Training Wheels for Teachers Steve McKeehan,2019-07-12 You got into the teaching profession to make a difference. You had some exceptional teachers growing up, and you thought you had what it took to make a similar impact on young people. Yet, from the moment you inherited your first group of students, you have been struggling to keep your head above water. During each period of the day, while you attempt to deliver quality instruction, there are a handful of loud and obnoxious students that make it their mission to disrupt your lessons and cause chaos in the classroom. Because of your inability to take control, others have joined in the insurrection. There is no teacher 911 number to dial, and you feel frustrated and helpless. Your dream job has turned into a fight for survival. As a new instructor, you'll need the knowledge and practical experience to set up your classroom, design and teach lesson plans, and communicate with the parents of your students. Your top priority, however, is to establish classroom management strategies and get students to buy into your rules and governance. If you can convince them to do so, you'll set the table for a successful school year. Become the leader of your classroom and help students discover the educational opportunities that await!

Caught Between Heaven & Earth Nancy Van Alphen, 2019-03-27 An Incredible True Story of Awakening In *Caught Between Heaven & Earth*, Nancy van Alphen takes us on her unexpected spiritual journey that changed her from agnostic to believer. A humorous peek into her childhood, during which she had but a mere smattering of religion, paints the picture of an ordinary girl living an ordinary life. As a teen she concluded God was unprovable and never looked back—until God decided He wasn't content being a mere possibility. Alone one night, Nancy happened upon a video of a young man given little time to live. Heartfelt compassion morphed into anger as she raised her fists and railed about suffering to a God in whom she didn't really believe. To her utter amazement, God responded. Thus begins her journey in which she traverses a surreal chasm between doubt and belief, caught between Heaven and Earth, as she struggles to understand messages she was given about suffering, reincarnation—including her own—and humanity's true identity. With a sprinkling of light-hearted family anecdotes, Nancy recalls her progressively more profound experiences within the context of earthly reality. Interactions with God, Jesus and angels chip away at her agnosticism, until one day something so amazing happens it obliterates all traces of doubt. Between scenes, Nancy looks at various religious traditions and present day near-death experiences, uncovering information supporting what she was told by Divine source, helping her round out her new picture of reality. Her conclusion presents four habits of LOVE by which to live to foster evolution of one's soul, as well as the spiritual evolution of humanity. Praise for *Caught Between Heaven & Earth*: I am proud of Nancy for her courage in sharing her story with us that we might find light in it! It is valuable that she is open and sharing of her reproachment to God. Nancy went in as an agnostic and exited as a full-on believer. Kudos to Nancy for her persistence in continuing the work, in having courage and resilience, and in doing it in a world too often filled with darkness. What a lesson for the rest of us! - Dr. Doris Eliana Cohen, PhD *Repetition and Dreaming on Both Sides of the Brain* Nancy van Alphen takes you by the hand and ushers you into her mind and then into her heart where you experience her intimate and breathtaking journey from agnosticism to spirituality. Her authentic report begins with angels at her door. That day marked the beginning of her transformation which she describes in honest detail. Hers is a journey similar in its mystical nature to that which I and countless others have experienced in this time of rising awareness. The truths that unfold to Nancy in surprising, even astonishing ways will resonate in the heart of experiencers and non-experiencers alike. - Emily Rodavich *Mystical Interludes and Mystical Interludes II*
