DanTDM: Trayaurs and the Enchanted Crystal DanTDM,2016-10-25 #1 Amazon Bestseller and #1 New York Times Bestseller! From the mind of one of the most popular YouTubers of all time, DanTDM, comes a graphic novel adventure that reimagines the Minecraft-style worlds and characters he's created like you've never seen them before. After a day of experiments, Trayaurs and DanTDM are about to call it a night when a strange-looking crystal plummets to earth, breaking into five pieces that scatter far and wide. DanTDM and Trayaurs recover one of the shards and quickly realize they are in possession of an object more powerful than anything they've ever known. Word reaches DanTDM and Trayaurs that other pieces of crystal have been recovered—a group of pigs have harnessed the crystals' power to enable them to talk. But they're not alone—Dan and Trayaurs's archenemy, Denton, has also found a shard and manipulated its power for evil. He has created a cloning machine and is producing a terrifying marauding army intent on hunting down the remaining crystals in his effort to become all-powerful. It's down to DanTDM and Trayaurs to stop him. Will they prevail, or will the forces of evil be too great for them to overcome? Fans of the Elementia Chronicles and the Gameknight999 series will be drawn to DanTDM's tale about an epic power struggle in a high-stakes world.

Ali Cavanaugh Ali Cavanaugh,2019 Modern Fresco Paintings is the first collection of Ali Cavanaugh's paintings, and it follows her entire career using watercolor on kaolin clay to create her modern fresco technique and the lovely work that flows from it. Beginning with her hyper-realistic portraits and ending with her latest, more free-flowing pictures, her use of light, color, and the human form captures the essence of her models and their forms and feelings in a particular moment. Cavanaugh's artistic sensibility was developed by two important events in her childhood. Her dependence on the visual world began when she lost much of her hearing through spinal meningitis when she was two, and her creative spirit developed out of her being raised in a rural environment where she had to create her own ways of expressing herself and making her own fun. She developed her stunning modern fresco medium almost by accident as she was learning to apply the outer layer of plaster to her home in Santa Fe, New Mexico. Since that time this volume illustrates her growth as an artist and her mastery of the technique. These are lovely works, painted masterfully. Both long-time followers of Cavanaugh's work---from the earliest SockArms paintings to those who found her through more recent work like the Chroma series---and those who are discovering her and her art for the first time, will be delighted by this collection.

New York Magazine ,1977-12-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

The Grand Design Joy Callaway,2022-05-17 She has one last chance to prove she chose the right course for her life. In 1908, young Dorothy Tuckerman chafes under the bland, beige traditions of her socialite circles. Only the aristocracy's annual summer trips to The Greenbrier resort in West Virginia spark her imagination. In this naturally beautiful place, an unexpected romance with an Italian racecar driver gives Dorothy a taste of the

passion and adventure she wants. But her family intervenes, sentencing Dorothy to the life she hopes to escape. Thirty-eight years later, as World War II draws to a close, Dorothy has done everything a woman in the early twentieth century should not: she has divorced her husband—scandalous—and established America’s first interior design firm—shocking. Now, Dorothy returns to The Greenbrier with the assignment to restore it to something even greater than its original glory. With her beloved company’s future hanging in the balance and brimming with daring, unconventional ideas, Dorothy has one more chance to give her dreams wings or succumb to her what society tells her is her inescapable fate. Based on the true story of famed designer Dorothy Draper, *The Grand Design* is a moving tale of one woman’s quest to transform the walls that hold her captive. “Five Stars!” —Carleton Varney, president of Dorothy Draper & Company, Inc. “As captivating and confident as the heroine at its center.” —Kristy Woodson Harvey, New York Times bestselling author of *The Wedding Veil* “Full of luscious details of fashion and luxury!” —Kelly O’Connor McNees, author of *The Lost Summer of Louisa May Alcott* “A dazzling, intimate portrait.” —Louise Claire Johnson, author of *Behind the Red Door* “Historical fiction at its finest!” —Elyssa Friedland, author of *Last Summer at the Golden Hotel* Historical novel centered around America’s first female interior designer Stand-alone novel Book length: 109,000 words Includes discussion questions for book clubs

Zodiac Starforce: By the Power of Astra Kevin Panetta, 2016-05-31 They're an elite group of teenage girls with magical powers who have sworn to protect our planet against dark creatures . . . as long as they can get out of class! Known as the Zodiac Starforce, these high-school girls aren't just combating math tests. They're also battling monsters--not your typical afterschool activity! But when an evil force from another dimension infects team leader Emma, she must work with her team of magically powered friends to save herself--and the world--from the evil Diana and her mean-girl minions! From Kevin Panetta (*Bravest Warriors*) and Paulina Ganucheau (*TMNT: New Animated Adventures*, *Bravest Warriors*), this super-fun and heartfelt story of growing up and friendship--with plenty of magical-girl fighting action--delivers the most exciting new ensemble cast in comics! Collects *Zodiac Starforce* #1-#4

Man, Play, and Games Roger Caillois, 2001 According to Roger Caillois, play is an occasion of pure waste. In spite of this - or because of it - play constitutes an essential element of human social and spiritual development. In this study, the author defines play as a free and voluntary activity that occurs in a pure space, isolated and protected from the rest of life.

Secret Sisters Joy Callaway, 2017-07-11 A nineteenth-century student at a Midwestern college fights to establish the first sorority in this novel by the author of *The Fifth Avenue Artists Society*. Illinois, 1881: Whitsitt College sophomore Beth Carrington has two goals to fulfill by the time she graduates: obtain a medical degree, and establish a women’s fraternity, Beta Xi Beta, that will help young women like herself to connect with and support one another while attending the male-dominated Whitsitt. Neither is an easy task. The sole female student in the physicians’ program, Beth is constantly called out by her professors and peers for having the audacity not to concentrate on a more “fitting” subject like secretarial studies. Meanwhile, secret organizations are off-limits, and simply by crowding together in a dank basement room and creating a sense of camaraderie, she and her small group of fraternity sisters risk expulsion. In order to have the fraternity recognized, she knows she needs help. She turns to the most powerful student on campus: senior Grant Richardson, Iota Gamma fraternity president and the scion of a Whitsitt family—a man she’s only acquainted with because of her longstanding friendship with his fraternity brother Will Buchannan. Staunchly traditional, Grant doesn’t see the purpose of this women’s organization, but captivated by Beth, he agrees to give her a helping hand. What she doesn’t know is how many will stop at nothing to keep her burgeoning organization out of the record books—and who she can actually trust along the way. As Beth fights for her beloved Beta Xi Beta to be recognized, she will uncover deep secrets about the college and those who surround her, and will have to put both love and friendship on the line so that history can be made. Praise for *Secret Sisters* “A shining example of the power of persistent women united in their aim to reshape history. . . .

Callaway has done a beautiful job bringing to light this little-known story of America's first women's fraternity and so much more." —Sarah McCoy, New York Times–bestselling author of *The Baker's Daughter* and *The Mapmaker's Children* "An elegant book with enormous heart. . . . You'll fly through this perfect summer read, and fall in love with the sisters of Beta Xi Beta." —Karin Tanabe, author of *The Gilded Years* "This compulsive, feminist read is a rich drama. . . . The atmosphere of the era feels authentic and draws readers into college life while immersing them in the characters' experiences." —RT Book Reviews

Illustoria: Issue #9: Food Elizabeth Haidle, 2019-09-24 This food-themed issue features recipes for grapefruit, appreciations of potato chips, guides to the diets of literary giants, contributions by Tunde Olaniran, Mar Hernandez, Chef Tamearra Dyson, Brian McMullen, Hein Koh, and more. *Illustoria* is the beloved print magazine for creative kids and their grownups. We celebrate visual storytelling, makers and DIY culture through stories, art, comics, interviews, crafts and activities.

Vallista Steven Brust, 2017-10-17 Full of swordplay, peril, and swashbuckling flair, Steven Brust's *Vallista* is a treat for longtime fans of this popular fantasy series, a deep dive into the mysteries of Dragaera and all within it. Vlad Taltos is an Easterner—an underprivileged human in an Empire of tall, powerful, long-lived Dragaerans. He made a career for himself in House Jhereg, the Dragaeran clan in charge of the Empire's organized crime. But the day came when the Jhereg wanted Vlad dead, and he's been on the run ever since. He has plenty of friends among the Dragaeran highborn, including an undead wizard and a god or two. But as long as the Jhereg have a price on his head, Vlad's life is...messy. Meanwhile, for years, Vlad's path has been repeatedly crossed by Devera, a small Dragaeran girl of indeterminate powers who turns up at the oddest moments in his life. Now Devera has appeared again—to lead Vlad into a mysterious, seemingly empty manor overlooking the Great Sea. Inside this structure are corridors that double back on themselves, rooms that look out over other worlds, and—just maybe—answers to some of Vlad's long-asked questions about his world and his place in it. If only Devera can be persuaded to stop disappearing in the middle of his conversations with her... Vlad Taltos Series 1. Jhereg 2. Yendi 3. Teckla 4. Taltos 5. Phoenix 6. Athyra 7. Orca 8. Dragon 9.
