**Construction Daily Site Log Book** Holy DAYS,2021-03-17 This practical letter sized (8.5 x 11 inch; 21.59 x 27.94 cm) daily site log has been carefully designed for foremen, forewomen, construction site managers. ★★Ideal for keeping everything recorded: Space is left at the top of each page so that it can be clipped onto a clipboard. Designed to work with an Electronic Document Management System (EDMS). Simply give each page a document number, take a photograph and upload it directly. Record all important site related activities: weather, deliveries, work stoppages, safety incidents etc. In case of disputes, you can be sure you have the required information thus minimising claim and litigation risks. As long as you give each page its specific dated project number it can be photographed and then uploaded to a electronic document management system (EDMS). All lines in the log book are dark grey, instead of black, so they are less distracting. If you're in construction or dirt work, this record book will help you recall details. You can go back and see the ground conditions, deliveries, contractors, equipment, etc., on site. If you keep up with your paperwork this will meet your needs. **Strategic Database Marketing** Rob Jackson,Paul Wang,1994 Peter Diamandis' exciting discovery will be shared by every reader of Strategic Database Marketing. Rob Jackson and Paul Wang have swept aside the confusion that surrounds database technology and replaced it with the knowledge and competitive spirit it takes to create the kind of marketing system that will drive the growth of every successful organization. This important book looks into the future and shows marketers and business managers how to take advantage of the countless opportunities new technologies have made available to them. With the emergence of the database comes the means for organizations to communicate one-on-one with consumers - and to tailor all products, messages, and customer services to meet and surpass customer expectations. Strategic Database Marketing explains what the database is and how it can empower marketers; the ABCs of database marketing; the technology, its applications and capabilities; statistical techniques for market segmentation and profitability analysis; and the critical role of database marketing in business growth. Complete with a wealth of case histories that demonstrate database marketing in action, Strategic Database Marketing is the book to lead today's marketers onto the highway to the future.
