Design Studio One: A Collection of Short Stories Zachary Elliott, 2018-01-13 The architectural design studio is one of the most unique places in the world. For over a century, students who desire to become architects have attended these prestigious studios to learn and experience the fundamentals of architecture and design. They challenge the student's ability to manage multi-variable conditions under intense time restraints and teach them lessons about the roles that hard work and perseverance play in creating a

successful design. But more than anything, these studios have provided students with friendships that last a lifetime. The School of Architecture at Oklahoma State University, one of the top architecture schools in the nation, is no exception. In this book series, follow me and my classmates as we embark on our new journey through OSU's five year architecture program and its eight design studios. Written in a short story format, this series recounts the true events of design studio through a student's perspective. Design Studio One is the story of how it all began.
