Piedmont Park Darlene R. Roth, Jeff Kempf, 2004 Essays from local historians on Atlanta's Piedmont Park are collected in this social history of a Southern landmark that attracts two million visitors annually and hosts important cultural and sports activities. Originally the site of the 1895 Cotton States and International Exposition, the 189 acres in the heart of the city became the home of an off-season circus before members of the nearby gentleman's driving club organized to develop the acreage into a civic Park in 1903. Atlanta's first golf course was laid out at the park, and it has become the home of political rallies, concerts, and arts festivals. Included are anecdotes and quotes from some of Atlanta's most esteemed citizens and visitors, including Rick Bragg, Sibley Fleming, Terry Kay, and Indigo Girls Amy Ray and Emily Saliers.

My Name Is Love Darlene Love, 2013-06-25 Featured in the film *Twenty Feet From Stardom*, the woman whose voice the New York Times said is as embedded in the history of rock 'n' roll as Eric Clapton's guitar and Bob Dylan's lyrics tells her story Right out of high school, Darlene Love began singing lead vocals for legendary producer Phil Spector, cutting such classic hits as the number one He's a Rebel, Da Doo Ron Ron, and He's Sure the Boy I Love. As part of the girl group the Blossoms, she held a regular spot on television's *Shindig!*, and with Bob B. Soxx & the Blue Jeans she toured the country. Later, she sang backup—and collected numerous scintillating backstage stories—with, among others, Dionne Warwick, the Mamas and the Papas, and Sonny and Cher. Now in *My Name Is Love*, Darlene is ready to tell her tales about Elvis coming on to her backstage during his famous '68 Comeback Special, about wild parties she witnessed at Tom Jones's house, and about her love affair with Bill Medley of the Righteous Brothers. She also recalls how she found herself cleaning houses in Beverly Hills, heard herself on the radio, and vowed

to make a comeback. That comeback has included roles in all of the Lethal Weapon movies, starring roles on Broadway, and headlining concert appearances worldwide. A dishy, behind-the-scenes showbiz memoir, *My Name Is Love* is also the inspiring story of a woman who refused to give up.

Selling the City Lee M. A. Simpson, 2004 Between 1880 and 1940, California cities were in the vanguard in creating comprehensive city plans and zoning ordinances that came to characterize modern American city growth. This book reveals the means by which property-owning middle-class women achieved entry into the male-dominated sphere of urban planning. It suggests that women in California were not excluded from public life. Instead, they embraced the middle-class ideology of propertied self-interest and participated to the fullest extent possible in the urban struggle for regional dominance that shaped this period of western history. Likewise, as urban historians have presented this story as essentially male, this work suggests that although California's urban elite often maintained a division of labor along traditional gender lines, they clearly worked in a cross-gender alliance to shape a regional identity based on a commitment to urban growth.

The Crack in the Lens Darlene A. Cypser, 2011-03-14 If someone had asked Sherlock Holmes later in

the year, there is little doubt that he would have said his life began that spring day in 1871 when he met Violet Rushdale upon the moors and ended in the winter some months distant. His mother would have disputed the former claim, and many, both friend and foe, would come to deny the latter. Yet what happened that year nearly cost him his life and his sanity, and strongly influenced the man he was to become. It is well known that the toughest steel that makes the sharpest swords must be plunged into the fire, then beaten and reshaped. So it is as well with the best and wisest of men.

The Selling of Civil Rights Vanessa Murphree, 2013-09-13 The Student Nonviolent Coordinating Committee formed in April 1960 to advance civil rights. With a tremendous human rights mission facing them, the founding SNCC members included communication and publicity as part of their initial purpose. This book provides a broad overview of these efforts from SNCC's birth in 1960 until the beginning of its demise in the late 1960s and examines the communication tools that SNCC leaders and members used to organize, launch, and carry out their campaign to promote civil rights throughout the 1960s. It specifically explores how SNCC workers used public relations to support and promote their platforms and to build a grassroots community movement; and how the organization later rejected these strategies for a radical and isolated approach.

Negro Building Mabel O. Wilson,2021-02-09 Focusing on Black Americans' participation in world's fairs, Emancipation expositions, and early Black grassroots museums, *Negro Building* traces the evolution of Black public history from the Civil War through the civil rights movement of the 1960s. Mabel O. Wilson gives voice to the figures who conceived the curatorial content: Booker T. Washington, W. E. B. Du Bois, Ida B. Wells, A. Philip Randolph, Horace Cayton, and Margaret Burroughs. Originally published in 2012, the book reveals why the Black cities of Chicago and Detroit became the sites of major Black historical museums rather than the nation's capital, which would eventually become home for the Smithsonian's National Museum of African American History and Culture, which opened in 2016.

A Question of Manhood, Volume 1 Darlene Clark Hine,Earnestine Jenkins,1999-10-22 Each of these essays illuminates an important dimension of the complex array of Black male experiences as workers, artists, warriors, and leaders. The essays describe the expectations and demands to struggle, to resist, and facilitate the survival of African American culture and community. Black manhood was shaped not only in relation to Black womanhood, but was variously nurtured and challenged, honed and transformed against a backdrop of white male power and domination, and the relentless expectations and demands on them to struggle, resist, and to facilitate the survival of African-American culture and community.

To Magnolia's horror, her boss has not only given her job to Bebe, he's also turning Lady into Bebe. And Magnolia will be relegated to a roach-infested back office.
