Ripped: T-Shirts from the Underground Cesar Padilla,2012-09-11 A visual history of counterculture music T-shirts, spanning the defining era of indie music. Ripped is the first book to document the shirts of the post-punk and indie period, after the submission of 1960s rock 'n' roll to mass popularity and before the onset of ironic consumerism. Carefully selected from the archives of vintage fashion collector Cesar Padilla, the 200 T-shirts in this book are classic examples of rare and extremely limited shirts created by and for the very bands who embodied the true essence of the DIY and indie movements—from The Ramones to Sonic Youth, John Cale, Talking Heads, Madonna, X, Pil, The Germs, and many others. Each shirt has been photographed in all its gritty, sweat-stained glory just as it was found—on the street, in a thrift store, or inherited from a friend. Introduced by Lydia Lunch, the book includes recollections and ruminations from musicians, fashion designers, and pop culture personalities on the enigmatic and enduring appeal of the rock band T-shirt.

An exciting new movement is afoot that brings together environmentalists, anticonsumerists, do-it-yourselfers, bargain-hunters, and treasure-seekers of all stripes. You can see it in the enormous popularity of many websites: millions of Americans are breaking free from the want-get-discard cycle by which we are currently producing approximately 245 million tons of waste every day (that's 4.5 pounds per person, per day!). In *The Scavengers' Manifesto*,

Anneli Rufus and Kristan Lawson invite readers to discover one of the most gratifying (and inexpensive) ways there is to go green. Whether it's refurbishing a discarded wooden door into a dining-room table; finding a bicycle on freecycle.org; or giving a neighbor who just had a baby that cute never-used teddy bear your child didn't bond with, in this book Rufus and Lawson chart the history of scavenging and the world-changing environmental and spiritual implications of Scavenomics, and offer readers a framework for adopting scavenging as a philosophy and a way of life.
