the loosening grip on sanity of an egomaniacal captain and the data-obsessed doctor. With each second that passes, it seems increasingly unlikely any of them will get out alive.

Don't Step on the Rope! Walter C. Wright, Jr.,Walter Wright,2005 What makes a good team? What makes a good team leader? How can I develop my team? If you're looking for answers to these questions, you'll find the answers in this book. Through thirty years of climbing expeditions with friends, Walter Wright has learned a lot about mountaineering, about his teammates and about working on and leading a team. He shares with us the tales of expeditions (successful and not so successful) and the lessons he and his team have learned from those experiences.

Madame Saqui Lisa Robinson,2020-03-24 A stunning picture book biography about the tightrope walker who dazzled Paris as she danced across the sky with impeccable balance and unparalleled skill during the French Revolution. In revolutionary France, a girl named Marguerite Lalanne longed to perform above large crowds on a tightrope, just like her acrobatic parents. Sneaking off to the fairgrounds for secret tightrope walking lessons, Marguerite finessed her performance skills, ultimately performing for crowds as a young rope dancer. And eventually, Marguerite would perform as Madame Saqui, waltzing and pirouetting across- and never falling off- countless ropes above adoring crowds. A nouvelle chérie de Paris, Madame Saqui cemented her place in circus history, winning the adoration of the French people and royalty alike, including Emperor Napoleon Bonaparte. This remarkable biography unveils the inspiring story of a trailblazing woman who revolutionized the circus world-- without ever missing a step.
