D Keegan

U.S. Naval Special Warfare Forces Sandra Donovan,2004-10-01 The most well known Navy Special Forces Unit is the Navy SEALs. This stands for Sea, Air and Land, and means that they are highly trained to fight in any terrain. They go through very intense training and perform specialized missions that involve spying, rescuing other soldiers or civilians, or taking out a specific target. Some of these missions are so secret that the soldiers themselves don't even know what part of the world they are going to. Learn more about these elite soldiers in this informative book.

The Pellet. To be Taken Every Day ,1872

Take Your Soul to Work Erica Brown,2015-12-01 Practical, inspired, and bite-sized wisdom from renowned religious scholar Erica Brown, these daily meditations help add greater depth and purpose to your leadership. Few leaders have a plan when it comes to soul-building at work. As a result, they often find themselves spiritually or emotionally depleted, and they can lose the larger ideals that made them want to lead in the first place. Take Your Soul to Work is a daily meditational for business and nonprofit leaders looking for inspiration. Each entry focuses on a different quality, emotion, or aspiration (“on discipline,” “on compassion,” “on impermanence,” “on callousness,” “on productive narcissism”) by presenting a relevant quote, story, or question inspired by the traditions of all faiths as well as artists, poets, and business thinkers to help leaders reframe, rethink, and reset. Leaders rarely have time to reflect between the meeting, calls, and emails that eat away at the work day. With just one thought per day for the entire year, these 365 meditations will anchor, ground, and enrich corporate titans and nonprofit visionaries. Take Your Soul to Work provides spiritual nourishment and encourages leaders to steer their organizations with honesty, grace, and courage—and experience transcendence in the process.

Perspectives on the Sabbath Christopher John Donato,2011-03-15 Perspectives on the Sabbath presents in point-counterpoint form the four most common views of the Sabbath commandment that have arisen throughout church history, representing the major positions held among Christians today. Skip MacCarty (Andrews University) defends the Seventh-day view which argues the fourth commandment is a moral law of God requiring us to keep the seventh day (Saturday) holy. It must therefore remain the day of rest and worship for Christians. Jospeh A Pipa (Greenville Presbyterian Theological Seminary) backs the Christian Sabbath view which reasons that ever since the resurrection of Christ, the one day in seven to be kept holy is the first day of the week. Craig L. Blomberg (Denver Seminary) supports the Fulfillment view which says that since Christ has brought the true Sabbath rest into the present, the Sabbath commands of the Old Testament are no longer binding on believers. Charles P. Arand (Concordia Seminary) upholds the Lutheran view that the Sabbath commandment was given to Jews alone and does not concern Christians. Rest and worship are still required but not tied to a particular day.
