

Diamond Miner

Human Rights Watch (Organization)

Artisanal Diamond Mining Koen Vlassenroot, Steven Van Bockstael, 2008 Effective development of artisanal diamond mining communities must be based on a thorough understanding of the inherent complexities that characterise the sector. This research coordinated by the Egmont Institute and undertaken in support of the KPCS Working Group on Alluvial/Artisanal Producers (currently chaired by Angola), involved many of the leading thinkers in this field. It makes a significant contribution to our knowledge on the sector, laying the foundations for a concerted work programme. This study does not underestimate the challenges this sector poses. However, it emphasises the critical importance of this task because the integrity of the KPCS and all it stands for are dependent upon addressing the developmental dimensions of the diamond trade not just policing it.

A Farmer's Best Friend? Steven van Bockstael, Koen Vlassenroot, 2012 The economics of artisanal diamond mining from the Belgian government funded Egmont Artisanal Diamond Mining Project

The Diamond Mines of South Africa Gardner Fred Williams, 1902

The Diamond Trade Lillian E. Forman, 2010 This title gives readers a deeper look at the diamond trade and its surrounding conflicts. Readers will learn the history of the diamond trade, including its social, political, and economic effects. Color photos and informative sidebars accompany easy-to-follow text. Features include a table of contents, timeline, facts, additional resources, web sites, a glossary, a bibliography, and an index. Essential Viewpoints is a series in Essential Library, an imprint of ABDO Publishing Company.

Capital and Labour on the Kimberley Diamond Fields, 1871-1890 Robert Vicat Turrell, 1987-09-17 Based on new documentary sources, this history of diamond mining in Kimberley is a major study of South Africa's mineral revolution and the formation of De Beers Consolidated Mines, one of the most successful African mining companies.

The Ninth Life of a Diamond Miner Grace Tame, 2022-09-27 Grace Tame has never walked on middle ground. From a young age, her life was defined by uncertainty - by trauma and strength, sadness and hope, terrible lows and wondrous highs. As a teenager she found the courage to speak up after experiencing awful and ongoing child sexual abuse. This fight to find her voice would not be her last. In 2021 Grace stepped squarely into the public eye as the Australian of the Year, and was the catalyst for a tidal wave of conversation and action. Australians from all walks of life were inspired and moved by her fire and passion. She was using her voice and encouraging others to use theirs too. The Ninth Life of a Diamond Miner is Grace's story, in Grace's words, on Grace's terms. Here she returns, again and again, to the things that have driven and saved her: love, connection and radical, unwavering honesty. Like Grace, this book is sharply intelligent, deeply felt, wildly unexpected and often blisteringly funny. And, as with all her work, it offers a constructive and optimistic vision for a better future for all of us. SHORTLISTED FOR THE INDIE BOOK AWARDS 2023 FOR NON-FICTION SHORTLISTED FOR THE ABIA AUDIOBOOK OF THE YEAR 2023 SHORTLISTED FOR THE ABIA BIOGRAPHY OF THE YEAR 2023 SHORTLISTED FOR THE ABIA THE MATT RICHELL AWARD FOR NEW WRITER OF THE YEAR 2023 LONGLISTED FOR THE BOOKPEOPLE ADULT NON-FICTION BOOK OF THE YEAR 2023 PRAISE FOR THE NINTH LIFE OF A DIAMOND MINER 'Expect The Ninth Life of a Diamond Miner to feature prominently in the next round of book award prize lists. A significant doer has emerged in this memoir as a significant writer too.' Sydney Morning Herald/The Age 'The Ninth Life of a Diamond Miner, an honest, raw and at times harrowing piece of writing, far from being a one-note memoir, also sparkles with wit and artless joy.' The Australian 'Grace Tame's The Ninth Life of a Diamond Miner shifts expectations . . . The book is loosely chronological, but mostly follows the rhythms and shapes of Tame's thoughts. It is held together by a strong, irreverent, irrepressible voice.' The Conversation 'As I finished reading the book, I found myself wishing that everyone would just get out of Tame's way so that she and her foundation can do the crucial work they're undertaking.' The Monthly

Refracted Economies Rebecca Jane Hall, 2022 Refracted Economies examines the gendered impact of the diamond industry in the Canadian Northwest Territories.

Barren Lands Kevin Krajick, 2016-02-23 First published in 2001, Barren Lands is the classic true story of the men who sought--and found--a great diamond mine on the last frontier of the far north. From a bloody 18th-century trek across the Canadian tundra to the daunting natural forces facing protagonists Chuck Fipke and Stewart Blusson as they struggle against the mighty DeBeers cartel, this is the definitive account of one of the world's great mineral discoveries. Combining geology, science history, raw nature, and high intrigue, it is also a tale of supreme adventure, taking the reader into a magical--and now fast-vanishing--wild landscape. Now in a newly revised and updated edition.

The Heart of the Matter Ian Smillie, Lansana Gberie, Ralph Hazleton, 2000 How diamonds have been the cause of widespread death, misery, & destruction for almost a decade in the West African country of Sierra Leone. Through the 1990s, Sierra Leone's rebel war became a tragedy of major humanitarian, political & historic proportions, but the story goes back 60 years, to the discovery of the diamonds. The diamond mining sector has become influenced by organized crime & by the smuggling not just of diamonds, but of guns & drugs, & by vast sums of money in search of a laundry. No peace agree. would be sustainable until the problems of mining & selling diamonds had been addressed, both inside Sierra Leone & internationally. Tables.

Barren Lands Kevin Krajick, 2002-10 In the late 1970s, two men set out on what would prove to be a twenty-year quest to find a North American gem mine, along a fabled path that had defied sixteenth-century explorers, Wild West fortune seekers, and modern geologists. They are an unlikely pair: Chuck Fipke, a ragged fanatical prospector with a singular talent for finding sand-size mineral grains, and Stew Blusson, an ultra-tough geologist and helicopter pilot. Inventive, eccentric, and ruthless, they follow a trail of clues left by predecessors--and a few actual gems--all the way from backwoods Arkansas up the glaciated high Rockies into the vast and haunted barren lands of northern Canada. With a South African geochemist's secret weapon, Fipke and Blusson outwit rivals, including the immense De Beers cartel, and make one of the world's greatest diamond discoveries--setting off a stampede unseen since the Klondike gold rush. Barren Lands offers an unforgettable journey for those who, in the words of a nineteenth-century trapper, want to see that country before it is all gone.

Diamond Fields Randall Reneau, 2013-05-22 Geologist Trace Brandon has traded mining in Washington State for the sunshine and warm waters of the Cayman Islands. For the past year, his only encounters with crooks have been social, and no one has tried to kill him. But a phone call from Cyrus the Virus McSweeny lures Trace into a dangerous new mining project. This time the quarry is West African alluvial diamonds: rare and extremely valuable...green diamonds. In the steamy backwater city of Monrovia, Trace and his partner, Will Coffee, team up with expat mining engineer Gordon Watson and an Idaho potato-farmer-turned-diamond-miner known as the Mormon. Together, they will make an extraordinary find--what miners call a First Water Stone. When rebels attempt a coup, Trace and his partners are caught up in violence and treachery that threaten to engulf them all...

Stones of Contention Todd Cleveland, 2014-05-26 Africa supplies the majority of the world's diamonds, yet consumers generally know little about the origins and history of these precious stones beyond sensationalized media accounts of so-called blood diamonds. Stones of Contention explores the major developments in the remarkable history of Africa's diamonds, from the earliest stirrings of international interest in the continent's mineral wealth in the first millennium A.D. to the present day. In the European colonial period, the discovery of diamonds in South Africa ushered in an era of unprecedented greed during which monopolistic enterprises exploited both the mineral resources and the indigenous workforce. In the aftermath of World War II, the governments of newly independent African states, both democratic and despotic, joined industry giant De Beers and other corporations to oversee and profit from mining activity on the continent. The book also considers the experiences of a wide array of Africans--from informal artisanal miners, company mineworkers, and indigenous authorities to armed rebels, mining executives, and premiers of mineral-rich states--and their relationships to the stones that have the power to bring both wealth and misery. With photos and maps, Stones of Contention illustrates the scope and complexity

of the African diamond trade as well as its impact on individuals and societies.

Diamonds in the Rough Human Rights Watch (Organization),2009 This 62-page report documents how, following the discovery of diamonds in Marange in June 2006, the police and army have used brutal force to control access to the diamond fields and to take over unlicensed diamond mining and trading. Some income from the fields has been funneled to high-level party members of ZANU-PF, which is now part of a power-sharing government that urgently needs revenue as the country faces a dire economic crisis. In February 2009, Human Rights Watch researchers conducted more than 100 one-on-one interviews with witnesses, local miners, police officers, soldiers, local community leaders, victims and relatives, medical staff, human rights lawyers, and activists in Harare, Mutare, and Marange district in eastern Zimbabwe.--Publisher description.

The Diamond Mines of South Africa Gardner Fred Williams,1905

West African Diamonds, 1919-1983 P. A. L. Greenhalgh,1985 Study of the history of the diamond mining industry and trade in West Africa - reviews the world diamond industry; examines the role of European foreign enterprise incl. Land concessions, labour supply, wages, labour relations, profitability and productivity; comments on African indigenization of digging concessions and operations, growth of the African diamond industry and the production factors; discusses the impact of government policies, (taxation, public ownership), and diamond marketing in Western Europe and within the region. Bibliography, graph, maps, statistical tables.

The Diamond Wallis Richard Cattelle,1911

Diamonds, Pearls and Precious Stones Marcell Nelson Smith,1913

The Diamond Magnates Brian Roberts,1973 Dating from the discovery of diamonds in a remote part of the Cape in the mid-19th century, this is a history of the men, who, with varying motives, struggled to gain control of the industry - Cecil Rhodes, and others.

The Global Diamond Industry Roman Grynberg,Letsema Mbayi,2015-09-27 The Global Diamond Industry: Economics and Development brings together a collection of papers covering various aspects of the diamond industry including economics, law, history, sociology and development across two volumes.

Diamonds and Gold in South Africa Theodore Reunert,1893

	Diamond Miner Introduction	
	In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks,	

dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Diamond Miner free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Diamond Miner free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Diamond Miner. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Diamond Miner any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Diamond Miner Books

1. Where can I buy Diamond Miner books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
