The Tunnel: DinosOz Adventures Book 1 Christopher Yates, Simonetta Grippi, 2021-10-19 DinosOz Adventures Book 1 The Tunnel. Join best friends, Simone and James as they discover the exciting world of Australian dinosaurs. Enter the incredible world of Australian dinosaurs James and Simone gasped, and then both held their hands over their mouths at the same time. There were half a dozen nests, all with eggs in them. The nests were on a ledge outcropping on the side of the hill. They were actually only about halfway down the hill before they came to a stop on this ledge. These eggs had not hatched yet, and the parents were sure to be nearby. Just as she had this thought, as she stood behind a rock, Simone saw a large raptor-like dinosaur head rising up to stare straight at them. She felt like it was staring straight at her, right through her! In the back of her mind, a little voice told her these were Australovenators, the same type of dinosaur as Mondo. This adult was staring at her hungrily and did not look happy at the intruders in her nesting area. It sniffed the air a few times. James slowly took hold of the back of Simone's arm to pull her gently backwards, and away from the eggs. All thought of being quiet and stealthy vanished in an instant

when the Australovenator in front of them let out an angry, bellowing roar! Simone jumped in the air from fright! Without a word between the two friends, they both turned and started running as fast as their legs would carry them. They had not gone all the way to the bottom after all. They were running along a ledge along the side of the hill they had just slid down. It was not fast enough. Simone chanced a look over her shoulder and she saw the huge animal closing the distance with every step! They were not going to make it. Simone's mind took this moment to remind her of something she had heard long ago, from her uncle who was a hunter. When a bear is chasing you, you don't have to outrun the bear. You just have to outrun the guy next to you. Not helpful, she thought, as she was trailing James, and would surely be the first one eaten, seconds from now. As they ran, Simone started to hear a rumbling sound, coming from above. At first, she thought it was just the thundering footsteps of the angry parent, at least Simone thought it was a mother, but that would have to wait for later to think more about that. If there was a later. DinosOz Adventures Book 1 The Tunnel...continues The rumbling sound was getting louder and felt like it was coming from above her, not behind her, so she quickly glanced up. Just as she was thinking her day couldn't get any worse, she saw a small landslide had been started by their earlier slide down the hill and was just now gathering speed and debris as it came hurtling down the hill. Simone was not quite sure what would kill her first, the angry predator, or the angry mountain. So, she just kept running. She saw James had looked back a couple of times, probably to make sure she was still following. She knew he had seen the mudslide heading their way as well. With no other options, they kept running. Simone could practically feel the hot smelly breath of the Australovenator on her neck, at the same time

she could feel the first pebbles and stones hitting her. The dinosaur was huge and very fast, and Simone knew this was the end. It must have been two metres high and about six meters long. It was running on two powerful legs and was showing its short arms were armed with incredible sharp claws and the half-open mouth was showing multiple scary sharp teeth. She closed her eyes but kept running. She did not want to see what was about to happen, as she imagined the dinosaur's teeth closing in over her head and its claws digging in her skin. Enjoy your DinosOz Adventures Book 1, The Tunnel

Jumping For Joy is a celebration of everything platform games have to offer, spanning their entire history. Whether you're a long-time veteran of platform gaming or a newcomer who wants to learn more about one of the most entertaining genres in video games, this is the perfect book for you.
