Bookshops & Bonedust Travis Baldree, 2023-11-07 A Barnes & Noble Best Fantasy Book of 2023 When an injury throws a young, battle-hungry orc off her chosen path, she may find that what we need isn't always what we seek. Set in the world of New York Times bestselling *Legends & Lattes*, Travis Baldree's *Bookshops & Bonedust* takes us on a journey of high fantasy, first loves, and second-hand books. Viv's career with the notorious mercenary company Rackam's Ravens isn't going as planned. Wounded during the hunt for a powerful necromancer, she's packed off against her will to recuperate in the sleepy beach town of Murk—so far from the action that she worries she'll never be able to return to it. What's a thwarted soldier of fortune to do? Spending her hours at a beleaguered bookshop in the company of its foul-mouthed proprietor is the last thing Viv would have predicted, but it may be both exactly what she needs and the seed of changes she couldn't possibly imagine. Still, adventure isn't all that far away. A suspicious traveler in gray, a gnome with a chip on her shoulder, a summer fling, and an improbable number of skeletons prove Murk to be more eventful than Viv could have ever expected. "Take a break from epic battles and saving the world. This is a low-stakes fantasy that delivers exactly what's advertised: a wholesome, cozy novel that feels like a warm hug. This is my new comfort read."—Genevieve Gornichec, author of *The Witch's Heart*, on *Legends & Lattes* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Light Over Liskeard Louis de Bernières, 2023-10-12 Sometimes we must look to the past to survive the future. A novel about what really matters in life from the bestselling author of *Captain Corelli's Mandolin* Q wants a simpler and safer life. His work as a quantum cryptographer for the government has led him to believe a crisis is imminent for civilisation and he's looking for somewhere to ride out what's ahead. He buys a ruined farmhouse in Cornwall and begins to build his own self-sufficient haven. Over the course of this quest he meets the eccentric characters who already live on the moors nearby - including the park ranger in charge of the reintroduced lynxes and aurochs that roam the area; a holy man waiting for the second coming on top of a nearby hill; an Arthurian knight on horseback and the amorous ghost of an Edwardian woman who haunts the farmhouse. As life in the cities gets more complicated, and our systems of electronic control begin to fall apart, Q flourishes in the wild Cornish countryside. His new way of life brings him back in tune with his teenage children, his ex-wife, and his own sense of who he is. He also grows close to Eva, energetic and enchanting, who is committed to her own quest for love and meaning. In this entertaining and heart-warming novel Louis de Bernières pokes fun at modern mores, and makes us reconsider what is really precious in our short and precarious lives.

A major effort in writing the book was made to highlight the intuitions behind the theoretical development.

Gray's Anatomy Susan Standring, 2008 A universal landmark in medicine ever since Drs. Henry Gray and H.V. Carter published the first edition in 1858, *Gray's Anatomy* now celebrates its 150th anniversary. The new 40th Edition sets a new world standard for accuracy, clarity, and clinical relevance.
