

**Dan Tobin 30**

**AW Chickering**

**Double Life** Daniel Tobin,2004-04-01 Daniel Tobin's stunning new collection, *Double Life*, takes its name from a vision of humanity at once passionately earthbound and spurred by the metaphysical. These poems range from haunting meditations on the paintings of Hieronymous Bosch to an astonishing polyphonic sequence based on the life of Father Bartolomeo de Las Casas, who died in 1566 and wrote the first bill of rights in the New World. Between these two longer orchestrations appear works both musically diverse and startling in their formal virtuosity, as attuned to Plato, the Bible, Dante, Shakespeare, Keats, and the natural world as to TV talks shows, the news, physics, movies, and fast-food restaurants. From the persona of an Irish-Catholic Brooklyn youth on a school trip to Spain to that of a grown man of the suburbs hollowed by doubt... / it's only the observance / of words I keep now to stay the soul, Tobin shows us the search for a way to encompass the world, turning Christian motifs toward new meanings.

*Daniel J. Tobin: A Teamster's Life* International Brotherhood of Teamsters,2015-09-28 An Irish immigrant, he, like so many others, came to the United States seeking economic opportunity lacking in his homeland. Instilled with a keen intellect and a passion for fairness, Tobin would rise from the workers' ranks to lead the International Brotherhood of Teamsters (IBT) with a clearheaded, balanced approach that allowed the organization to thrive.

**Labor's Great War** Joseph A. McCartin,2017-11-01 Since World War I, says Joseph McCartin, the central problem of American labor relations has been the struggle among workers, managers, and state officials to reconcile democracy and authority in the workplace. In his comprehensive look at labor issues during the decade of the Great War, McCartin explores the political, economic, and social forces that gave rise to this conflict and shows how rising labor militancy and the sudden erosion of managerial control in wartime workplaces combined to create an industrial crisis. The search for a resolution to this crisis led to the formation of an influential coalition of labor Democrats, AFL unionists, and Progressive activists on the eve of U.S. entry into the war. Though the coalition's efforts in pursuit of industrial democracy were eventually frustrated by powerful forces in business and government and by internal rifts within the movement itself, McCartin shows how the shared quest helped cement the ties between unionists and the Democratic Party that would subsequently shape much New Deal legislation and would continue to influence the course of American political and labor history to the present day.

**All Learning Is Self-Directed** Daniel R. Tobin,2000-04-01 Lead employees to independence and maximize the advantages of employees committed to self-directed learning. Learning has increasingly become the responsibility of individuals, yet organizations often provide little direct support for their new self-directed learners. Use

employee development strategies that will enable employees to meet workplace challenges, build and use a knowledge network, and grow and sustain an independent learning culture within your organization.

**Antietam National Battlefield and National Cemetery, Sharpsburg, Maryland** Charles W. Snell, Sharon A. Brown, 1986  
Radical History Review: Volume 61, Winter 1995 Calvin B. Holder, Dewar MacLeod, 1995-04-13 Radical History Review presents innovative scholarship and commentary that looks critically at the past and its history from a non-sectarian left perspective. RHR scrutinises conventional history and seeks to broaden and advance the discussion of crucial issues such as the role of race, class and gender in history.

*Ibbetson Street #34* Doug Holder,

**Feeding Your Leadership Pipeline** Daniel R. Tobin, 2010-08-01 Over the next 5 to 10 years, companies will be faced with retiring baby boomer leadership talent and will need to develop the next generation of leaders. Many large companies have substantial leadership development programs in place, but what about small to mid-sized companies facing the same talent crisis but without the resources or programs to replace their key leaders? Feeding Your Leadership Pipeline provides a blueprint for leadership development precisely for these smaller companies. It presents a menu of options to identify high-potential talent, define key leadership competencies in your company, provide easy-to-implement steps to build a leadership development program, harness the power of mentoring and coaching, evaluate program effectiveness, and calculate what it will cost.

**Index to Marriages and Deaths in the New York Herald: 1871-1876**, 1987

**William Green** Craig Phelan, 1988-12-20 William Green, president of the American Federation of Labor from 1924 to 1952, was a controversial figure whom historians invariably depict as bumbling, incompetent, vain, and ignorant; the cheerful servant of selfish and reactionary craft unionists, and the person most directly responsible for the split in organized labor in 1935. This biography provides a social and political context for Green's actions in an attempt to vindicate one of the last heirs of a religiously inspired trade unionism that sought cooperation between labor and capital on the basis of biblical precepts.

John F. English: A Teamster's Life International Brotherhood of Teamsters, 2015-06-04 Remembered as a union man of unparalleled integrity, honesty and knowledge, John F. English ascended to great heights in the labor movement during more than sixty-five years with the Teamsters, fifty-eight of them as an officer of the Union. The roles he carried out during that time included holding leadership positions in Local 68 and the Boston Joint Council, advising IBT presidents, representing the Union in negotiations with employers and politicians, developing innovative systems of bookkeeping for the Teamsters, and serving as a mentor and role model for his peers and younger officers in the union.

**Corruption and Reform in the Teamsters Union, 1898 to 1991** David Scott Witwer, 1994

**On the Air** John Dunning, 1998-05-07 Now long out of print, John Dunning's *Tune in Yesterday* was the definitive one-volume reference on old-time radio broadcasting. Now, in *On the Air*, Dunning has completely rethought this classic work, reorganizing the material and doubling its coverage, to provide a richer and more informative

account of radio's golden age. Here are some 1,500 radio shows presented in alphabetical order. The great programs of the '30s, '40s, and '50s are all here--Amos 'n' Andy, Fibber McGee and Molly, The Lone Ranger, Major Bowes' Original Amateur Hour, and The March of Time, to name only a few. For each, Dunning provides a complete broadcast history, with the timeslot, the network, and the name of the show's advertisers. He also lists major cast members, announcers, producers, directors, writers, and sound effects people--even the show's theme song. There are also umbrella entries, such as News Broadcasts, which features an engaging essay on radio news, with capsule biographies of major broadcasters, such as Lowell Thomas and Edward R. Murrow. Equally important, Dunning provides a fascinating account of each program, taking us behind the scenes to capture the feel of the performance, such as the ghastly sounds of Lights Out (a horror drama where heads rolled and bones crunched), and providing engrossing biographies of the main people involved in the show. A wonderful read for everyone who loves old-time radio, On the Air is a must purchase for all radio hobbyists and anyone interested in 20th-century American history. It is an essential reference work for libraries and radio stations.

Dukes of Duval County Anthony R. Carrozza,2017-11-02 The notorious Parr family manipulated local politics in South Texas for decades. Archie Parr, his son George, and his grandson Archer relied on violence and corruption to deliver the votes that propelled their chosen candidates to office. The influence of the Parr political machine peaked during the 1948 senatorial primary, when election officials found the infamous Ballot Box 13 six days after the polls closed. That box provided a slim eighty-seven-vote lead to Lyndon B. Johnson, initiating the national political career of the future U.S. president. Dukes of Duval County begins with Archie Parr's organization of the Mexican American electorate into a potent voting bloc, which marked the beginning of his three-decade campaign for control of every political office in Duval County and the surrounding area. Archie's son George, who expanded the Parrs' dominion to include jobs, welfare payments, and public works, became a county judge thanks to his father's influence--but when George was arrested and imprisoned for accepting payoffs, only a presidential pardon advocated by then-congressman Lyndon Johnson allowed George to take office once more. Further legal misadventures haunted George and his successor, Archer, but in the end it took the combined force of local, state, and federal governments and the courageous efforts of private citizens to overthrow the Parr family. In this first comprehensive study of the Parr family's political activities, Anthony R. Carrozza reveals the innermost workings of the Parr dynasty, a political machine that drove South Texas politics for more than seventy years and critically influenced the course of the nation.
