**Warhol-isms** Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

**The Old Syriac Inscriptions of Edessa and Osrhoene** Han J.W. Drijvers,John F. Healey,2016-11-14 This volume contains all the known Old Syriac inscriptions from Edessa and the area around Osrhoene in Northern Mesopotamia from the first three centuries C.E., the number of which has substantially increased over the last decades. The texts are given in estrangelo script and are accompanied by an extensive philological and historical commentary. The originals are presented in photographs and line drawings. The volume also contains chapters on the script of these inscriptions, on the language and on the history and culture of Edessa. Two appendices offer the texts of three parchments written in Syriac and originating from the same area, and of known but still unpublished inscriptions. The book concludes with indices of words and proper names, which are complement to the Dictionary of the North-West Semitic Inscriptions (Brill, 1995), and with a full bibliography.

*Notes from the Hyena's Belly* Nega Mezlekia,2015-04-07 In this acclaimed memoir, Mezlekia recalls his boyhood in the arid city of Jijiga, Ethiopia, and his journey to manhood during the 1970s and 1980s. He traces his personal evolution from child to soldier--forced at the age of eighteen to join a guerrilla army. And he describes the hardships that consumed Ethiopia after the fall of Emperor Haile Selassie and the rise to power of the communist junta, in whose terror thousands of Ethiopians died. Part autobiography and part social history, Notes from the Hyena's Belly offers an unforgettable portrait of Ethiopia, and of Africa, during the defining and turbulent years of the last century.
