Davon Goes Fishing at the Big Green Yucky Lake Deborah Godwin-Starks,2005-12

About the Book Davon Goes Fishing at the Big Green Yucky Lake, by new children's writer, Deborah Godwin-Starks is a wonderful story told through the eyes of her three-year old grandson. While visiting his grandparents' farm, Davon asks his grandpa to take him fishing. He is eager to go on this adventure though he has never been fishing before. When he gets to the lake he is surprised to find that it is not at all what he expected. He is challenged by many of the scenes and sounds he sees and hears on this exploration. However, with patience, endurance, and lots of encouragement from his grandpa, he learns many of life's lessons on letting go, being brave in the face of adversity, and learning to be comfortable in different surroundings. Davon Goes Fishing at the Big Green Yucky Lake is illustrated by talent Chicago artist, Seitu Hayden, who takes the story as told by a three-year old and turns it into a masterpiece of the spoken world with illustrations.

The In-Betweens Davon Loeb,2018-11-24 Beginning with the challenges of how his White father and Black mother met, with their desire to run away and start fresh and new-resulting in a sometimes pretend family-to a near-archetypal description of his grandfather having just cut the grass as the author watches with a swollen lip and a black eye, to incessant moments in which different expressions of masculinity get inculcated, Davon Loeb frequently captures the disturbing poesy of life growing up. With painstaking detail, this work is in the vein of James McBride's 'The Color of Water', Justin Torres's 'We the Animals', and Jamaica Kincaid's 'Annie John', 'The In-Betweens' is a meditation on bruise and healing. Loeb's struggles become snapshots of how transformation occurs even where shards have been piled, where one waits for something to happen, like flashes of red and blue sirens pulsing. A truly extraordinary new voice Roy G. Guzmán, author of 'Restored Mural for Orlando'

The Real BBW Player Game is a concept wholly created by Pay Day the Author/Julian Hill where Honest BBW Admirers who realize they're Addicted to Stacked BBWs (Very Curvy Larger Women) and have decided to be a player with it. Only now they enter a game for Real Players worldwide where the rules are studied and practiced in true life. All Real Players and Real BBW Players must tell the truth to the women they deal with in order to remain true to the game. Also, their individual and collective goals are marrying all the women they want having planned ahead for that specific number of women; and living in a country that allows such customs for multi-marital couples. Arriving at this point, the RBP or RP retires from the game and is no longer active (having new women) because he's gotten all the rewards of the game when he retired or became a married man. So now he continues life with his new brides and possibly gets himself on right standing spiritually with Jesus Christ. This series may seem way out the box because it is. Certain people live this way. Pay Day the Author/Julian Hill has developed a platform for the Addicted BBW Admirers to step up and be honest in all their dealings. Furthermore, this means no lying, cheating or deceiving women, which leads to true honesty with all people. Our society has suffered so greatly from the impacts of dishonesty and brokenhearted people especially women. Plus Size Women and then even more Stacked BBWs have a special path because they're distinct; a specific breed of females. Pay Day as he's called by most in the plus size community worldwide and online teaches in his textbooks and for private audiences and classes these concepts that happen so frequently and how to turn the situation around, if we are driven to do so under Christ. If you would like to schedule an appointment with Pay Day the Author/Julian Hill, please do so by email at PayDayAuthor1@yahoo.com.
