The Chandler Brothers Carly Phillips, 2021-12-30 All three Chandler Brothers in one hot box set! THE BACHELOR He's got wanderlust and no intention of settling down. She's home to stay and has put her bad boy ex in her rearview mirror. After spending his life abroad, embracing his freedom at every turn as a foreign correspondent, Roman Chandler finds himself the brother nominated to deal with his ailing mother's matchmaking shenanigans. Thanks to a coin toss, he needs to find someone

to marry and fast. It shouldn't be that hard in sleepy Yorkshire Falls where women fall over themselves to hook a Chandler man. But Roman only wants the one woman who got away. Charlotte Bronson is back home to put down roots and get her lingerie business off the ground. She's not interested in her past or a man that chose to chase breaking news stories to the far corners of the earth over her. No matter how good they used to be or how combustible their chemistry still burns. It's up to Roman to convince Charlotte he's a changed man and here to stay. **THE PLAYBOY** He's the town's most popular playboy. She's sworn off men and weddings for good. Police officer, Rick Chandler, has managed to fend off the marriage-minded women in his small town but it's getting more difficult with each passing day. After all, there's something about the Chandler charm that keeps them coming back with hope in their hearts. What's a man determined to stay single to do? Kendall Sutton is a cliché, a runaway bride stuck on the side of the road, until she's rescued by the sexiest cop she's ever seen. In spite of her pearly gown and tiara, Kendall vows to never get married—which makes her the ideal fake girlfriend to ward off Rick's legion of admirers. But when their charade starts to feel real, suddenly the town's most popular playboy has marriage on his mind – but will a woman with Kendall's jaded past ever say "I do"? **THE HEARTBREAKER** He's a loner who indulges in a one night stand out of town. She's a senator's daughter who never expects to see her indulgence again. Small town journalist Chase Chandler has waited a long time for the chance at a national story, putting his dreams on hold to help with his younger trouble-making siblings and taking over the family newspaper. His trip to Washington D.C. is business only until he gets a look at the seductive red-head. Sloane Carlisle isn't just any woman. She's a senator's daughter whose world has been rocked by news that devastates her and she finds solace in Chase's arms. She was never supposed to see him again except when she heads to the small town of Yorkshire Falls to uncover the

truth about her family, she runs headlong into the man she can't forget and suddenly he's by her side. All. The. Time. Because unbeknownst to Sloane, in exchange for an exclusive, all Chase needs to do is keep her safe. He's watched his siblings fall in love and marry and suddenly the man who thought he was finished raising a family wants one with the woman who made him believe in love at first sight. What will it take to get Sloane to say the two words that could turn the town's most eligible bachelor into the world's sexiest spouse?
