📖 **Blossom** Margaret Kinton, 2023-03-14 Frederick Bennett, from an Irish Catholic family in Bendigo, travelled to Melbourne to seek his fortune. There he met Vida Bunting, eighth child of Samuel and Elleanora, at the beginning of the First World War. Their friendship blossomed but life didn't treat them kindly. Religious differences soon became apparent making for difficult situations. There was separation, a birth, death, kidnapping and turmoil impacting on little Nina's life. But Nina's beginnings gave her strength to face life with a cheerful outlook.

📖 **A Million Years in a Day** Greg Jenner, 2016-06-21 Who invented beds? When did we start cleaning our teeth? How old are wine and beer? Which came first: the toilet seat or toilet paper? What was the first clock? Every day, from the moment our alarm clock wakes us in the morning until our head hits our pillow at night, we all take part in rituals that are millennia old. Structured around one ordinary day, *A Million Years in a Day* reveals the astonishing origins and development of the daily practices we take for granted. In this gloriously entertaining romp through human history, Greg Jenner explores the gradual—and often unexpected—evolution of our daily routines. This is not a story of wars, politics, or great events. Instead, Jenner has scoured Roman rubbish bins, Egyptian tombs, and Victorian sewers to bring us the most intriguing, surprising, and sometimes downright silly historical nuggets from our past. Drawn from across the world, spanning a million years of humanity, this book is a smorgasbord of historical delights. It is a history of all those things you always wondered about—and many you have never considered. It is the story of your life, one million years in the making.

📖 **She Recovers Every Day** Dawn Nickel, 2023-02-21 A daily meditation book for women who are in recovery from addiction, cancer, workaholism, anxiety, abusive relationships, and more, written by the co-founder of the She RecoversA Foundation--

📖 **The Joke's on You, This Time** Charles Rice, 2017-04-26 Like my first literary attempt, *The Jokes on Me*, this book is primarily a collection of editorials and letters to the editor of the local newspaper, along with running commentary and some attempted justification for the foolishness. The first book would not exist if it hadn't been for the insistence of several people that all this should be in a book. Most of the letters to the editor in this first section were written under the guise of the Greater Sycamore Valley Chamber of Commerce, an entity that existed only in the minds of its readers. Some of the letters were just personal reflections on the situation of the day. Some of the letters may seem terribly redundant, but I never was one to pass up an opportunity to tell the same joke twice. The second and most important part of this book contains Sunday guest editorials, which I have written for publication in the local newspaper. These editorials deal with issues of a religious nature and were written in the hope that they would stimulate readers to contemplate their own relationship with the One who spoke and all things came into existence.

📖 **The Revolution of Every Day** Cari Luna, 2013-09-24 In the midnineties, New York's Lower East Side contained a city within its shadows: a community of squatters who staked their claims on abandoned tenements and lived and worked within their own parameters, accountable to no one but each other. With gritty prose and vivid descriptions, Cari Luna's debut novel, *The Revolution of Every Day*, imagines the lives of five squatters from that time. But almost more threatening than the city lawyers and the private developers trying to evict them are the rifts within their community. Amelia, taken in by Gerrit as a teen runaway seven years earlier, is now pregnant by his best friend, Steve. Anne, married to Steve, is questioning her commitment to the squatter lifestyle. Cat, a fading legend of the downtown scene and unwitting leader of one of the squats, succumbs to heroin. The misunderstandings and assumptions, the secrets and the dissolution of the hope that originally bound these five threaten to destroy their homes as surely as the city's battering rams. *The Revolution of Every Day* shows readers a life that few people, including the New Yorkers who passed the squats every day, know about or understand.
