Islam and Homosexuality Samar Habib, 2009-11-12

An extensive collection of essays that examines the place of homosexuality in the contemporary and classical Muslim world. The place of sexual and gender minorities in the contemporary Islamic world is the subject of fascinating new directions in research and scholarly thought. Islam and Homosexuality gathers together 20 experts exploring these issues to provide an expansive look at the treatment of same-sex interactions in Muslim cultures today. Islam and Homosexuality offers one volume on the specific experiences of gay Muslims today and a second volume viewing the issue from a global perspective. Essays explore the lives of LGBTIQ persons in both Islamic nations and Muslim communities in non-Islamic countries. Additional writings explore the roots of homophobia in the theology of Islam, the various judgments against homosexuality in the different schools of Islamic law, and the potential scriptural basis for including LGBTIQ persons in the Muslim community. No other resource on the relationship between LGBTIQ persons and the world's largest religion covers the topic with anything approaching this work's range or depth.

The Other Side of the Table Karen Louise

Hollis,2011-09 From being just an ordinary fan who had attended Doctor Who conventions and events since 1997, Karen was now experiencing The Other Side of the Table - being asked for autographs, being photographed, selling books and giving interviews. This second book covers the events she attended from September 2010 to July 2011 and includes her meeting over 100 of the Doctor Who cast and crew, star names such as Arthur Darvill, Colin Baker, Paul McGann, Kate O'Mara, Jacqueline Pearce, Barbara Shelley, Peter Purves, Bonnie Langford and Floella Benjamin. The Other Side of the Table also includes her views on the new series of Doctor Who, her ten hours spent watching an episode being filmed and her personal tributes to Nicholas Courtney and Elisabeth Sladen. The Other Side of the Table is written in Karen's chatty, fun and light-hearted style. If readers attended any of the events mentioned, this book will hopefully bring back some great memories and for those that didn't go - well, now you will know what you missed!

the life of the hit television series, as told by the show's Head Writer and Executive Producer. A candid and in-depth correspondence between Russell T Davies and journalist Benjamin Cook, the book explores in detail Russell's work on Series Four, revealing how he plans the series and works with the show's writers; where he gets his ideas for plot, character and scene; how actors are cast and other creative decisions are made; and how he juggles the demands of Doctor Who with the increasingly successful Torchwood and The Sarah Jane Adventures spin-offs. Russell's scripts are discussed as they develop, and Russell and Ben's wide-ranging discussions bring in experiences from previous series of Doctor Who as well as other shows Russell has written and created, including *Queer As Folk*, *Bob & Rose*, and *The Second Coming*. The reader is given total access to the show as it's created, and the writing is everything you would expect from Russell T Davies- warm, witty, insightful, and honest.
