Bracketology Joe Lunardi,David Smale,Mark Few,2021-03-02 Lunardi delves into the early days of Bracketology, details its growth, and dispels the myths of the process The NCAA Tournament has become one of the most popular sports events in the country, consuming fans for weeks with the run to the Final Four and ultimately the crowning of the champion of college hoops.? Each March, millions of Americans fill out their bracket in the hopes of correctly predicting the future. Yet, there is no true Madness without the oft-debated question about what teams should be seeded where—from the Power-5 Blue Blood with some early season stumbles on their resume to the mid-major that rampaged through their less competitive conference season—and the inventor of Bracketology himself, Joe Lunardi, now reveals the mystery and science behind the legend. While going in depth on his ever-evolving predictive formula, Lunardi compares great teams from different eras with intriguing results, talks to the biggest names in college basketball about their perception of Bracketology (both good and bad), and looks ahead to the future of the sport and how Bracketology will help shape the conversation. This fascinating book is a must-read for college hoops fans and anyone who has aspired to win their yearly office pool.

Coach Wooden and Me Kareem Abdul-Jabbar,2017-05-16 Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In Coach Wooden and Me, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. Coach Wooden and Me is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous Pyramid of Success; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, Coach Wooden and Me is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship. Out of the Pocket Kirk Herbstreit,2022-08-02 This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer’s disease until his death in 2016. In Out of the Pocket, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN’s iconic College GameDay show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the GameDay set, and into the broadcast booth. You’ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he’s established and the insights he’s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he’s also a survivor. He’s the quiet kid who withstood the collapse of his parents’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you’ll make it” dream career in broadcasting. Inspiring and powerful, Out of the Pocket “proves the importance of perseverance and family” (Peyton Manning).

Tigerland Wil Haygood,2019-08-13 Against the backdrop of one of the most tumultuous periods in recent American history, as riots and demonstrations spread across the nation, the Tigers of poor, segregated East High School in Columbus, Ohio did something no team from one school had ever done before: they won the state basketball and baseball championships in the same year. They defeated bigger, richer, whiter teams across the state and along the way brought blacks and whites together, eased a painful racial divide throughout the state, and overcame extraordinary obstacles on their road to success. In Tigerland, Wil Haygood gives us a spirited and stirring account of this improbable triumph and takes us deep into the personal lives of these local heroes. At the same time, he places the Tigers’ story in the context of the racially charged sixties, bringing in such national figures as Jackie Robinson, Martin Luther King Jr., and Richard Nixon, all of whom had a connection to the teams and a direct effect on their mythical season.

Loose Balls Terry Pluto,2011-07-19 What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in common? They all got their professional starts in

the American Basketball Association. What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in common? They all got their professional starts in the American Basketball Association. The NBA may have won the financial battle, but the ABA won the artistic war. With its stress on wide-open individual play, the adoption of the 3-point shot and pressing defense, and the encouragement of flashy moves and flying dunks, today's NBA is still—decades later —just the ABA without the red, white and blue ball. Loose Balls is, after all these years, the definitive and most widely respected history of the ABA. It's a wild ride through some of the wackiest, funniest, strangest times ever to hit pro sports—told entirely through the (often incredible) words of those who played, wrote and connived their way through the league's nine seasons.

Miracles on the Hardwood John Gasaway,2021-03-16 Discover the David vs. Goliath rise of Catholic college basketball, from Villanova to Georgetown to Gonzaga, where small schools perennially shoot past the big power conference programs. In MIRACLES ON THE HARDWOOD, author John Gasaway traces the rise of Catholic college basketball—from its early days (Villanova made an appearance in the Final Four in the first NCAA tournament in 1939) to the dominance of the San Francisco Dons in the 1950s and the ascendance of powerhouses Georgetown, Villanova, and Gonzaga—through their decades-long rivalries and championship games. Featuring interviews with notable coaches, players, alums, and fans—including Loyola Chicago's most famous and dedicated fan, 100-year-old Sister Jean—to get at the heart of how these universities have excelled at this sport. Small in number but devout in the game's spirit, these teams have made the miraculous a matter of ritual, and their greatest works may be yet to come.

More Than a Season Dayton Moore,Matt Fulks,Alex Gordon,Ned Yost,2016-04-01 Provides a blueprint for becoming a champion, both on and off the field When Dayton Moore arrived in Kansas City in 2006, the Royals hardly resembled a contender. The general manager inherited a major league club that had just one winning season in the previous decade. Moore, a Kansas native who grew up as a Royals fan, implemented a plan to return the franchise to its glory years. Though not without a few bumps in the road, that plan came to fruition in 2014 and 2015, as the Royals reached the World Series both years and were corned 2015 World Series champions. In More Than a Season, Moore shares how his faith and leadership principles guided his rebooting of the Royals. The general manager describes how he built one of baseball's best farm systems and international scouting departments of out nothing. He shares insight on how he persevered through six consecutive losing seasons and the critical response to controversial trades of Zack Greinke and Wil Myers—transactions that ultimately yielded the foundation of a champion. Full of never-before-told stories from inside the Royals organization More Than a Season features an introduction by William F. High, CEO of the National Christian Foundation Heartland. This updated edition features an all-new prologue and an additional chapter celebrating the 2015 World Series championship season.

The Back Roads to March John Feinstein,2021-03-16 #1 New York Times bestselling author John Feinstein returns to his first love--college basketball--with a fascinating and compelling journey through a landscape of unsung, unpublicized and often unknown heroes of Division-1 college hoops. John Feinstein pulls back the curtain on college basketball's lesser-known Cinderella stories--the smaller programs who no one expects to win, who have no chance of attracting the most coveted high school recruits. To tell this story, Feinstein follows a handful of players, coaches, and schools who dream, not of winning the NCAA tournament, but of making it past their first or second round games. Every once in a while, one of these coaches or players is plucked from obscurity to lead a major team or to play professionally, cementing their status in these fiercely passionate fan bases as a legend. These are the gifted players who aren't handled with kid gloves--they're hardworking, gritty teammates who practice and party with everyone else. With his trademark humor and invaluable connections, John Feinstein reveals the big time programs you've never heard of, the bracket busters you didn't expect to cheer for, and the coaches who inspire them to take their teams to the next level.
