Through the Year with Catherine Booth Stephen Poxon,2016-09-16 Daily readings with Scripture verses and prayers, based on the life and ministry of Catherine Booth, wife of General Booth and co-founder of The Salvation Army, often called 'The mother of The Salvation Army'. An ardent temperance campaigner, she and William developed together the firm convictions about salvation and poverty that led to the formation of the Army. Catherine Booth was eloquent and compelling in speech, and articulate and devastatingly logical in writing. At first, Catherine and her husband had shared a ministry as traveling evangelists, but then she came into great demand as a preacher in her own right, especially among the well-to-do. Although it was virtually unknown at that point for women to speak in public, and despite her nervousness, she developed a considerable preaching ministry. Catherine was both a woman and a fine preacher, a magnetic combination that attracted large numbers to hear her. This book of daily readings introduces us to Catherine's heart and convictions. Here we find the passion, urgency, thought and humanity which drove her on. Each devotional will take one page of the format above. Catherine's succinct, direct style is ideally suited to this form.

Leave No One Behind Anonymous,2022-06-28 Of the Americans who serve—and have served—in the United States Armed Forces, many struggle with alcoholism and addiction. What happens when the people who keep our country safe need saving? How do we fulfill our promise to leave no one behind? We show them there are service members who have been through similar circumstances, who can help them, and who might also need help. This book does just that. In this new meditation book, service members who are in recovery share their words of healing and hope in daily meditations. These people are in a class of their own—they know what they experienced, they know how their recovery has been affected by their service, they know how to help themselves . . . and they know how to help each other. The voices in this book are unique and will resonate with readers, providing insights, thoughts, and feelings only others who have served can understand and relate to. The same can be said of recovery: we look to the person on our left and the person on our right—and we leave no one behind.
