REBECCA BRYANT, YIANNIS PAPADAKIS

- THE CYPRUS PROBLEM JAMES KER-LINDSAY, 2011-04-21 For nearly 60 years, the tiny Mediterranean nation of Cyprus has taken a disproportionate share of the international spotlight. In *The Cyprus Problem*, James Ker-Lindsay--recently appointed as expert advisor to the UN Secretary-General's Special Advisor on Cyprus--offers an incisive, even-handed account of the conflict. Ker-Lindsay covers all aspects of the Cyprus problem, placing it in historical context, addressing the situation as it now stands, and looking toward its possible resolution.
- CYPRUS Stephen G. Xydis, 2017-06-26
- CYPRUS AND THE POLITICS OF MEMORY Rebecca Bryant, Yiannis Papadakis, 2012-06-20 The island of Cyprus has been bitterly divided for more than four decades. One of the most divisive elements of the Cyprus conflict is the writing of its history, a history called on by both communities to justify and explain their own notions of justice. While for Greek Cypriots the history of Cyprus begins with ancient Greece, for the Turkish Cypriot community the history of the island begins with the Ottoman conquest of 1571. The singular narratives both sides often employ to tell the story of the island are, as this volume argues, a means of continuing the battle which has torn the island apart, and an obstacle to resolution. *Cyprus and the Politics of Memory* re-orientates history-writing on Cyprus from a tool of division to a form of dialogue, and explores a way forward for the future of conflict resolution in the region.
- CYPRUS , 1990
- CYPRUS Paschalis Kitromilides, Marios L. Evriviades, 1995 The name of the Eastern Mediterranean island of Cyprus is often associated with great power rivalries, regional political antagonism and multiple ethnic and partisan conflicts. Yet this island is much more. It is endowed with an impressive cultural heritage and is distinguished by an evolving tradition of art and creative expression. Strategically positioned at the threshold of three continents, Cyprus has long been a crossroads for East and West. Its geographical position has shaped both its history and its culture. This volume offers guidance to both older classics and to an extensive range of works on modern scholarship.
- CYPRUS AND INTERNATIONAL PEACEMAKING Farid Mirbagheri, 1998 First published in 1998. Routledge is an imprint of Taylor & Francis, an Informa company.
- BEYOND A DIVIDED CYPRUS Nicos Trimikliniotis, Umut Bozkurt, 2012-11-26 Cyprus is a postcolonial island known for natural gas reserves and ethnic divisions. This volume presents a fresh perspective on the Cyprus problem by examining the societal transformations taking place within the island: socioeconomic development, population transitions and migration, and rapidly changing social and political institutions.
- CYPRUS Makarios III (Archbishop of Cyprus), 1965
- CYPRUS: A EUROPEAN ANOMALY Michael Moran (Expert on Cyprus), 2010 I have published most of the items in this booklet before. Denktash's speech before the United Nations (UN) Security Council in 1964 was included in my edition of Rauf Denktash at the United Nations: Speeches on Cyprus (The Eothen Press, Huntingdon, 1997); and except for a few small changes, my opening essay here differs little from the first chapter of my book *Sovereignty Divided: Essays on the International Dimensions of the Cyprus Problem* (Cyrep, Nicosia, 1998; third enlarged imprint, 1999). These earlier works are now out of print and will probably remain so. But given the current stage of the seemingly interminable negotiations for a settlement in Cyprus, I thought it might be useful to make certain items available once more for the benefit of those diplomats, government officials, European Union (EU) parliamentarians, academics, journalists and other persons interested in Cyprus, many of whom may have only recently become concerned with the extraordinary intractable problems of the 'divided island.' More especially, this booklet should help those who are tempted to accept a largely Greek account of what is at stake in Cyprus to realise that such a one-sided conception will never lead to the just, equitable and permanent reconciliation between the two Cypriot communities that the international community has been seeking for so long.
- CONTEMPORARY SOCIAL AND POLITICAL ASPECTS OF THE CYPRUS PROBLEM Michalis Kontos, Jonathan Warner, 2016-08-17 In today's world, the issue of Cyprus is notable for all the wrong reasons: because of the duration of the divisions in Cyprus itself between Greek-Cypriots and Turkish-Cypriots (formalized since 1983 by a disputed international border across the island); because of the involvement of Greece and Turkey, for which the hyphenated Cypriot communities form proxy battalions; and because of the failure of the United Nations' longstanding efforts to resolve the conflict. Much of the discussion in the book revolves around the difficulty of producing viable constitutional and civic arrangements in an.
- TRAVELS IN THE ISLAND OF CYPRUS Giovanni Mariti, 1909
- CYPRUS Christopher Hitchens, 1984 De politieke gebeurtenissen op Cyprus vooral rond de Turkse militaire invasie in 1974
- RESOLVING CYPRUS James Ker-Lindsay, 2014-11-13 Over the past fifty years the Cyprus problem has come to be regarded as the archetype of an intractable ethnic conflict. Since 1964, the United Nations has been at the forefront of efforts to find a political solution to the dispute between the island's Greek and Turkish communities. And yet, despite the active involvement of six Secretaries-General (U Thant, Kurt Waldheim, Javier Perez de Cuellar, Boutros Boutros Ghali, Kofi Annan and Ban Ki-moon), every attempt to reach a mutually acceptable solution has failed. Here, James Ker-Lindsay draws together new and original perspectives from the leading experts on Cyprus, including academics, policy-makers, politicians and activists. All have addressed one deceptively simple question: 'Can Cyprus be solved?' *Resolving Cyprus* presents a comprehensive overview of the Cyprus problem from a variety of approaches and offers new and innovative ideas as to how to tackle one of the longest running ethnic conflicts on the world stage. This represents an essential contribution to the body of work on Cyprus, and will be required reading for all those following the debates surrounding the Cyprus problem.
- CYPRUS AS I SAW IT IN 1879 Sir Samuel White Baker, 1879 *Cyprus as I Saw It in 1879* by Sir Samuel White Baker, first published in 1879, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.
- THE MINORITIES OF CYPRUS Nicholas Coureas, Marina Elia, Andrekos Varnava, 2009-05-27 This book examines the various minorities living in the island of Cyprus from the early modern (late Venetian and early Ottoman) period down to the present day. It charts their history, with special emphasis on their relations with the powers ruling Cyprus and with the two dominant Christian-Greek and Muslim-Turkish communities. The theme running through the book is that despite being significant members of Cyprus' society, the three historical minorities (Maronites, Armenians and Latins) were only included in society to a certain extent by the two major communities. This was formalised in the post-independence (1960) period when they were compelled to become members of either dominant community and thus they suffered 'internal exclusion' by being regarded as religious sub-groups of one of the two dominant communities rather than national minorities in their own right. Within this general context, the social, legal and political roles, customs, culture and language of the various minorities are examined as they evolved through time and in response to internal and external developments affecting Cyprus in the political, economic and global spheres. They are discussed not as static entities, but as evolving groups that have adapted with greater or lesser degrees of success to the radical and at times painful changes Cyprus has undergone, especially over the last 150 years, in all walks of life. Finally, the question of what the future holds for the minorities of the island in the light of Cyprus' EU membership and the prospect of reunification are also analysed. This book is a product of the conference "Minorities of Cyprus: Past, Present and Future", which was held on 24 and 25 November 2007 at the European University Cyprus.
- ECHOES FROM THE DEAD ZONE Yiannis Papadakis, 2005-04-25 In the space of a generation, Cyprus - the island of Aphrodite, goddess of beauty and love - has experienced an anti-colonial struggle, post-colonial chaos, internecine fighting and hatred, civil war, invasion, population displacements and physical partition. The narrative of Cyprus' recent history has created numerous attitudes and prejudices which run deep but which have never before been explored on a human level. Now for the first time Yiannis Papadakis, firmly planted in the Greek Cypriot world, sets out to discover 'The Other' - the much maligned Turks. Papadakis decided with some trepidation to travel to Constantinople (to his Greek worldview it was still Constantinople) to learn Turkish. There he discovered that actually it is Istanbul, and that Turkey is not the place of his once imagined demonology. Armed with new insights he returned to Cyprus and delved into the two communities, locked in their mutually contemptuous embrace, to explore their common humanity and to understand what has divided them. He focused on Nicosia where the people who used to live together in one neighbourhood found themselves separated by a 'Dead Zone', two armies and a UN force. His was a journey to the various sides of the Dead Zone and to the various zones of the dead, the realms of memory and history. This book is the moving, sometimes humorous and always fascinating account of that journey.
- REUNIFYING CYPRUS Andrekos Varnava, Hubert Faustmann, 2009-02-28 This text analyses the reasons for the continuing failure to re-unite the two states of Cyprus after over 40 years of division. It focuses on the Annan Plan - the popular name for the UN initiative to find a 'Comprehensive Solution to the Cyprus Problem' in anticipation of Cyprus' accession to the EU - & the reasons for its failure.
- CYPRUS EMBASSY NEWSLETTER , 1999
- THE CYPRUS ISSUE Nikos Skoutaris, 2011-03-01 This is a book on the interrelationship of the EU legal order and the Cyprus issue. The book addresses a question which is of great significance for the legal order of the EU (as well as for Cypriots, Turks and Greeks), namely how the Union deals with the de facto division of the island. Despite the partial normalisation of relations between the two ethno-religious groups on the island, Cyprus' accession to the EU has not led to its reunification, nor to the restoration of human rights, nor a complete end to the political and economic isolation of the Turkish Cypriot community. Ironically enough, the accession of the island to the EU actually added a new dimension to the division of the island. According to Protocol 10 on Cyprus to the Act of Accession 2003, the Republic of Cyprus joined the Union with its entire territory. However, due to the fact that its government cannot exercise effective control over the whole island, pending a settlement, the application of the *acquis* is 'suspended in those areas of the Republic of Cyprus in which the government of the Republic of Cyprus does not have effective control.' Given this unprecedented (for an EU member state) situation of not controlling part of its territory, the book analyses the limits of the suspension of the Union *acquis* in the areas north of the Green Line. In other words, the *telos* of this particularly challenging research is to map the partial application of Union law in an area where there are two competing claims of authority.
