101 Creative Dates Matt Taylor, 2018-02-02 Many of you find it hard to think up new and exciting ideas for dates. I don't blame you. It's not the easiest thing to do, especially in our Netflix and Chill kind of world. And no, that does not count as a creative date. People appreciate a bit of creativity now and then, so why not surprise your next date with something different? That's where this book comes in. What will you get out of it? Well, hopefully a whole lot of inspiration, and maybe even a laugh or two at my expense. But seriously, want some cool date ideas that aren't very expensive? I got you covered. Maybe this is your first time going out and you want to make a good impression by doing something different? I got you covered. Are you married and lucky enough to escape the kids for one evening and want to impress your spouse with something different, something unique, and maybe even something magical? Covered. Bored of all the same old date ideas? I. Have. Got. You. Covered. Since I'm a guy, I'm writing from a man's perspective of planning and executing a date, although I realize that in this day and age, anyone could pull it off. With that in mind, are you ready to change how you see dating? Good. Sit back, relax, and enjoy the ride. The adventure begins.
