Christmas at Cold Comfort Farm Stella Gibbons,2011-11-10 Indulge in a feel-good collection of stories from the author of Cold Comfort Farm. WITH AN INTRODUCTION BY ALEXANDER MCCALL SMITH The title story tells of a typical Christmas at the farm before the coming of Flora Poste. It is a parody of the worst sort of family Christmas: Adam Lambsbreath dresses up as Father Christmas in two of Judith's red shawls. There are unsuitable presents, unpleasant insertions into the pudding and Aunt Ada Doom orders Amos to carve the turkey, adding: 'Ay, would it were a vulture, 'twere more fitting!' 'Stella Gibbons is the Jane Austen of the 20th century' Lynne Truss, author of the Constable Twitten series.

Fanatic Jim Gorant,2008-04 An ardent and lifelong sports fanatic describes his year-long odyssey to ten iconic sporting events that exemplify the world of American sports, including the Super Bowl, the Daytona 500, the Kentucky Derby, Wimbledon, the Final Four, the Masters, and opening day at Fenway Park, among others. Reprint.

Today, however, punishing rents and the increasingly prohibitive cost of ownership have turned housing into the foremost symbol of inequality and an economy gone wrong. Nowhere is this more visible than in the San Francisco Bay Area, where fleets of private buses ferry software engineers past the tarp-and-plywood shanties of the homeless. The adage that California is a glimpse of the nation’s future has become a cautionary tale. With propulsive storytelling and ground-level reporting, New York Times journalist Conor Dougherty chronicles America’s housing crisis from its West Coast epicenter, peeling back the decades of history and economic forces that brought us here and taking readers inside the activist movements that have risen in tandem with housing costs.

Saving the Deal Tracey RUMSEY,2008-01-23 In a perfect world, real estate agents would work only with prospective home buyers who have preapproved financing, and sellers who are fully aware of their property's title status. In reality, Realtors can do everything right to get listings, present houses, and make deals... only to have them fall through at the last minute. *Saving the Deal* gives readers proactive tips and valuable advice that will help save them the pain and heartache- not to mention the cost- that comes from losing a deal.

The Artifact Alan Refkin,2020-06-15 A reporter is killed before he can publish a story on arms smuggling; a geologist is murdered when he tries to hand over photographs that will reveal the person behind a secret terrorist network; a dirty bomb sits in a hotel room just blocks from the White House; and a wealthy industrialist wants to harm the west in a way that will be remembered throughout history. These might have remained unconnected except for the discovery of an artifact – a three-by-three-inch piece of silver that was found at a victim’s residence. In this third novel of the Mauro Bruno detective series the Italian detective, along with his new partners Elia Donati and Lisette Donais, try and stop an industrialist before he attacks a NATO summit attended by the President of the United States, and sets off a dirty bomb in Washington that will make a large portion of the capital uninhabitable for generations. Although security at both locations at first appear to be invincible, Bruno and his partners soon discover a chink in the armor that has gone unnoticed because of a bribe paid to someone high up in the government.
