

# Das Kündigungsgespräch Kartenset

Peter Stamm

*Sofortwissen kompakt: Das Kündigungsgespräch* Claus Heragon,2012 Eine Kündigung sollte nicht leichtfertig ausgesprochen werden. Doch wenn Sie sich als Vorgesetzter dazu entschieden haben, dann gibt Ihnen dieses Kartenset wertvolle Tipps und Hinweise.

*McSorley's Wonderful Saloon* Joseph Mitchell,2001 New Yorker essayist Mitchell likes to start with an unimportant hero, but collects all the facts, arranges them to give the desired effects, and usually ends by describing the customs of a community. The subject of one portrait is a brassy little man who has made a living for the last forty years by giving an annual ball for the benefit of himself. Mitchell doesn't present him as anything more than a barroom scrounger; but in telling his story, he also gives a picture of New York sporting life. King of the Gypsies sets out to describe the spokesman of 38 gypsy families, but it soon becomes a Gibbon's decline and fall of the American gypsies; and it ends with an apocalyptic vision that is not only comic but also more imaginative than recent novels. Reading some of his portraits a second time, you catch an emotion beneath them that resembles Dickens'.--From Malcolm Cowley, The New Republic.

**Unformed Landscape** Peter Stamm,2010-02-23 Unformed Landscape begins in a small village on a fjord in the Finnmark, on the northeastern coast of Norway, where the borders between Norway, Sweden, Finland, and Russia lie covered in snow and darkness, where the real borders are between day and night, summer and winter, and between people. Here, a sensitive young woman like Kathrine finds few outlets for her desires. Half Norwegian, half Sami (an indigenous people), Kathrine works for the customs office inspecting the fishing boats arriving regularly in the harbor. She is in her late 20s, has a son from an early marriage, and has drifted into a second loveless marriage to a man whose cold and dominating conventionality forms a bold stroke through the unformed landscape of her life. After she makes a discovery about her husband that deeply wounds her, Kathrine cuts loose from her moorings and her confusion and sets off in search of herself. Her journey begins aboard a ship headed south, taking her below the Arctic Circle for the first time in her life. Kathrine makes her way to France and has the bittersweet experience of a love affair that flares and dies quickly, her starved senses rewarded by the shimmering beauty of Paris. Through a series of poignant encounters, Kathrine is led to the richer life she was meant to have and is brave enough to claim. Using simple words strung together in a melodic alphabet, Peter Stamm introduces us, through a series of intimate sketches, to the heart of an unforgettable woman. Her story speaks eloquently about solitude, the fragility of love, lost illusions, and self-discovery. From the Trade Paperback edition.
