**Dangerous Attraction** Elizabeth Lennox,2017-07-05 He spotted her across the room and knew that she would be his. The beautiful high school teacher was smart, gorgeous and sexy - and had secrets! Joe watched Kelsie try to avoid him even as their gazes were pulled towards one another over and over. Joe became more fascinated with every heated, furtive glance. And when he kissed her, the lovely lady melted in his arms. So who the hell was this Tommy guy that kept calling her? And why did the woman volunteer for every activity? Another good question - why was she baking over five hundred cookies on a Saturday morning? Joe knew of better things to be doing on a chilly morning and none of them involved flour or chocolate chips. Kelsie couldn't believe she'd just kissed the tall, dangerous-looking man! She didn't even know his name! And why did he seem to show up everywhere she went? She had to keep him at a distance, to keep both of them safe. This attraction she felt for the too-tough, too-wealthy rancher was dangerous. Because if he ever found out about her family...well, it was just better to leave and keep everyone safe. So why wouldn't Joe let her do that?! The man was relentless and sexy and annoying and...goodness, he made her body melt with just a look. Yes, he was too dangerous.

**Dangerous Attraction** Melinda Cross,2011-07-15 Dangerous to know... Marcus Flint had a reputation for being hard and ruthless. Women were supposed to be frightened of being alone with him. But Rebecca was different. No man had ever intimidated her, and interviewing Marcus was supposed to be just another job of work. There was something dangerously attractive about him, though, Rebecca had to admit. In fact, for the first time in her life she knew what it was to want a man. But wouldn't the dark truth in Marcus's past always stand between them?

**Dangerous Attraction** Susan Vaughan,2011-03-21 Michael Quinn's years as an undercover agent had marked him forever. He wasn't a man who trusted anyone-and that went double for the lovely, mysterious woman he'd come to this isolated Maine village to investigate. She thought he was her protector, here to guard her against the threats she claimed she'd received. But the truth was, he'd been sent to uncover all her darkest secrets-and maybe put her behind bars for a very long time.... But who was the real Marie Claire Saint-Ange? The dangerous criminal he suspected she was? Or the achingly vulnerable woman who trembled in his arms night after night-and made him long to believe in her innocence...?

He had a gorgeous wife and his future was brighter than ever, however, his encounter with the striking new student has him keeping secrets of his own and makes for a Dangerous Attraction. When Zeke tries to end their torrid affair, Yvette has other plans for the hot blooded counselor. How far will he go to protect his secrets? How far is too far? Yvette Romero appears to live a carefree life like any other seventeen year old, but in reality she is anything but carefree. After an untimely tragedy, she and her mom move to Ashtin to make a fresh start. Running from a troubled past she wonders if this could be the place she can finally let go of the demons that threatened to destroy her all those years ago. When she ends up in the counselor's office on her first day of school and finds herself looking into whiskey rimmed eyes, she believes he could be the answer to putting her past to bed for good. One problem: He is unavailable and she is used to getting what she wants. When the unthinkable happens and Yvette is found brutally murdered, guidance counselor Zeke Wilheit's secrets threaten to become exposed, which could potentially unravel his simple world and find him as the number one suspect. That is until her dark past begins to surface and the list grows longer. As Zeke searches for clues to this mystery and fights to save his life and marriage, the pieces begin to fall into place. Taking matters in his own hands, he goes to where it all began. This only proves to complicate the situation more and has him fighting for survival. New facts come to light as he discovers not all is as it seems especially in his little town.

Dangerous Attraction: The Deadly Secret Life Of An All-american Girl Robert Scott,2014-11-14 An all-American girl next door is murdered by her skinhead boyfriend in this true crime tale of a tragic walk on the wild side. Twenty-year-old Katrina Montgomery was blessed with beauty, brains, and a loving family. Yet something drew her to the dark side. As a teen, she snuck off to party with a Neo-Nazi gang and developed a relationship with a drug-addicted skinhead named Justin Merriman. On Thanksgiving weekend, 1992, Katrina went to a gang party and wound up in the townhouse where Merriman lived with his mother. There, Merriman raped and murdered Katrina in front of two of his skinhead buddies. Though her body wasn't found, Merriman continued his orgy of brutality, terrorizing his victims into silence. Merriman eluded justice for six years, until January 30, 1998, when a minor traffic violation led to a wild chase. After a seven-hour standoff and a bomb threat, Merriman was arrested. After police dug into Katrina's cold case, Merriman was convicted of her murder and sentenced to death in California's San Quentin Prison. Included sixteen pages of shocking photos.

Then she walked through the door, and that bolt of lightning shocked the hell out of me. Madison was everything I never knew I needed, but someone is trying to use her against me. Now, my only focus is keeping her safe and teaching those trying to hurt my family a lesson. I only hope that when she finds out who I am, she won't walk away forever.
