**The Worldbuilder's Journal of Legendary Adventures (Dungeons & Dragons)** Official Dungeons & Dragons Licensed,2020-05-12 An official Dungeons & Dragons journal featuring 365 writing prompts to help role-players of all levels get their creative juices flowing. Building something from scratch is exciting, but it can also be a challenge. Within this journal lie 365 prompts to help you start your journey. Every page will steer you to strengthening the details of your world, whether you're playing within the vast Dungeons & Dragons cosmos or creating a landscape of your own design. You'll encounter insightful questions that encourage you to delve deep into the backstories of your characters and their enemies, and what drives them to a life of adventure. You'll also see prompts that reference D&D myths and legends, some familiar and others more obscure. Answer them as best you can or let them be the spark that starts your journey into the endless realms of D&D lore. Above all, this guided journal, like D&D itself, is driven by your imagination. There are no wrong answers, paths, or rolls here (though once the game begins there are no guarantees). Nor do you need to be a master storyteller, writer, or artist. You just need to aspire to create and have the courage to build something you may have never before imagined.

At the publisher's request, this title is sold without DRM (Digital Rights Management). A New SF Legend Re-makes Worlds! **The Last Hawk** Catherine Asaro,2022-09-27 “Powerful characterization and intriguing scientific concepts . . . an elegant subtlety and a far-reaching sense of destiny that carries [Asaro] to the highest rank of master storyteller.” —Romantic Times Reeling from a battle, pilot Kelric Valdoria crash-lands his Jag starfighter on Coba, the closest safe planet he can find after a Trader squad cripples his ship. Although the military of Kelric’s people have given Coba Restricted status, Kelric sees no reason for such draconian measures to isolate the seemingly benign world. While recovering, the dashing Kelric becomes the target of affection for high-powered women in Coba’s matriarchal society, including Deha Dahl, an Estate Manager, and young Ixpar Karn, the chosen successor of the Minister. Distracted by their flirtations, Kelric doesn’t at first realize the Restricted status of the planet was their own choice—and that they can’t risk letting him go. However, Kelric’s internal biomech system is failing, causing his brain to malfunction. His only hope is to escape. But when his attempt fails, ending in the death of a guard, he must face a trial that could mean his execution, unless he can win the trust of the people who both covet and fear him . . . “Well-written, entertaining, classic science fiction fun.” —The Plain Dealer “Impossible to put down.” —L. E. Modesitt, Jr., New York Times–bestselling author “A smoothly absorbing space opera that mixes high-tech gimmickry with galactic politics and plenty of romance.” —Publishers Weekly

**Vodou Love Magic** Kenaz Filan,2009-01-26 A working guide on how to find love and sexual fulfillment by working with the lwa, the spirits of Haitian Vodou • The first book on wanga (love magic) by an actual Vodou initiate • Provides spells and spirit work for many different problems associated with affairs of the heart • Spells included are detailed and easy to follow Haitian Vodou, like other folk traditions, is an eminently practical craft. Vodou practitioners see their relationship with the lwa--the spirits honored in Haitian Vodou--as mutually beneficial rather than one-sided. In return for sincere offerings, the lwa are happy to provide protection and support in dealing with life’s problems--which more often than not concern love. In Vodou Love

Magic, Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships--and who will likely offer the best wisdom for your needs. If you are having trouble meeting people, Legba's Opening the Door spell can resolve this difficulty. If you wish more fire in a relationship, then you should work with the warrior spirit Papa Ogou. Filan presents easy-to-follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships, toxic behavior patterns like codependency, or romantic triangles. Vodou Love Magic does not provide a magic genie who will fulfill every wish, but it does offer access to a team of spirits who can help transform dreams into realities.
