Seize the Daylight David Prerau,2009-04-28 Benjamin Franklin conceived of it. Sir Arthur Conan Doyle endorsed it. Winston Churchill campaigned for it. Kaiser Wilhelm first employed it. Woodrow Wilson and Franklin Roosevelt went to war with it, and more recently the United States fought an energy crisis with it. For several months every year, for better or worse, daylight savings time affects vast numbers of people throughout the world. And from Ben Franklin's era to today, its story has been an intriguing and sometimes-bizarre amalgam of colorful personalities and serious technical issues, purported costs and perceived benefits, conflicts between interest groups and government policymakers. It impacts diverse and unexpected areas, including agricultural practices, street crime, the reporting of sports scores, traffic accidents, the inheritance rights of twins, and voter turnout. Illustrated with a popular look at science and history, Seize the Daylight presents an intriguing and surprisingly entertaining story of our attempt to regulate the sunlight hours.

Portraits of Ghent ,2020-10-06 By creating a snapshot of the Ghent community during its Bicentennial year, this collection of portraits provides a record for the future. Digital and smartphone technologies have enabled us to capture billions of fleeting moments yet, only a tiny fraction are intended to have lasting impact or to be printed and archived in any way. Photographs from the nineteenth and twentieth centuries are more readily to-hand, often serving as our only tactile document of history. All of Us: Portraits of an American Bicentennial is Richard Beaven's response to: a 'box of prints in the basement' from today which can be rediscovered and held by the community of tomorrow. Beaven's aim was to reflect a broad narrative of our town through those who live and work here. For nearly a year, he sought out and connected with possible subjects most of who were strangers beforehand. He photographed as diverse a representation of the community as he could find portraying each person in a similar way and describing each by name and their time connected with Ghent. He resisted any additional categorization ensuring an equal platform for all. The viewer is left to imagine and question for themselves what makes each subject unique or familiar based only on gesture, expression and setting. This was a humbling and deeply insightful journey for Beaven's. He would like to thank his Ghent neighbors for their time, support and the gift of understanding that we truly have more in common than that which separates us.

Bull City Summer Howard L. Craft,Michael Croley,2014 A team of artists find stories and images on the field and behind the scenes about the Durham Bulls.

Seizing Your Divine Moment Erwin Raphael McManus,2002-11-03 In this inspiring book, Erwin McManus uses the biblical account of Israel's war with the Philistines (1 Samuel 13 and 14) and the characters of Saul and Jonathan to demonstrate the difference

between living a life of purpose and adventure, and living one of apathy and missed opportunity. In the midst of a less-than-hopeful battle, Saul—who should have been leading—rested beneath a pomegranate tree as Jonathan seized the divine moment that would impact the future of Israel. Through this story McManus artfully illustrates the eight characteristics of an adventurer's heart, what he calls the Jonathan factor. Using powerful examples from his own life and ministry, along with fresh biblical teaching, McManus asserts that God crafts divine moments specific to each of us—priceless opportunities for us to actively engage in God's big-picture plan. Apathy and apprehension prevent us from being all we are meant to be for God's kingdom. But by developing the characteristics McManus outlines, Christians can move from mundane to miraculous living.

Neon in Daylight Hermione Hoby, 2018-01-09 A New York Times Book Review Editors' Choice A radiant first novel. . . . [Neon in Daylight] has antecedents in the great novels of the 1970s: Renata Adler's *Speedboat*, Elizabeth Hardwick's *Sleepless Nights*, Joan Didion's *Play It as It Lays*. . . . Precision—of observation, of language—is Hoby's gift. Her sentences are sleek and tailored. Language molds snugly to thought. —Parul Sehgal, *The New York Times* What do you get when a writer of extreme intelligence, insight, style and beauty chronicles the lives of self-absorbed hedonists—*The Great Gatsby*, *Bright Lights*, *Big City*, and now *Neon in Daylight*. Hermione Hoby paints a garish world that drew me in and held me spellbound. She is a marvel. —Ann Patchett, author of *Commonwealth* New York City in 2012, the sweltering summer before Hurricane Sandy hits. Kate, a young woman newly arrived from England, is staying in a Manhattan apartment while she tries to figure out her future. She has two unfortunate responsibilities during her time in America: to make regular Skype calls to her miserable boyfriend back home, and to cat-sit an indifferent feline named Joni Mitchell. The city has other plans for her. In New York's parks and bodegas, its galleries and performance spaces, its bars and clubs crowded with bodies, Kate encounters two strangers who will transform her stay: Bill, a charismatic but embittered writer made famous by the movie version of his only novel; and Inez, his daughter, a recent high school graduate who supplements her Bushwick cafe salary by enacting the fantasies of men she meets on Craigslist. Unmoored from her old life, Kate falls into an infatuation with both of them. Set in a heatwave that feels like it will never break, *Neon In Daylight* marries deep intelligence with captivating characters to offer us a joyful, unflinching exploration of desire, solitude, and the thin line between life and art.

Run to Daylight! Vince Lombardi, 2014-01-14 In the golden years of professional football, one team and one coach reigned supreme: the 1960s Green Bay Packers, and the fiery Vince Lombardi. Run to Daylight! is Lombardi's own diary of a week at the helm of that magnificent club. Together with legendary sports-journalist, W.C. Heinz, Lombardi takes us from the first review of game films on Monday right through the final gun on Sunday afternoon. We see the planning, the plotting, the practice and the pain as forty-plus men come together to form that precision unit that makes for winning football. Lombardi gives us his views on life, the game, coaching, success, family, and the famed "Lombardi Sweep." Now, in this anniversary edition, with a special foreword by David Maraniss, we are once again reminded of the passion and power behind America's greatest game. Written in W.C. Heinz's inimitable

style, *Run to Daylight!* is part diary, part philosophy text, part coaches manual. Here, is professional football at its best.
