Building a Deck Scott Schuttner, 2002 This book takes the reader through the entire process of building a deck - from planning stages, through construction to the custom details that make a deck more functional and attractive.

Stacked Decks Robin Bartram, 2022-08-19 A startling look at the power and perspectives of city building inspectors as they navigate unequal housing landscapes. Though we rarely see them at work, building inspectors have the power to significantly shape our lives through their discretionary decisions. The building inspectors of Chicago are at the heart of sociologist Robin Bartram's analysis of how individuals impact—or attempt to impact—housing inequality. In *Stacked Decks*, she reveals surprising patterns in the judgment calls inspectors make when deciding whom to cite for building code violations. These predominantly white, male inspectors largely recognize that they work within an unequal housing landscape that systematically disadvantages poor people and people of color through redlining, property taxes, and city spending that favor wealthy neighborhoods. *Stacked Decks* illustrates the uphill battle inspectors face when trying to change a housing system that works against those with the fewest resources.

Iconic Tarot Decks Sarah Bartlett, 2021-08-24 Discover the secrets of the most iconic, mysterious and beautiful tarot decks ever created. The tarot is a treasury of divination, symbolism and self-knowledge. But who created its mysterious art and meaning, and why? What were they seeking? Does it originate in ancient esoteric wisdom or is this a vain fancy of the occultists? How has the interpretation and meaning of the cards evolved? In *Iconic*

Tarot Decks, Sarah Bartlett (the international bestselling author) presents 50 of the most iconic tarot decks – telling the powerful stories of how each was devised and designed and showcasing their most exemplary cards. Each of the fifty-six decks in this book holds its own unique symbolism and mystical beginnings: from Visconti-Sforza, the fifteenth-century deck that reveals the fates of two Italian dynasties, to the Sola Busca Tarot, with its esoteric alchemical codex; from the pioneering Rider-Waite-Smith deck to the occult riddles of English Magic Tarot. With an introduction to reading tarot and useful tips on deciphering the cards – this is the perfect book for collectors, cartomancers, designers, tattoo artists and anyone interested in the art and mystery of tarot.

The Pitch Deck Book Tim Cooley, 2021-01-09 The Pitch Deck Book is a step by step guide to raising seed capital

from Venture Capital and Angel investors. This guide was built by Tim Cooley who has spent more than 10 years screening deals and raising more than \$200M in seed and early-stage capital for over 100+ companies. The Pitch Deck Book is hands-down the clearest, simplest, and most concise guide ever written to creating and delivering an effective startup fundraising pitch. Three hours spent reading and applying the lessons in Tim Cooley's book will save you thirty hours of well-meaning-but-ineffective feedback from random advisors. Tim comes from the perspectives of both a founder and an investor, and as the Executive Director of a highly regarded angel group, he is EXACTLY the audience your pitch is aimed at. Founders around the world (not to mention investors who have to sit through awful pitches!) owe him an enormous debt of gratitude.-David S. Rose, The Pitch Coach, author of The Startup Checklist and Angel Investing, founder of New York Angels. Inside The Pitch Deck Book, you will find a guide to creating all the key elements you will need to engage investors. You will learn everything you need to do before you ever set up a meeting. You will learn the best format to present your business so that investors will get excited about your business. Finally, you will be shown a number of actual pitch decks with some of the most common issues that most founders come across when they pitch. Not only do you see the actual decks used, but also the feedback on how to fix them. If you do not want to be the 99% of companies who never get funded and are looking for the most comprehensive way to present your business to investors, this is the book for you.
