Leturgie,2014-01-16T00:00:00+01:00 Horace Greeley is heading west with his printing press and his rock-solid belief in the power of the press, printing issues of his Daily Star as he goes. But his insistence on publishing the truth isn't making him universally loved. When Lucky Luke meets the quirky journalist, he agrees to help him settle in Dead End Gulch and protect him against those who would rather not see their dirty deeds in print.

**Warren G. Harding & the Marion Daily Star** Sheryl Smart Hall,2014-07-01 How a committed journalist transformed a small town daily newspaper—and how that editorial success inspired his policies as President of the United States. President Warren G. Harding's thirty-nine-year career as a newspaperman is often treated as a footnote. This book offers a unique approach to the Harding story, presenting him as he saw himself: as a newspaperman. His political successes were based on the thinking of a newspaper editor—balancing all of the facets of an issue, examining the facts and weighing the effect on the constituents. Even his approach to balancing the federal budget was built on early experience at his small, struggling newspaper, where his motto was: “All paid in, all paid out, books even.” The only member of the Fourth Estate to enter the White House, Harding found his voice through the pages of the Marion Daily Star. Author Sheryl Smart Hall offers an intimate view of the man, often as seen through the eyes of those who knew him best—his co-workers at the Star. Includes photos
