Engaged Journalism Jake Batsell,2015-02-03 Engaged Journalism explores the changing relationship between news producers and audiences and the methods journalists can use to secure the attention of news consumers. Based on Jake Batsell's extensive experience and interaction with more than twenty innovative newsrooms, this book shows that, even as news organizations are losing their agenda-setting power, journalists can still thrive by connecting with audiences through online technology and personal interaction. Batsell conducts interviews with and observes more than two dozen traditional and startup newsrooms across the United States and the United Kingdom. Traveling to Seattle, London, New York City, and Kalamazoo, Michigan, among other locales, he attends newsroom meetings, combs through internal documents, and talks with loyal readers and online users to document the successes and failures of the industry's experiments with paywalls, subscriptions, nonprofit news, live events, and digital tools including social media, data-driven interactives, news games, and comment forums. He ultimately concludes that, for news providers to survive, they must constantly listen to, interact with, and fulfill the specific needs of their audiences, whose attention can no longer be taken for granted. Toward that end, Batsell proposes a set of best practices based on effective, sustainable journalistic engagement.

Captain Crash and the Dallas Cowboys Cliff Harris,2014-09-02 How does it feel to see your name among the Cowboys greats in Texas Stadium's Ring of Honor? What was it like to be recruited by professional scouts? What happened to the guy who hooked Randy White in the back with a wayward fishhook? How did legendary coach Tom Landry motivate his players? How did a waterbed and transcendental meditation help Cliff Harris gain an edge over his opponents? Replete with memories from his college days at Ouachita Baptist and then as a member of the Dallas Cowboys during the "America's Team" era, Cliff answers those questions and more in the updated edition of Captain Crash and the Dallas Cowboys. Read about his teammates, his coach, his enemies, training secrets, Super Bowls—of which Cliff played in five, winning two—Pro Bowls, motorcycles, and motorboats. In this book, first published in 2006 and now including a new introduction, Cliff takes us on the wild ride that was his life as a Cowboy free safety and how he got there in the first place. The book also includes great insider stories written by famous fellow players Walt Garrison, Roger Staubach, Lee Roy Jordan, and Charlie Waters. Perfect for the shelf of any Dallas Cowboys fan! Who Says I Can't Rob Mendez,2021-09-07 On paper, Coach Rob Mendez sounds like any other football coach on any other field across America: passionate, authoritative, knowledgeable. But he's unlike any other coach you know--in fact, he's probably unlike any other person you know. Born with an extraordinarily rare condition called tetra-Amelia syndrome, Rob has no arms or legs. He moves with the assistance of a custom-made, motorized wheelchair that he operates with his back and shoulders. Many people look at Rob and see limitation, yet Rob sees opportunity: Opportunity to pursue his passion for football. Opportunity to change the way people perceive physical disability. Opportunity to serve as a role model for the hundreds of kids he's coached over the years. Told with both humor and frankness, Who Says I Can't? takes readers on Rob's incredible journey, from his birth to loving parents who wanted to afford him every chance for happiness, to the emotional and physical hurdles he faced while seeking independence, to receiving the Jimmy V Award for Perseverance at the ESPY Awards in 2019. Each day, Coach Rob rolls onto the field and shows his players that dreams are achievable when you show up, do the work, and believe in yourself. And after reading this book you, too, will believe that anything is possible.

Slow Getting Up Nate Jackson,2014-09-02 One man's odyssey into the brutal hive of the National Football League As an unsigned free agent who rose through the practice squad to the starting lineup of the Denver Broncos, Nate Jackson took the path of thousands of unknowns before him to carve out a professional football career twice as long as the average player. Through his story recounted here—from scouting combines to preseason cuts to byzantine film studies to glorious touchdown catches—even knowledgeable football fans will glean a new, starkly humanized understanding of the NFL's workweek. Fast-paced, lyrical, dirty, and hilariously unvarnished, Slow Getting Up is an unforgettable look at the real lives of America's best athletes putting their bodies and minds through hell.

Son of Bum Wade Phillips,Vic Carucci,2017-05-02 The Denver Broncos coach and Super Bowl champion recalls his life and lessons learned from his father, NFL coach Bum Phillips, in this football memoir. Decorated National Football League coach Wade Phillips demonstrates in loving detail how much of his success, on and off the field, he owes to his father. A beloved character in NFL history, Bum taught Wade how to have perspective on the game during tough times—and that "coaching isn't bitching." Wade has since passed these and other lessons down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players. And though his defensive concepts are revolutionary, he would say they begin with common sense. Son of Bum is more than one man's memoir—it's a story of family and football and a father who inspired his son. "Having played for and against Wade Phillips, the first word

that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family.”—Peyton Manning

Life Is Magic Jon Dorenbos,2020-11-03 “Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose happiness in the face of overwhelming odds.” —Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You may know him as an NFL All-Pro or as a world-class magician who made the finals of America’s Got Talent, but Jon Dorenbos says that what he does is not who he is. He is someone who coached himself, at the most tender of ages, to turn tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle, he woke up for baseball camp. His dad waved goodbye. Later that day, Jon heard the news: his father had murdered his mother in the family’s three-car garage. In an instant, his life had shattered. He’d essentially been orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality, after your dad—your hero—killed your mom, wouldn’t you cling to it too? Then came football, which provided a release for all of his pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe. In 2017, he was diagnosed with a life-threatening heart condition leaving him with a choice. To either break down or—as he’d by now long taught himself—bounce back. “Life Is Magic shows how we can all choose happiness in the face of overwhelming odds” (Ellen DeGeneres) and provides a roadmap for overcoming even the darkest of times. Jon’s story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping card tricks.

Elway Jason Cole,2020-09-15 The unauthorized biography of John Elway, Hall of Fame Quarterback, two-time Super Bowl Champion, now President of Football Operations and General Manager of the Denver Broncos. John Elway's historic moments are known by two-word phrases. He was at the center of the wildest play in college football history, simply known as The Play. Before he signed a pro contract, there was The Trade. His NFL career included The Drive and The Fumble, and, of course, The Helicopter, one of the most iconic highlights in Super Bowl lore. There are so many memorable comeback victories and heroic plays that people have to make lists rather than consider Elway in the context of any singular event. Yet Elway's story is filled with one challenge after another. At Stanford, he never played in a Bowl game. He was ripped for being petulant after refusing to sign with the Baltimore Colts when he was drafted No. 1 overall, and later for his failure to get along with coach Dan Reeves. Over the first 10 years of his career, Elway led Denver to three Super Bowls, but lost in progressively worse fashion each time. Finally, after fifteen years of perseverance, Elway led the Broncos to back-to-back championships, including the biggest upset in Super Bowl history. Elway won the MVP award in his final Super Bowl and then walked away from the game. Within four years, Elway's father and twin sister both died, and he went through a difficult divorce. Reeling in his post-retirement, he returned to football . . . at the bottom, running the Colorado Crush of the Arena Football League. He waited more than a decade to return to his beloved Broncos. While many people doubted him initially, Elway navigated the Broncos through massive changes and to victory in Super Bowl 50, making Elway the rare Hall of Famer to win a title both on and off the field. Elway has put his passion for competition on display in a way that only a handful of other NFL greats have ever done, and Elway is the most complete look at one of the most accomplished legends in the history of American sports.
