American Whitetail Terry F. Townsend,2011 This comprehensive 'how to' book--containing hundreds of valuable tips, photos, and illustrations--is for both the beginner and the experienced hunter, whether hunting with a bow, rifle, or muzzleloader. It explains the best methods for tracking and recovering a deer, and how to field dress, skin out, butcher, and package your venison for the freezer. It even includes twenty-five great venison recipes!

Tales of Whitetails Archibald Rutledge,2020-05-08 Thirty-five stirring, contemplative stories of deer hunting from a winner of the John Burroughs Medal. Archibald Rutledge—renowned outdoor writer, poet laureate, and authority on whitetails—lived a rich life at Hampton Plantation in South Carolina, and had a mystical attachment to deer that found fulfillment in hunting and writing. No American sporting writer has been more persuasive in capturing the myriad, and often elusive, meanings of the hunt. According to editor Jim Casada, Rutledge has an unrivaled knack for capturing the thrill of the chase, and his ability to set a scene is such that it places the reader squarely amidst the deep swamps, ridges of mixed pines and hardwoods, and dense thickets of palmetto and greenbrier. Rutledge considered deer, “that noble, elusive, crafty, wonderful denizen of the wilds,” to be the wisest of the game animals. His firm belief was that there was “much more to hunting than hunting.” He praised whitetails in poetry, found in them a basis for a sophisticated philosophy, and, most of all, immortalized the world of the hunter and the hunted in prose. *Tales of Whitetails* is the only book ever published devoted exclusively to Rutledge’s deer tales.

Autumn Moons and Whitetail Dreams Michael Duarte,1998 *Autumn Moons and Whitetail Dreams* chronicles the seasoned experiences and imaginings of one who simply cannot live without the autumn woods and white-tail deer. It offers a fleeting look into the soul of passionate deer hunting.

Whitetail Deer Facts and Strategies Dennis Keller,2018-01-16 Dennis H. Keller, the author, has spent a good part of his life studying and hunting free-range whitetail deer in Pennsylvania. He also increased his knowledge of whitetail deer hunting through extensive research and attending seminars by experts in the field. Since there is a high density of hunters in Pennsylvania, it is more difficult to harvest a mature whitetail deer on a consistent basis. Increasing one's knowledge and hunting skill is of great importance no matter what state you hunt in. This book contains a wealth of information for hunters of all ages. To be a successful hunter, you need to have some knowledge and understanding of this magnificent animal. After all, it is the most sought-after wild game animal in the United States. There are no personal stories contained in this book. Its main purpose is to give the reader a lot of information so he or she can be a more successful whitetail deer hunter. This book is comprehensive and covers most aspects related to hunting and harvesting a mature whitetail deer. Some of the topics include preseason scouting techniques, tree stand preparation, telling the difference between a buck and a doe track, hunting strategies, October lull, the rut, trail camera setups, deer diseases, establishing food plots, scent control, hunter safety, various meat preparations, antler scoring, etc. You will benefit from reading this book. Your confidence will increase, and if you follow the keys to killing a nice buck listed in this book, success is almost guaranteed. Good luck hunting!

Big Bucks the Benoit Way Bryce M. Towsley,2016-04-19 See what it takes to track trophy-sized bucks like the legends do. If there is such a thing as hunting royalty, then the Benoit family is it. They have been raking in trophy-sized bucks since Larry Benoit first began to pioneer his unique tracking methods. As the family grew, so did the Benoit hunting repertoire, expanding beyond simple snow tracking to all-season tracking. Author Bryce M. Towsley had a unique opportunity in the late nineties: to deer hunt with the Benois for an extended period in the deep woods of Maine. He spent time with the Benoit family observing and learning their hunting tactics, techniques, and long-protected secrets. The product of Towsley’s inclusion in the Benoit family tradition is *Big Bucks the Benoit Way*. Fully illustrated with Towsley’s beautiful, full-color photography and written with his trademark prose and with a new introduction by the author, it tracks his experience following in the footsteps of the great Benoit hunters, learning their craft and sharing it with you. *Big Bucks the Benoit Way* is more than an exploration of the fine art of tracking bucks; it’s a glimpse at the heart and beauty of American big-game hunting. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts.
