📖 **LOSE WEIGHT AND GET FIT** Glenn Harrold,2008-06

📖 **HYPNOTIC GASTRIC BAND** Paul McKenna, Ph.D.,2016-01-05 More than 50 percent of Americans are overweight and looking for a solution. At last, there has been a weight-loss breakthrough that's easy and has a significant success rate: Paul McKenna's Hypnotic Gastric Band. Gastric band surgery, a radical operation that reduces the available space in the stomach, is a drastic—though often highly effective—treatment that's often a last resort. Hypnotic Gastric Band offers similar results without the risks of surgery: this psychological procedure works to convince the unconscious mind that a gastric band has been put in place, helping the body to behave as if a band were physically present—so it's easy to eat less and lose weight at last, while still feeling completely satisfied. Dr. McKenna spent years researching this groundbreaking process with leading medical experts in weight loss. He describes it as the closest thing to real magic I have ever experienced, except this procedure isn't magic, it's grounded in solid science. All our decisions about food are made in the mind, which in many ways is like a computer. Hypnosis helps to reprogram the computer so that when people eat, they feel full faster. With the Hypnotic Gastric Band there is no dangerous physical surgery, no forbidden food, and no miserable dieting. Instead, the Hypnotic Gastric Band helps people make healthier food choices, enjoy their food more, and eat less without effort and without feeling deprived. The book comes with free digital downloads of guided hypnosis and detailed instructions to install your Hypnotic Gastric Band and to adjust it as the weight comes off. Just read the short book, then download the essential 25-minute hypnotic trance and start reprogramming your mind to eat less.

📖 **COMPLETE RELAXATION DVD** Glenn Harrold,2006-04-01 On the DVD Glenn Harrold will guide you into a deeply relaxed state of mental and physical relaxation. In this very receptive relaxed state you are given a number of post hypnotic and direct suggestions to help you overcome stress and cope the pressures of modern day life. The absorbing hypnotic visual imagery combined with the powerful hypnosis audio track create a dynamic state for integrating suggestions and feeling relaxed easily. There are also a number of background echoed affirmations, which pan from left to right across the stereo range. These deeply soothing and potent methods of delivering multiple suggestions simultaneously to the unconscious mind can facilitate positive changes very quickly. The subliminal messages (printed on the back cover) that flash up on the screen every now and again are on screen for 1/25th of a second. You do not need to consciously read them as these phrases bypass your conscious awareness and are absorbed and accepted unconditionally by your unconscious mind. This DVD will guide you into a hypnotic trance state and then bring you back to full waking consciousness at the end. It is important to watch and listen to the session in its entirety. You need to create a time and space where you can watch the full 40-minute hypnotherapy session from start to finish. This unique hypnotherapy DVD gives you a compelling and effective way to take complete control of your stress levels and remain much more relaxed in your every day life.
