A History of Capitalism, 1500-1980 Michel Beaud,2001-06 To put the current crisis of capitalism--the third major one according to him--in historical perspective, Beaud (economics, U. of Paris VIII-Vincennes) reviews the development of the economic relation over the past five centuries. He focuses on such questions as the formation of political economy, capitalism's relationship with democracy and national development, and its increasing dominance of the world. The original French, *Histoire du capitalisme de 1500 a 2000* was published by Editions du Seuil in 1981 and had been reprinted or revised four times by 2000; it is unclear which edition was translated here. No information is provided about Dickman or Lefebvre. c. Book News Inc.
