Management of Shipping Companies Ioannis Theotokas,2018-04-19 The maritime sector is dynamic and volatile, creating the need for continuous monitoring of the latest developments and their effects on the organisation, management and strategies of shipping companies. This book analyses the business environment of these companies and the approaches they adopt in organising and managing their activities. Management of Shipping Companies aims to facilitate the learning and understanding of the fascinating world of shipping business. It examines the organisation and management of companies which manage ocean-going ships, emphasising the special characteristics of the industry and the framework created by these. This textbook offers a detailed account of the companies' processes and functions, the structural and contextual dimensions of their organisation, as well as an analysis of human resources, safety management and the outsourcing of shipping operations. Written in an easily digestible and critical manner, it includes case studies and analysis of best practices implemented by companies worldwide. This unique and accessible book is an ideal text for students in maritime studies programs as well as readers interested in learning about maritime businesses' organisation and management.

International GAAP 2021 Ernst & Young LLP,2021-03-08 International GAAP 2021 International GAAP 2021 is a detailed guide to interpreting and implementing International Financial Reporting Standards (IFRS). By setting IFRS in a relevant business context, it provides insights on how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EY financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. The book explains complex technical accounting issues clearly by setting IFRS in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. Volume 1 contains the following chapters and sections: International GAAP The IASB's Conceptual Framework Presentation of financial statements and accounting policies Non-current assets held for sale and discontinued operations First-time adoption Consolidated financial statements Consolidation procedures and non-controlling interests Separate and individual financial statements Business combinations Business combinations under common control Investments in associates and joint ventures Joint arrangements Disclosure of interests in other entities Fair value measurement Foreign exchange Hyperinflation Intangible assets Property, plant and equipment Investment property Impairment of fixed assets and goodwill Capitalisation of borrowing costs Inventories Index of extracts from financial statements for all three volumes Index of standards for all three volumes Index for all three volumes This book is printed on acid-free paper, responsibly manufactured from well-managed FSC-certified forests and other controlled sources. Völkerrecht Georg Dahm,Jost Delbrück,2002 Die vorliegenden Bände enthalten den zweiten und dritten Teil einer umfassenden Neubearbeitung der 1958-1961 erschienenen systematischen Darstellung des Völkerrechts von Georg Dahm. Gegenstand der jetzt vorgelegten Teilbände sind der Staat und andere Völkerrechtssubjekte, Räume unter internationaler Verwaltung, die Formen des völkerrechtlichen Handelns sowie die inhaltliche Ordnung der internationalen Gemeinschaft. Aufbau und Methode der Erstauflage konnten in ihren Grundzügen beibehalten werden. Gliederung und Konzeption folgen weiterhin der Überzeugung, daß trotz der zunehmenden Bedeutung der internationalen Organisationen eine Darstellung des Völkerrechts die Staaten und ihre Beziehungen als Ausgangspunkt wählen und die neuen zwischen- und überstaatlichen Ordnungen dann folgen lassen kann. Band I - in drei Teilbände aufgeteilt - befaßt sich mit den Grundlagen des allgemeinen Völkerrechts, dem Staat als dem nach wie vor wichtigsten Völkerrechtssubjekt und seinen Beziehungen. Im ersten Teilband werden die soziologischen Voraussetzungen, die Grundlagen und Rechtsquellen des Völkerrechts und anschließend der Staat, seine Organe und das Staatsgebiet behandelt. Inhalt des Bandes II wird das Recht der internationalen Organisationen sein.

Der Staat und andere Völkerrechtssubjekte; Räume unter internationaler Verwaltung Jost Delbrück,Rüdiger Wolfrum,2013-02-06 Die beiden Teilbände I/2 und I/3 vervollständigen Band I der Neubearbeitung der systematischen Darstellung des Völkerrechts von Georg Dahm. Gegenstand dieser Teilbände sind die völkerrechtlichen Regelungen zu den Komplexen Staatsvolk, nichtstaatliche Völkerrechtssubjekte, das Recht völkerrechtlicher Verträge, die staatsfreien Räume, die Grundrechte und -pflichten der Staaten, die Staatenverantwortlichkeit und das internationale Strafrecht. Die Grundrechte und -pflichten der Staaten, die Staatenverantwortlichkeit und das internationale Strafrecht wurden unter dem Titel die inhaltliche Ordnung der Staatengemeinschaft zusammengefaßt. Dies gibt den allgemeinen für die in Band II zu behandelnden speziellen Ordnungen vor.

The American 45 and 78 Rpm Record Dating Guide, 1940-1959 William R. Daniels,1985 This easy-to-use dating guide for 93,000 individual 45 and 78 rpm records released by almost 2,500 United States record companies enables the reader to date the specific month a record was released. Record companies are listed in alphabetical order; subsidiary and related companies are also arranged alphabetically following the parent company with cross-references from the name of the subsidiary. Under headings for each label, columns of record release numbers and release dates indicate the month and year a record was formally available to the public, based upon when notification was published in the trade journals, periodicals, and related sources. This book presents information for numerous companies for which no comparable listings previously existed. In addition to aiding record dating, the guide sheds new light on the history of specific recording companies and provides additional information for the history of the recording industry as a whole.

Global Supply Chain Ecosystems Mark Millar,2015-06-03 Twenty-first-century supply chains have evolved into world-wide inter-connected supply-and-demand networks comprising vastly more complex operations, with profound inter-dependencies and exposure to greater volatility in our uncertain world. The linear concept of a chain is therefore no longer adequate to describe these complex international networks of suppliers, stakeholders, partners, regulators and customers that are involved in ensuring the efficient and effective movement of products, services, information and funds around the world - we are firmly in the era of Global Supply Chain

Ecosystems. Exploring the latest market trends and industry developments across emerging, developing and developed markets, in Global Supply Chain Ecosystems industry leader Mark Millar presents detailed and practical insights that will help you capitalise on market opportunities, overcome supply chain challenges and make better informed business decisions. In addition to highlighting key supply chain shifts such as the move beyond globalisation back towards regionalisation, this ground-breaking new publication explores several critical aspects of global supply chain ecosystems - including visibility, resilience, sustainability and collaboration.

International GAAP 2019 Ernst & Young LLP, 2019-01-14 International GAAP® 2019 is a comprehensive guide to interpreting and implementing International Financial Reporting Standards (IFRS), setting IFRS in a relevant business context and providing insights into how complex practical issues should be resolved in the real world of global financial reporting. This book is an essential tool for anyone applying, auditing, interpreting, regulating, studying or teaching IFRS. Written by EYs financial reporting professionals from around the world, this three-volume guide to reporting under IFRS provides a global perspective on the application of IFRS. Complex technical accounting issues are explained clearly and IFRS is set in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world. The 2019 edition of International GAAP® has been fully revised and updated in order to:

- Continue to investigate the many implementation issues arising as entities adopt IFRS 9 (Financial Instruments) and IFRS 15 (Revenue from Contracts with Customers).
- Explore the complex implementation issues arising as entities adopt, in 2019, IFRS 16 (Leases).
- Include an updated chapter on the new insurance contracts standard IFRS 17 (Insurance Contracts), which reflects the recent discussions of the IASB's Transition Resource Group on implementation issues raised, proposed narrow-scope amendments to IFRS 17 intended by the IASB, and also explores other matters arising as users prepare for the adoption of this standard.
- Include an amended chapter on the revised Conceptual Framework, which was published in March 2018. The changes to the Conceptual Framework may affect the application of IFRS in situations where no standard applies to a particular transaction or event.
- Address amended standards and new interpretations issued since the preparation of the 2018 edition.
- Explain the many other initiatives that are currently being discussed by the IASB and by the IFRS Interpretations Committee and the potential consequential changes to accounting requirements.
- Provide insight on the many issues relating to the practical application of IFRS, based on the extensive experience of the book's authors in dealing with current issues.

Freight Forwarding and Multi Modal Transport Contracts David Glass, 2013-07-18 Freight Forwarding and Multimodal Transport Contracts, 2nd Edition, is a comprehensive guide to the law in relation to contract forms and terms created by operators, trade associations or international bodies such as the UN and used as a basis for trading conditions by freight forwarders, logistics suppliers, combined or multimodal transport operators and container operators. This second edition examines the latest editions of contract forms and terms, both where their object is the supply or procurement of multimodal carriage, as well as where they are directed to the use of combined transport equipment (ie containers, swap bodies). Of particular prominence will be a detailed examination of the latest versions of conditions used by the principal UK forwarding, logistics, intermodal and container operators such as the British International Freight Association (BIFA) conditions 2005A and the current Freightliner Conditions as well as updates on many of the conditions in use and legal developments relevant to them, eg Road Haulage Association Conditions 2009, Maersk Conditions of Carriage, TT Club Conditions.

The Logistics and Supply Chain Innovation Handbook John Manners-Bell, Ken Lyon, 2019-07-03 The Fourth Industrial Revolution is now transforming logistics and supply chain industries. Consumer habits are changing fast and supply chains are having to adapt to meet the challenges created by this dynamic new environment. Traditional logistics operating models are under threat. Incumbent freight operators across the entire transport and warehousing spectrum have been forced to develop strategies to effectively compete with new start-ups. The Logistics and Supply Chain Innovation Handbook provides a comprehensive overview of all the major new technologies and business models currently under development and looks at this process of disruption in detail. The Logistics and Supply Chain Innovation Handbook covers many important topics, such as crowd sourcing and shipping, on-demand delivery, autonomous vehicles, automation in the warehouse, electric vehicles and alternative fuels. It provides readers with a straightforward and easy to understand assessment of these innovations and their impact on the industry. Online supporting resources include PowerPoints and sample case studies.

The Impact of IFRS on Industry Mohan R. Lavi, 2016-03-28 The industry-specific guide to IFRS interpretation and application One of the biggest challenges of any reporting standard is how best to interpret and implement it in the context of a specific company or industry, given that each industry has its own intricacies and nuances. The Impact of IFRS on Industry provides specific guidance on applying IFRS in a diverse range of sectors. Opening with an overview of IFRS, including a summary of all the standards, the book goes on to provide detailed coverage of the standards that can impact all industries, including IAS-40, IFRS 1, and IFRS 5. Thereafter, it offers practical advice and guidance on the application of IFRS in specific industries, including automotive; oil and gas; bio-sciences; infrastructure; airlines; media and communications; government-owned entities; mining; software; banking and financial services; insurance; FMCG; shipping; pharmaceuticals; telecoms; real estate and construction; power; SMEs; retail; e-commerce; and the service sector. The book concludes with a discussion on the collateral impact of implementing IFRS and how forthcoming IFRS Standards could impact specific industries. Worked examples are used throughout to demonstrate how the standards are applied in practice. Understand the IFRS standards comprehensively Learn which standards impact all industries Examine the ways in which IFRS is applied in practice See how different standards are applied in specific industries Suitable as a quick reference or a comprehensive guide, The Impact of IFRS on Industry gives you the real-world IFRS answers you need.

Creating Global Opportunities Chris Jephson, Henning Morgen, 2014-05-08 Today's trade is global. A company can choose to have its headquarters in one part of the world, its production facilities in another and sell its brands in all markets. Since the first sea-borne container transport took place in 1956, the shipping industry has been one of the main facilitators of the globalisation of trade. This book traces the rise to prominence of Maersk Line - the world's leading container operator - and the internal decision-making processes that lay behind the firm's extraordinary expansion between 1973 and 2013. With unprecedented access to company archives, interviews with current and former employees, and extensive statistical information provided by The Economist Intelligence Unit, Containerisation International and Lloyd's Register, this is a valuable resource for students of logistics, shipping or international business. This first inside account of the challenges of building a global business will also appeal to industry specialists and the general business reader.

Damco 101 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Damco 101 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Damco 101 has opened up a world of possibilities. Downloading Damco 101 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Damco 101 has democratized

knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Damco 101. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Damco 101. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Damco 101, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Damco 101 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
