Leucas Richard R. Blackston,2010-05 There are demons of the deep with a hunger that cannot be sated. Evolution has played its role, as has environment. Mankind has contributed, and now Carcharhinus Leucas hunts. Unwary swimmers and boaters, who chance the seas of Ecstasy Shores, Florida, soon become its victims. Danny Ray has a past he would rather forget, and now resides on his luxury yacht docked in the port of Ecstasy Shores. His ship is about to launch on a summer voyage with a group of young students. Danny wasn't looking for love, but love comes nonetheless, and with it a price: Danny's past has come back to haunt him. Just when Danny finally faces his own demons, something comes in with the tide. Everyone at Ecstasy Shores is in the grip of a dark cloud blowing in from the sea that brings with it a monster storm; a storm that unleashes its own monsters of the deep that come in a gigantic size. Leucas has arrived Taking his inspiration from Peter Benchley's Jaws, author Richard R. Blackston has updated the classic novel with his own twists and turns. He lives in Michigan and is working on several upcoming books. Publisher's website: <http://www.strategicpublishinggroup.com/title/Leucas.htm>

Fantasms Len Bailey,2008-02-05 It's Danny Ray, the best dang rodeo cowboy in Oklahoma, to the rescue once again. King Krystal of Elidor's beautiful daughter, Princess Amber, has been kidnapped by the evil Fantasms--monstrous beasts whose sole purpose is to rule the magical kingdom of Elidor and to spread sorrow and darkness throughout the land. But not if Danny Ray and his eccentric group of friends have anything to do with it! Imagine a world with seas of polished black and white marble squares sailed upon by immense chess pieces hundreds of feet high: rooks, bishops and queens powered by tiny furry Tantarabobs and Zanoomies. Imagine this is the battleground where Danny Ray, Tuk (a hellwain devil), KarooKachoo (a dragonfly princess), Prince Blues, the Sultana Sumferi Sar, Captain Quigglewigg, Hoodie Crow and the White Lady must rescue Princess Amber and save the kingdom of Elidor from eternal darkness. Clabbernappers Len Bailey,2005-02-01 Clabbernappers is thrilling high comic adventure from a remarkable new writer. King Krystal of Elidor has a serious problem: Sarksa Pirates have captured the Queen! Desperate for her return, King Krystal summons a hero from the Dream Machine. Enter Danny Ray, the best dang rodeo cowboy in Oklahoma. The only problem? He's only an eleven-year-old boy--not quite the hero the Elidorians expected. But Danny Ray aims to prove them wrong by recapturing the Queen. How? Truth is, Danny Ray isn't quite sure. Luckily he will have lots of help from friends like Captain Quigglewigg, the Sultana, Lord Yellow, Princess Eliana and--of course--the Clabbernappers. On his breathtaking adventure across the Checkered Sea, Danny will encounter lots of exotic creatures, including Coal Trolls, Gimmion Gott, the Potter Wasp, the Red Bats, Tantarabobs and the Ghost of Buckholly Harbor. His battles will pit him against the Sarksa Pirates, the Nightmare Queen...and the evil King Dru-Mordeloch. Bailey's rousing adventure, first in a planned series, will appeal to young chess lovers and pirate fans alike. - Booklist At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Life Poems Danny Ray Christian, 2016-03-16 The tragic incident of my thirty-years untreated mental illness had made me attempted to kill someone close to me which taught me that out of the greatest pain can come the greatest beauty. All of the poems in this book were written while I was in the mental hospital being treated for my mental illness, and prove to me that What Satan meant for evil, God can and does use for good. I was out of my mind when I committed the act of attempted murder, yet the worse day of my life became the turning point when I awoke to the fact that I needed to first surrender to God and then ask Him for direction and purpose for my life. That prayer was answered through me discovering that I had a talent for writing poetry and motivational speaking while in Elgin Mental Health Center from 2003-2013. These poems are not the mad ramblings you would expect from the criminally insane, but are the personal expressions of deep pain and revelations of a man who awoke from a state of apathy to a new world of love and beauty. I hope that all those who read these poems will come to understand that the bitterest lemons can be turned into the sweetest lemonade, if you are willing to look at life and your experience through different glasses than those you have seen its pain and ugliness through. Danny has been certified by Toastmasters International as a competent public speaker (1991 East Moline). He received his GED from the Chicago City Colleges (1981) and obtained a certificate in graphic arts from Southeastern Illinois College (1987). He is a former member of the Pan-African Revolutionary Socialist Party. He spent twenty years in prison and ten in Elgin Mental Health Center. While in the hospital he wrote over eight hundred poems, three books of daily meditations, and numerous speeches and Afrocentric anecdotes. He also acted as a mentor for younger consumers while there, leading his own peer-support groups and chairing GROW for four years (2003-2007). He has been clean of all illegal drugs and alcohol for fourteen years. His mission is to be the most infectiously optimistic and exceptionally giving person possible and to encourage others to be equally optimistic and giving. Danny is not one who believes you can't make it because you have some strikes against you; he is one to tell you that, Anything you can conceive and believe you can achieve (Napoleon Hill). Across the Tracks Donald Jones, 2018-06-07 This is a must-read book! Come with Ray Ray across the tracks where it seems like only bad things happen. Ray Ray's mother always told him to stay away from those railroad tracks since he was a small kid. In fact, he received the only spanking that he ever got being down on those tracks! Ray Ray was a good church-going kid until that fork in the road led him into that pool hall that took him on a

journey across many tracks that he could not turn back from. There are always pros and cons to the choices we make in life. The pros for Ray Rays lifestyle were the cash and the people in his life, but the cons were devastating when he loses dear friends at a very early age across the tracks.

Ethical Decision-Making in School Mental Health James C. Raines, Nic T. Dibble, 2021-03-01 Ethical predicaments are endemic for mental health professionals working in schools. New interventions, evolving technologies, and a patchwork of ethical and legal guidelines create a constant stream of potential dilemmas. The seven-step model presented in this book allows readers to apply a practical process to complex questions while both minimizing liability and protecting students. Beginning with an introduction of the moral, legal, and clinical foundations that undergird ethical practice, James C. Raines and Nic T. Dibble present an ethical decision making model with seven steps: know yourself and your responsibilities, analyze the dilemma, seek consultation, identify courses of action, manage clinical concerns, enact the decision, and reflect on the process. Ethical Decision-Making in School Mental Health provides ethical guidelines from four different professions and addresses mental health issues in schools. This new edition includes meticulously updated chapters based on recent changes to all of the codes of ethics over the past ten years.

ONE WAY PASSAGE Sharon L. Tocchini, 2014-03-19 Kelly and Jason Ashley had planned their lives together out with precision and care. They would obtain college degrees, great careers, a home and then family and all was going as planned until their first son, Danny, was born with apparent brain damage, which turned their lives upside-down. Kelly instinctively did all that was required to care for Danny, but from the moment of his birth she was tormented with trying to understand why her beloved child had to experience the life he had been given and confused and upset that her God would allow this life for her son. Kelly relied on Jason for his strength, and believed in the only medical professional that saw beyond what the rational world held out for Danny. Dr. Hess would follow his hunch, coupled with his beliefs and courageously find what would ultimately be the answer for Danny.

Ammon's Horn Stan Timmons, 2013-02-08 Terrorists have unleashed the rapidly spreading virus dubbed the 'noids. Those infected become organic WMDs. Fused with the common cold, the virus spreads, turning the country into a nation of violent lunatics. Civilization collapses from within. Gemma Goode, host of a wildly popular syndicated show about the unusual and the paranormal along with her fiancé, police profiler Danny Sullivan, know about the virus, having uncovered it through a series of chance encounters and investigative work. Danny and Gemma flee westward, ahead of the collapse, narrowly escaping death along the way, only to find borders to California are closed, the state maintaining its isolationism by military force. Danny begins to obsess that the President, who has been evacuated to California, is infected with the virus. And he will do anything--including assassination--to stop the President from launching a nuclear war.

The Unit Tony Malone, 1999-12 Can the motive for an action be good enough or spiritual enough to justify its pursuit even if to do so is blatantly illegal and dangerous? THE UNIT answers this question with a Yes. The novel tells the intriguing, unusual and often times, paradoxically humorous, story of how and why a mysterious man, named only Lou, along with twelve equally mysterious assistants, forcibly commandeers the local hospital's intensive care unit and holds hostage all of its critically ill patients. Important moral, ethical, and spiritual issues are addressed in the ensuing hostage crisis as Doctor Danny Santore, forensic/investigative radiologist along with a host of accompanying law enforcement officials struggle to regain control of The Unit from the mad man Lou and his small occupying army.
