Years of the Elephant Willy Linthout, Theo Linthout, 2009 'Madame...Sir...May we come in?' This was the prelude to some dreadful news in the Germonprez household. No parent should ever have to bury a child, especially not after a suicide. The chalk outline on the pavement is a constant reminder - even when it is no longer there. Linthout draws an almost tangible pain with his immediate, rudimentary art and strong script - combined with his own personal experience.

Many Kingdoms Elizabeth Garver Jordan, 1908 At the beginning of her breakdown the intervals between intelligent consciousness and insanity had been long. She was herself, or was able to keep herself fairly in hand, the greater part of the time, and chaos, when it came, lasted only for a few days or weeks. Recently this condition had been reversed. She had lost knowledge of time, but she felt that centuries must have passed since those last flying, blessed hours when she knew herself at least for what she was. She grasped now at her returning reason, with a desperate, shuddering little moan, which she quickly stifled.

You Can Crush the Flowers Bahia Shehab, 2021-03-15 Part visual history, part memoir, *You Can Crush the Flowers* is a chronicle of the 2011 Egyptian Revolution and its aftermath, as it manifested itself not only in the art on the streets of Cairo but also through the wider visual culture that emerged during the revolution. Marking the ten-year anniversary of the revolution, celebrated Egyptian-Lebanese artist Bahia Shehab tells the stories that inspired both her own artwork and the work of her fellow revolutionaries. Shehab narrates the events of the revolution as they unfolded, describing on one hand the tactics deployed by the regime to drive protesters from the street--from the use of tear gas and snipers to using brute force, intimidation techniques, and virginity tests--and on the other hand the retaliation by the protesters online and on the street in marches, chants, street art, and memes. Throughout this powerful and moving account, which includes over two hundred and fifty images, Shehab responds to all these aspects of the revolution as both artist and activist. The result bears witness to the brutality of the regime and pays tribute to the protestors who bravely defied it.

Modern Adventures Bill Stephen Evans, 2013-11-11 I've always loved Bill Evans' poems and the work in *Modern Adventures* is both timeless and hilarious. The loving regard for all of our weakness and the muscular rhythms of these poems knock me out every time. Ever hip, ever hopeful, Bill Evans is the poet we've been waiting for. -David St. John Here's a nice thing. Bill Evans walked into the dark night of the soul for you, caught a wave there and emerged with a poetic voice that is a present for anyone who would like to know what it is like to be alive. Or maybe he was locked in a Mexican standoff with desire and neither one budged, so they just started singing. Part teen idol, part pirate, part philosopher, as if Rumi were a carnival barker whose promises turned out to be true. Adjectives? Seductive, moving, funny, transgressive, wonder-full and achingly human come to mind. Bill's poetry is not just craft; it is a human voice that knows things, and I want to hear them. -Peter Catapano, editor of the New York Times series *The Stone and Anxiety*. These are the poems of an urban man and a little sad a touch bitter but it's raining out tonight and from where I am I notice Bill often likes to break into a little dance. I want to say that these are moral poems because in the hands of Bill Evans morality means feeling and whether he's listing the parts of a little pilgrim (we're so/ proud of you) or snapping a joke what chiefly is holding his poetic together is heart which makes his work dangerous and rare in this disparate and deeply informed moment in time. We need his poems because he feels and so I kept reading and wanting more. These are the heartbeats of an ancient man looking at history from left to right and now staring us right in the eye. We are not alone. -Eileen Myles, author of *Inferno* (a poet's novel).
