The Skinny on Discipleship Katie Edwards,Ken Castor,2015-05-28 Life-shaping discipleship isn't a random event. It's an intentional adventure, and teenagers need someone who's walking with them on the journey and helping them grow as a disciple of Jesus Christ. Jesus modeled this for us through relationship with his closest disciples. He spent time with them, shared life with them, taught them to obey, shared experiences with them, gave them direction, and promised to be with them. This is what we are called to as youth workers—the model for us to follow. The Skinny on Discipleship will become a practical guide in your role as a disciple-maker. You'll discover innovative insights and powerful encouragement for knowing Jesus, loving him, and placing him at the center of your life—and then helping teenagers along on that same journey. When it comes to discipleship, there are no shortcuts, there's no handbook for teenagers, and there's no timeline on what it will take to help each teenager draw closer to Jesus. But you can follow the model of Jesus, rely on the truth that he's with you, and remember that ultimately he loves teenagers even more than you do.

Best iPad Apps Peter Meyers,2010-12-08 What really wows iPad fans is when their touchscreen does what's impossible on other gadgets: the finger-painting app that turns a cross-country flight into a moving art class, the mini music studio (two-dozen instruments strong, each with motion-induced warble effects), and the portable fireworks display that you sculpt by swiping. Problem is, with tens of thousands of apps available for your iPad, who knows what to download? You can try to sort through a gazillion customer reviews with a mix of 5- and 1-star ratings, but that's a head-hurting time-waster. The stakes are getting higher, too: instead of freebies and 99-cent trinkets, the price of iPad apps is steadily creeping up and beyond their iPhone predecessors. Best iPad Apps guides you to the hidden treasures in the App Store's crowded aisles. Author Peter Meyers stress-tested thousands of options to put together this irresistible, page-turner of a catalog. Inside these pages, you'll find apps as magical as the iPad itself. Flip through the book for app suggestions, or head directly to one of several categories we've loaded up with best of selections to help you: Get work done Manipulate photos Make movies Create comics Browse the Web better Take notes Outline ideas Track your health Explore the world No matter how you use your iPad, Best iPad Apps will help you find the real gems among the rubble -- so you make the most of your glossy gadget.

Basic Dictionary Of Synonyms And Antonyms Laurence Urdang,1982 A dictionary as well as a thesaurus, and a much simplified one at that! It gives you all the basic words used in the English language, their chief meanings, all important synonyms and antonyms where needed. To make the meaning of each entry clear, it uses the words in a sentence and where the secondary meanings are considerably different from the first, uses it in two or more sentences. Much larger dictionaries and synonym books are available, but they often confuse the reader by providing long lists of complicated, often rare words, and other technicalities. This book is much more useful, and used with good judgment, should yield excellent results
