Becoming Leonardo Mike Lankford,2018-04-03 A Wall Street Journal Book of the Year A Spectator Book of the Year “A truly intimate portrait of one of the greatest creators in human history,” this biography of Leonardo Da Vinci “has the pace, elegance, and authorial omnipresence of a novel,” bringing both artist and Renaissance Italy to life (Noah Charney, author of The Art of Forgery) Why did Leonardo Da Vinci leave so many of his major works uncompleted? Why did this resolute pacifist build war machines for the notorious Borgias? Why did he carry the Mona Lisa with him everywhere he went for decades, yet never quite finish it? Why did he write backwards, and was he really at war with Michelangelo? And was he gay? In a book unlike anything ever written about the Renaissance genius, Mike Lankford explodes every cliché about Da Vinci and then reconstructs him based on a rich trove of available evidence—bringing to life for the modern reader the man who has been studied by scholars for centuries—yet has remained as mysterious as ever. Seeking to envision Da Vinci without the obscuring residue of historical varnish, the sights, sounds, smells, and feel of Renaissance Italy—usually missing in other biographies—are all here, transporting readers back to a world of war and plague and court intrigue, of viciously competitive famous artists, of murderous tyrants with exquisite tastes in art . . . Lankford brilliantly captures Da Vinci’s life as the compelling and dangerous adventure it seems to have actually been—fleeing from one sanctuary to the next, somehow surviving in war zones beside his friend Machiavelli, struggling to make art his way or no way at all . . . and often paying dearly for those decisions. It is a thrilling and absorbing journey into the life of a ferociously dedicated loner, whose artwork in one way or another represents his noble rebellion, providing inspiration that is timeless.

The Millionaire Fastlane MJ DeMarco,2011-01-04 10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as The Slowlane your plan for creating wealth? You know how it goes; it sounds a lil something like this: Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich. The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to settle-for-less and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of do what you love will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.
