Carolyn Q. Hunter

The Wicked Waffle Carolyn Q. Hunter,2016-05-15 Sonja Reed returns to her childhood home of Haunted Falls, Colorado, and almost immediately discovers the body of Rhonda Smith, a rather unpleasant woman with secrets.

**Turkey and Terror** Carolyn Q. Hunter,2016-11-21 Sometimes mystery comes galloping in when you least expect it. And sometimes ... it ruins your holiday. When Thanksgiving rolls around, diner owner and amateur sleuth, Sonja Reed, is excited to accompany her significant other, Sheriff Frank Thompson, to visit his family on their ranch in rural Wyoming. Sonja is eagerly anticipating the relaxing vacation, far away from the flurry of holiday activity at the diner, and from the seemingly endless paranormal activity in her home town. Trouble seems to follow the supernaturally sensitive Sonja wherever she goes however, and her hopes of a serene holiday are dashed, when a mysterious ghost on horseback seems dead set on stalking her. When an unexpected murder case is thrown into the mix, Sonja finds herself in the midst of perhaps the oddest holiday vacation she's ever experienced. Will she solve the crime in time for turkey?

**The Wayward Waffle** Carolyn Q. Hunter,2016-08-18 Everybody loves a party ... Until it turns deadly. The spooky town of Haunted Falls is a hive of activity. Everyone is eagerly preparing for the annual Founder's Day Picnic, and diner owner/amateur sleuth, Sonja Reed, is gearing up for the festivities with a whole new selection of delicious foods. Unfortunately, the celebrations are cut short when a local veteran is found murdered. Once again, it seems that a ghostly presence is prompting Sonja to assist the local sheriff in solving the case. The plot thickens with the development of an awkward love triangle, and the heart-stopping adventures never stop in this small, supernaturally-charged Colorado town. Sonja is pulled in several different directions as the latest case unfolds. Will she figure out who the killer is before it's too late?

**Let's Talk about Death (over Dinner)** Michael Hebb,2018-10-02 For readers of Being Mortal and When Breath Becomes Air, the acclaimed founder of Death over Dinner offers a practical, inspiring guide to life's most difficult yet important conversation. Of the many critical conversations we will all have throughout our lifetime, few are as important as the ones discussing death—and not just the practical considerations, such as DNRs and wills, but what we fear, what we hope, and how we want to be remembered. Yet few of these conversations are actually happening. Inspired by his experience with his own father and countless stories from others who regret not having these conversations, Michael Hebb cofounded Death Over Dinner—an organization that encourages people to pull up a chair, break bread, and really talk about the one thing we all have in common. Death Over Dinner has been one of the most effective end-of-life awareness campaigns to date; in just three years, it has provided the framework and inspiration for more than a hundred thousand dinners focused on having these end-of-life conversations. As Arianna Huffington said, We are such a fast-food culture, I love the idea of making the dinner last for hours. These are the conversations that will help us to evolve. Let's Talk About Death (over Dinner) offers keen practical advice on how to have these same conversations—not just at the dinner table, but anywhere. There's no one right way to talk about death, but Hebb shares time—and dinner—tested prompts to use as conversation starters, ranging from the spiritual to the practical, from analytical to downright funny and surprising. By transforming the most difficult conversations into an opportunity, they become celebratory and meaningful—ways that not only can change the way we die, but the way we live.

*Spooky Sweetheart Waffle* Carolyn Hunter,2017-02-10 It's Valentine's Day and the wealthiest woman in Haunted Falls, Belinda Smith, is hosting a Sweetheart Dance at her sprawling estate. She has enlisted her childhood friend, local diner owner, Sonja, to cater the event. Sonja is thrilled for another chance to showcase her cooking skills, and can't wait to unveil her newest waffle recipe, but her world is turned upside down when a local sanitation worker is found dead in the dumpster behind the diner.What seems at first like a textbook murder case, turns out to be far more complicated and sinister than either Sonja or her beau, Sheriff Frank Thompson, could have ever imagined, and the duo is tossed into the midst of a spooky situation that may put both of them in jeopardy. Just when Sonja is convinced that things couldn't possibly get any trickier, a mystery guest in her own home throws yet another wrench into the works.What should have been a sweet holiday, turns into a maelstrom of eerie events and shudder-worthy situations...will Sonja and Frank solve the mystery before it's too late?

**Death on Eat Street** J. J. Cook,2014-04-01 Zoe Chase always wanted to own her own restaurant—but first, she'll have to serve up a heaping helping of meals on wheels, with a side of mystery... When she's once again passed over for a promotion at work, Zoe decides to take the big leap and go for her dream. She quits, gives up her fancy digs, and buys a fixer-upper diner in a shady part of town. To keep above water during the renovation, she buys a used food truck to serve the downtown and waterfront of Mobile, Alabama. Zoe starts to dish out classic Southern food—but her specialty is her deep-fried biscuit bowls that blow traditional bread bowls away. After a promising start, things start to go downhill faster than a food truck without brakes. First, someone tries to rob the cash register. Next, Zoe is threatened by the owner of a competing food truck for taking their spot. And when the owner ends up dead inside Zoe's rolling restaurant, Zoe and her sole employee, Ollie, find themselves hopping out of the frying pan into the fryer. They need to find the real killer, before both of them get burned.

Sinister Strawberry Waffle Carolyn Q. Hunter,2016-07-05 Sometimes when you go digging ... You find more than you bargained for. Just when it seems that things have finally quieted down for diner owner Sonja Reed, a threatening note is slipped under her door, which spurs a series of spine-tingling events. A simple landscaping project at the diner goes terribly awry. A local businessman is murdered, and amateur sleuth Sonja finds herself in the midst of her most perplexing and dangerous mystery yet. Will she figure out whodunit? Or will her business and life fall to ruin at the hands of some very mysterious forces?

Death at a Diner Elizabeth Spann Craig ,2022-07-15 Diners can prove hazardous to your health. Although Palmer Baxter hasn't lived in the small town of Bradley long, she's already become a force to be reckoned with. She's joined all the clubs in town and has effected a takeover of many of them. Palmer is married to a handsome banker, is perfectly coiffed and outfitted, and volunteers for groups that serve the needy. Needless to say, Palmer is extremely unpopular in her new hometown. Unpopularity doesn't ordinarily equate to murder, but it does in this instance. When octogenarian sleuth Myrtle and her senior sidekick Miles venture out for an early breakfast at the local diner, they make the startling discovery of Palmer's demise. Will Myrtle and Miles find the killer before disaster strikes again?

**Battered and Buttered Waffle** Carolyn Q. Hunter,2016-05-25 They say there's no such thing as bad publicity. They're wrong. Particularly when ghosts are involved. For former New Yorker, Sonja Reed, owning a diner in the small town of Haunted Falls has been a bit of a hair-raising experience, paranormally speaking. When a reality TV film crew comes to town, things get infinitely more interesting ... and more dangerous. Wanting nothing more than to be left alone to create her crisp, buttery waffles, Sonja once again finds herself caught up in a murder investigation that leads to some decidedly otherworldly experiences. Will she be able to solve the crime in time? Or will her failure be on national TV for all the world to see?

***Birthday Cake Waffle*** Carolyn Q. Hunter,2017-01-19 It's Sonja's birthday and her boyfriend Frank has a romantic weekend getaway planned for them at a secluded cabin in the mountains. Sonja is grateful for the chance to finally escape from the daily drama of family, solving murders, and talking to ghosts. Unfortunately, things don't go as planned when Sonja believes that she has witnessed a murder at a neighboring cabin, and the getaway becomes rather confusing when there is no evidence found that indicates a murder ever took place. Will Sonja be able to use her supernatural skills to get to the bottom of things before it's too late, or will her birthday weekend be ultimately ruined by a visions of ghosts, murder and mayhem?

***Gil's All Fright Diner*** A. Lee Martinez,2006-06-27 Bloodier than Fried Green Tomatoes! Funnier than The Texas Chainsaw Massacre! Welcome to Gil's All Night Diner, where zombie attacks are a regular occurrence and you never know what might be lurking in the freezer . . . Duke and Earl are just passing through Rockwood county in their pick-up truck when they stop at the Diner for a quick bite to eat. They aren't planning to stick around-until Loretta, the eatery's owner, offers them \$100 to take care of her zombie problem. Given that Duke is a werewolf and Earl's a vampire, this looks right up their alley. But the shambling dead are just the tip of a particularly spiky iceberg. Seems someone's out to drive Loretta from the Diner, and more than willing to raise a little Hell on Earth if that's what it takes. Before Duke and Earl get to the bottom of the Diner's troubles, they'll run into such otherworldly complications as undead cattle, an amorous ghost, a jailbait sorceress, and the terrifying occult power of pig-latin. And maybe--just maybe--the End of the World, too. Gory, sexy, and flat-out hilarious, Gil's All Fright Diner will tickle your funnybone--before ripping it out of its socket! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

***Creepy Christmas Waffle*** Carolyn Q. Hunter,2016-12-25 It's Christmas time in Haunted Falls and Sonja is getting ready for the annual block party that her mother and her neighbors hold every year. Sonja is looked forward to great food, decorations, a warm fire, Christmas carols, and is even hoping that her significant other, Sheriff Frank Thompson, will finally kiss her under the mistletoe. Tragedy strikes, however, as it often does in Haunted Falls, and Sonja is chilled to the core when she receives a very strange and sinister present on her doorstep--a present that may just spell doom for everyone who is close to her during this holiday season.

***Flesh on the Grill*** Drac Von Stoller,2011-12-08 Charlie was sick and tired of cooking at his Uncle Sam's diner because all Sam had on the menu was the same bland stuff that had been cooked over twenty years. Charlie knew he could do better than his uncle ever could. Charlie decided he had enough money saved up to open his little diner in town. The following morning he was going to tell his Uncle Sam today would be his last day to work at the diner. Charlie broke the news to his Uncle Sam but Sam was hurt that Charlie wanted to leave the family business. Sam said Charlie, why do you want to leave? Haven't we paid you well and given you all the free meals and a nice place to stay. Charlie answered Please don't make this difficult for us both. I'm not happy here anymore. I just feel that it's time for me to move on Besides I'm a man now and I need to take care of myself and start my diner. I hope you understand Uncle. Sam replied Yes, I do understand I just wanted to believe you would just work here the rest of your life like I have, but sometimes leaving the family business is for the best. When you open your new diner, Charlie could I please come by and see what wonderful things you have done. Sure, Uncle Sam, you'll be the first person I call. Now Uncle come over and give me a big hug, Wish me luck. "Okay, Charlie! You take good care of yourself and don't forget to call me when the diner is finished, said Uncle Sam. Don't worry Uncle Sam you'll love my new diner. Now tell everyone it's been a pleasure working here. Now I've got to get to the bank and take out a small loan to cover some of the construction costs for the new diner, said Charlie. Charlie, why don't you let me give you the money you need to cover the remaining construction costs, said Uncle Sam. No, I appreciate your kindness but I need to do this all alone just like you did when you started your diner, said Charlie. Well alright, we'll be talking soon Charlie, said Uncle Sam. Charlie's diner was up and running ready to give his Uncle Sam's diner a run for their money. In reality, Charlie's was a flop compared to his Uncle Sam's diner, but that was to be expected since Uncle's diner had been there for over twenty years now. Charlie was working longer hours than he expected to make a profit. Charlie started getting depressed and drinking more than he should. Then one night when all of his customers were gone, Charlie sat down at one of the tables eating a ham sandwich because that's all he could afford since his diner was losing so much money. Charlie could barely pay his rent on time and there was no extra money to spend on himself. Charlie went back into the kitchen to make a fresh batch of chili for the next day since that was one of his best dishes but that wasn't saying much. As Charlie was stirring his chili, he paused for a moment thinking as hard as he could to think of some way to drum up more business and bring Uncle Sam's diner customers to his place instead. Then entered a man dressed in a black trench coat with a black hat and dark glasses. Charlie said to the stranger Can't you see the place is closed for the night. The stranger responded That's not why I'm here. I am here because I want to make a deal with you. Charlie said , Is this some kind of a joke or something? This is no joke! said the stranger. Okay, what kind of a deal could you possibly want to take with me because I'm not selling the diner? I just need a way to bring in more customers that's all, said Charlie. If you will just be quiet for a moment I'll tell you what I'm offering. Number one I don't want to buy you out. What I have to offer you will bring in more customers than you could dream about, said the stranger.

***Pumpkin Pie Waffle*** Carolyn Q. Hunter,2016-09-30 Halloween is all just fun and games ... Until someone disappears. Diner owner and amateur sleuth, Sonja Reed, is gearing up for Halloween by preparing a delicious array of desserts for trick-or-treaters, as well as making plans for catering the local middle school's annual party. Halloween is her favorite holiday and it seems like nothing can ruin the festive mood, until a young girl under Sonja's supervision suddenly disappears, seemingly into thin air. Her concern grows profoundly when Sonja's love interest, Sheriff Frank Thompson, reveals that an escaped criminal may be on the loose in Haunted Falls, and a strange figure, who is dressed as the grim reaper, seems to be desperately trying to get her attention. Will Sonja be able to find the missing young girl before it's too late, or will this spooky holiday turn deadly?
