Waiting on Empire Arunima Datta, 2023-07-04 The expansion of the British Empire facilitated movement across the globe for both the colonizers and the colonized. *Waiting on Empire* focuses on a largely forgotten group in this story of movement and migration: South Asian travelling ayahs (servants and nannies), who travelled between India and Britain and often found themselves destitute in Britain as they struggled to find their way home to South Asia. Delving into the stories of individual ayahs from a wide range of sources, Arunima Datta illuminates their brave struggle to assert their rights, showing how ayahs negotiated their precarious employment conditions, capitalized on social sympathy amongst some sections of the British population, and confronted or collaborated with various British institutions and individuals to demand justice and humane treatment. In doing so, Datta re-imagines the experience of waiting. Waiting is a recurrent human experience, yet it is often marginalized. It takes a particular form within complex bureaucratized societies in which the marginalized inevitably wait upon those with power over them. Those who wait are often discounted as passive, inactive

victims. This book shows that, in spite of their precarious position, the travelling ayahs of the British empire were far from this stereotype.

Murder by Ice Lorraine Burrell Hughes,2012-02-15 This Novel summons readers to jury duty in Murder by Ice. The case revolves around the story of Daniel Slater, who in his quest to become a famous murder-mystery movie producer he faces a few challenges along the way. An abusive mother whom he murders. A manipulative wife who discovers his secret. She manages to reveal to his

grandfather that Daniel murdered his only child. Meanwhile, Slater's former best friend carries a grudge against him for stealing the only woman he has ever loved. The suspense thickens when it is discovered that the very murder weapon Slater plans to use for his upcoming movie is the same murder weapon used to kill several people whom he had worked with, including the star of the movie whom he had an affair. With his wife plotting to extort money from the movie studio, a copycat murder on the loose. With his past exposed, Slater finds himself framed for the murders. The movie *Murder by Ice* stands to gross over 825 million. Slater's dream of writing and producing the greatest murder-mystery movie ever written hangs in the balance. The true identity of the copycat murderer is not exposed until the end. Suspense -Thriller fans can now examine the facts and evidences, and attempt to uncover the true identity of the murderer in Hughes' *Murder by Ice*.

Calling to Mind H. E. W. Braund, 2014-05-17 *Calling to Mind* is an account of the first 100 years (1870 to 1970) of Steel Brothers and Company Limited, featuring those who took part in the company as well as the company's failures and successes. The first chapter describes the humble beginning of

the company. Then, this book presents how the company shifted from concentrating on rice produce to venturing into forest and oil. How the company shipped their products is also discussed, featuring the seas and oceans that helped them navigate to success, as well as the countries that welcomed their products. This book will be very interesting to those planning to venture into a business and learn from a veteran company, as well as to economists, business managers and administrators, and students of business and economics.

Wishful Thinking United States. Congress. House. Committee on Energy and Commerce.

Subcommittee on Oversight and Investigations,1994

The Spectator ,1850 A weekly review of politics, literature, theology, and art.

Deadly Procurement Howard Livingston,2003-04-17 In his uniquely witty way, Tom Alman provides a humorous but informative look at some of life's most perplexing issues. In the process he dissects a number of sacred cows. Mr. Alman exposes numerous inefficiencies in both private business and government agencies and discusses the proper role of government in our democracy.

He identifies the factors that make America great, and endorses while questioning the political system that will preserve this greatness. Alman goes on to suggest reforms and/or the abolishment of some of our beloved institutions, including our legal system, public education, the Internal Revenue Service, and the Post Office. He even dares to rank the last ten presidents, giving supporting rationale. Marching bravely into the taboo area of religion, he discusses the evolution of modern religions and dares even to discuss the value of prayer, the importance of church attendance, and how certain we can be of God's Will. His examination of man's reluctance to assume personal responsibility and strange behavior in the delicate areas of race relations and sex is really intriguing. Mr. Alman's book comes alive through the cast of fictional neighborhood characters, most notably Shifty Sheister, the retired attorney; Dr. Cosmo Payne, surgeon; Artie Gay, the alternate lifestyle artist; and Mark Sist, a liberal thorn in the author's left side! Given the contrarian nature of many of Alman's positions, every reader will certainly find something to disagree with. But they may also find something that reinforces their own beliefs! Here's what other readers had to say. — As a Canadian-born American citizen who

has conducted business in both countries, I believe Tom has hit the bulls-eye on what makes America great! His witty description of our supply and demand-driven free enterprise system should be required reading for government policy makers! G. Denton Clark, President (Ret.) RCA Canada – I know just enough about national politics to know Tom Alman knows too much! He has exposed us politicians! But I am glad to see that he exposes my lawyer friends as well. I hope their sense of humor is as good as mine! Ted Hopson, Vice Mayor Unicoi, TN and retired GE executive – You will find Tom Alman's style both charming and informative, his impeccable logic both persuasive and challenging, and whether you agree with his conclusions or not you will be forced to think about things you may never before have thought out. Don Helgeson, Author (Prentice Hall books on proposal writing) – Tom Alman pushes the boundaries of conventional suppositions. Read him with an open mind. And if you can't, then perhaps you should examine the concrete boundaries of your own thinking! Mr. Alman is one note in the song that may become the world religion of some tomorrow. A world of tolerance, harmony, peace and love! Lee D. Cary, Doctor of Theology and retired Methodist minister

Near to the Heart of God Robert J. Morgan, 2010-10 The bestselling hymn historian of *Then Sings My Soul* presents a 365-day devotional focused on best-loved hymns of the faith.

A Song in My Heart Robert J. Morgan, 2021-09-07 The lyrics of our favorite hymns are rich in images that can help us in our daily walk with God--they are miniature Bible studies that lead us effortlessly toward worship, testimony, exhortation, prayer, and praise. Bestselling author Robert J. Morgan has gathered 366 hymns, including favorites such as *Amazing Grace* and *Rock of Ages*, as well as classic, lesser-known gems. Each devotional begins with Scripture, includes a story about the hymn or its writer, along with the lyrics to the hymn, and ends with a prayer. Includes an index of hymn titles and first lines.

Richard Gordon Alexander Black, 1902

Blue Husbands Don Dickinson, 1991 Dickinson's first book, *Fighting the Upstream*, was described in *The Globe & Mail* as 'truly memorable fiction'. With *Blue Husbands*, Dickinson returns with stories wilder and even funnier. Although there is always an underlying melancholy in his writing which gives

depth and bite to his humour, nearly all these stories resolve themselves into celebration. Sad, seedy, mad or battered as some of his characters are, Dickinson invests them all with dignity.

Cloud War: 4 Air-War Pulp Yarns David Goodis, 2012-04-15 Sky Raiders, February, 1943 THE CLOUD WIZARD by David Goodis They were all in awe of Bersbee, because the man was more than just a genius—he was a veritable sorcerer in the clouds. And no one dared to ask him how he did it, until one day... 5600 Words The Lone Eagle , February 1941 KILLER ACE by David Goodis Dane Kern Scours the Bullet-Torn Heavens to Match Machine-Gun Slugs with a Cowardly German That Can't Fight on the Level! 5100 Words RAF Aces (Canadian) December, 1944 KID BROTHER by David Goodis Allan Darwood Had Soldiering in His Blood—but He Denied His Own Heritage of Glorious Combat! 5400 Words Fighting Aces, May 1944 CLOUD BUSTER A DRAMATIC SKY-WAR STORY by David Goodis as Ray P. Shotwell “I may fail this squadron in a lot of ways, but there’s one thing you can be sure of. A Hun knocked my brother out of the skies—I’m sticking around until I even the score!” 5500 Words This edition includes the original illustrations to the stories.

The Pony Rider Boys in Alaska; Or, The Gold Diggers of Taku Pass Frank Gee Patchin,2023-10-04

The Pony Rider Boys in Alaska; Or, The Gold Diggers of Taku Pass by Frank Gee Patchin. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
