Quicken 2000 Fast and Easy Coletta Witherspoon,Craig Witherspoon,1999 This book is for the novice computer user who needs a look-and-learn approach to learning a new software program, offering straightforward instruction on financial planning and forecasting. Every step is accompanied by an illustration of what the reader will see on their computer screen. Visual learners will relish the format because it enables them to get up to speed quickly.

Quicken 2001 Coletta Witherspoon,2000 Quicken is money management software. It allows users to bank online, track 401K contributions and earnings, set up accounts and enter transactions, pay bills, and transfer funds. Users can also create reports to analyze finances and even develop a budget. Quicken is the most popular personal finance program available. Currently over 14 million people use Quicken to control their finances. The new features of Quicken X include expanded web capabilities, improved tax planning, a beefed up web site for financial planning, and a planning for the future feature that helps calculate mortgages, saving for college, buying a car, and retirement planning.

Easy Quicken Deluxe 99 Lisa Bucki,1998 The four-color visual approach of this title is guaranteed to get the reader up to speed quickly. The new, updated layout and design appeal to today's fast-paced, need-to-know-it-quickly audience that wants to learn visually. Full color.

Computers Larry E. Long,Nancy Long,2002 Both versions cover all introductory IT concepts topics and are appropriate for a full semester course, with or without a lab component. The comprehensive version offers more depth on business systems and societal issues. Designed to accommodate the computer competency needs of students from a broad spectrum of disciplines and interests, this best-selling text/supplements package provides an exceptionally well-illustrated overview of computing concepts and IT applications all in a format that allows instructors the flexibility to meet their courses' education objectives. It strikes a good balance between efficiency of presentation and content that holds students' interest and invites learning. Only topics critical to general information technology competency are covered in order to provide the breadth of topics necessary to the understanding that is applicable today and in the future.

Quicken 2009: The Missing Manual Bonnie Biafore,2008-09-17 Quicken is a convenient way to keep track of personal finances, but many people are unaware of Quicken's power and end up using only the basic features. Sometimes Quicken raises more questions than it answers: Return of capital from stock? Net worth? What are they and why do you need to know about them? Luckily, Quicken 2009: The Missing Manual picks up where Quicken's help resources leave off. You'll find step-by-step instructions for using Quicken on your Windows PC, including useful features such as budgeting, recording investment transactions, and archiving Quicken data files. You also learn why and when to use specific features, and which ones would be most useful in a given situation. This book helps you: Set up Quicken to take care of your specific needs Follow your money from the moment you earn it Make deposits, pay for expenses, and track the things you own and how much you owe Take care of financial tasks online, and quickly reconcile your accounts Create and use budgets and track your investments Generate reports to prepare your tax returns and evaluate your financial fitness And a lot more. Quicken 2009: The Missing Manual accommodates readers at every technical level, whether you're a first-time or advanced Quicken user. For a topic as important as your personal finances, why trust anything else?
