Brilliance and Fire Rachelle Bergstein,2016-06-07 From the author of *Women from the Ankle* Down comes a lively cultural biography of diamonds, which explores our society's obsession with the world's most brilliant gemstone and the real-world characters who make them shine. "A diamond is forever." Who among us doesn't recognize this phrase and, with it, the fascination that these shiny gemstones hold in our collective imagination as symbols of royalty, stars, and eternal love? But who gave us this catchphrase? Where do these gemstones and their colorful legacies originate? How did they become our culture's symbol of engagement and marriage? Why have they retained their coveted status throughout the centuries? Rachelle Bergstein's cultural biography of the diamond illuminates the enticing, often surprising story of our society's enduring obsession with the hardest gemstone—and the people who have worked tirelessly to ensure its continued allure. From the South African mines where most diamonds have been sourced since the late 1890s to the companies who have fought to monopolize them; from the stars who have dazzled in them to the people behind the scenes who have carefully crafted our understanding of their value—*Brilliance and Fire* offers a glittering history of the world's most coveted gemstone and its greatest champions and most colorful enthusiasts. *Brilliance and Fire* is illustrated with 16 pages of color photographs.

Diamond Doris Doris Payne,Zelda Lockhart,2019-09-17 Soon to be a Major Motion Picture In the ebullient spirit of *Ocean's 8*, *The Heist*, and *Thelma & Louise*, a sensational and entertaining memoir of the world's most notorious jewel thief—a woman who defied society's prejudices and norms to carve her own path, stealing from elite jewelers to live her dreams. Growing up during the Depression in the segregated coal town of Slab Fork, West Virginia, Doris Payne was told her dreams were unattainable for poor black girls like her. Surrounded by people who sought to limit her potential, Doris vowed to turn the tables after the owner of a jewelry store threw her out when a white customer arrived. Neither racism nor poverty would hold her back; she would get what she wanted and help her mother escape an abusive relationship. Using her southern charm, quick wit, and fascination with magic as her tools, Payne began shoplifting small pieces of jewelry from local stores. Over the course of six decades, her talents grew with each heist. Becoming an expert world-class jewel thief, she daringly pulled off numerous diamond robberies and her boyfriend fenced the stolen gems to Hollywood celebrities. Doris's criminal exploits went unsolved well into the 1970s—partly because the stores did not want to admit that they were duped by a black woman. Eventually realizing Doris was using him, her boyfriend turned her in. She was arrested after stealing a diamond ring in Monte Carlo that was valued at more than half a million dollars. But even prison couldn't contain this larger-than-life personality who cleverly used nuns as well as various ruses to help her break out. With her arrest in 2013 in San Diego, Doris's fame skyrocketed when media coverage of her astonishing escapades exploded. Today, at eighty-seven, Doris, as bold and vibrant as ever, lives in Atlanta, and is celebrated for her glamorous legacy. She sums up her adventurous career best: "It beat being a teacher or a maid." A rip-roaringly fun and exciting story as captivating and audacious as *Catch Me if You Can* and *Can You Ever Forgive Me?*—*Diamond Doris* is the portrait of a captivating anti-hero who refused to be defined by the prejudices and mores of a hypocritical society.

Diamond & Legend 3 Toy, 2021-11-28 Shots fired!!! Legend and the crew have been targeted. For the first time in their lives, Legend and Justin have been caught slipping. The shooters have unleashed a beast. Not only have they let out a side of legend that Diamond was unintentionally pushing to the background. They have committed the number one sin in the book of Legend by coming for his family. Legend has to find out exactly who is responsible for the shooting. However, life throws him a few curveballs during the process. As always, making sure his family is safe takes priority over anything, especially now. The shooters think they got away with the big score. Unfortunately, they let their need for revenge and power put them in this position. They may have hit first, won a battle but, the only thing that matters is who wins the war. Who were the shooters? Are they ready for legend to show them why his name fits him so well?

Diamond Dust Kay K. Shearin, 2007-08-01

The Diamond's Journey Susanne Steiner, 2017-09-28 The Diamond's Journey begins in California in 2005, when a woman receives a diamond ring as part of an inheritance. She is the fourth person she knows of to have worn the ring. Upon discovering the ring is over 100 years old, she realizes there must have been others who had the opportunity to wear the ring as well. This launches the story of how and where the diamonds were discovered, the trader who obtained them, their journey to France, only to be sold in their raw state to an American collector, who re-sells them to the famed JP Morgan, who gives them as a bonus to a young protégé, who has them cut and polished in the new 'ideal cut' in order to propose to his future bride. The ring is then left in a drawer and forgotten until it is found again and used to negotiate freedom, as a gift for saving a life, bartered for food, presented as a gift, and re-used as an engagement ring. It is gifted in appreciation, and passed down from a mother to a daughter, and then a daughter-in-law.

Koh-I Noor William Dalrymple, Anita Anand, 2017-05-24 The Koh-i-noor is the world's most famous diamond, but it has always had a fog of mystery around it. Now, using previously untranslated Sanskrit, Persian and Urdu sources, and the discoveries of modern gemmologists to reconstruct its original form, William Dalrymple and Anita Anand blow away the legends to reveal its true history--stranger, and more violent, than any fiction.--From dust jacket.
