**Lanny** Max Porter,2019-05-14 Longlisted for the 2019 Booker Prize An entrancing new novel by the author of the prizewinning *Grief Is the Thing with Feathers* There's a village an hour from London. It's no different from many others today: one pub, one church, redbrick cottages, some public housing, and a few larger houses dotted about. Voices rise up, as they might anywhere, speaking of loving and needing and working and dying and walking the dogs. This village belongs to the people who live in it, to the land and to the land's past. It also belongs to Dead Papa Toothwort, a mythical figure local schoolchildren used to draw as green and leafy, choked by tendrils growing out of his mouth, who awakens after a glorious nap. He is listening to this twenty-first-century village, to its symphony of talk: drunken confessions, gossip traded on the street corner, fretful conversations in living rooms. He is listening, intently, for a mischievous, ethereal boy whose parents have recently made the village their home. *Lanny*. With *Lanny*, Max Porter extends the potent and magical space he created in *Grief Is the Thing with Feathers*. This brilliant novel will ensorcell readers with its anarchic energy, with its bewitching tapestry of fabulism and domestic drama. *Lanny* is a ringing defense of creativity, spirit, and the generative forces that often seem under assault in the contemporary world, and it solidifies Porter's reputation as one of the most daring and sensitive writers of his generation.

When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
