Car Business 101 Max Zanan,2018-12-24 Automotive retail is at crossroads--either it gets better or becomes extinct. Consumers are dissatisfied with the sales process in brick and mortar dealerships and that is the driving force behind the rise of Carvana and other industry disrupters. However, it is not too late to fix the way car dealerships operate and improve their reputation. Car Business 101 highlights irrational and counterproductive behavior that car dealers engage in on a daily basis. If you own or work in a car dealership it will be easy to recognize insanity that goes on in Sales, F&I, BDC, HR, and Parts & Service departments. This book offers a fresh perspective and plenty of practical solutions that should be implemented as soon as possible. It is informative and entertaining at the same time. It is a must read for dealer principals, dealership employees, and vendors that service car dealers.

Matt Simmons-vintage car mechanic, grape grower, and owner of a flock of sheep known as the woolly weeders-doesn't believe in love at first sight. But when he sees Victoria wiping alpaca spit off her shoes he's smitten. And when she asks for his help, he's hooked. But Victoria's dilemma seems to have no solution. When a showdown with the ex nears, Matt might have to don his superhero cape to keep Victoria from being crushed like a bin of Santa Marta grapes before they can discover if their mutual attraction will be a perfect pairing.
