Causey Enterprises, LLC

Bike Week at Daytona Beach , A twin-cam appreciation from twenty years of riding in one of America's largest Harley gatherings

Daytona Bike Week Donald D. Spencer, 2008 Sandwiched between NASCAR's highly-publicized Daytona 500 auto race and college students' Daytona Beach Spring Break is Daytona Bike Week. For ten days in March, Daytona Beach becomes the temporary headquarters for around 500,000 motorcyclists and a motorized carnival, the largest annual party in the Daytona area. This scrapbook has over 400 full-color photographs of exceptional bikes and their devoted owners, body art and leather gear, and snapshots of bike races, crazy contests, and classic moments in hangouts like Dirty Harry's, the Boot Hill Saloon, and Bike Week's famous beer tents.

Run to the Sun Day Bike Week Bob Jones (Jr.), 1989

Ten Days in Daytona , 2017-08-14 A photographic look into the unique and sometimes in your face character of the people who attend what is billed as the world's largest motorcycle event, Daytona

Beach's Bike Week. These portraits delve past the beards, leather, tattoos and bare skin of Bike Week and give a glimpse of more than three decades of individuals who stand out from the crowd.

Black Leather Donald D. Spencer, 2002 The love affair between Daytona Beach and motorcycle enthusiasts dates back to 1937 with the first running of the Daytona 200. Each year over 600,000 bikers visit the Daytona Beach area for Bike Week in the spring and then Biketoberfest in the fall. This book is a history of these events and includes over 275 photographs (76 views are in COLOR) taken over the years.
