The Land of The Dinosaurs Book Dr.MC,2019-12-05 My name is Matt and I just found King Kong. I know, you think I should be running in fear, right. Well, I am not because the movie got it a little bit wrong. King Kong is small He barely comes up to my knee. He washed up on the shore of the Atlantic Ocean right near my house. He is someone's pet You know how in the King Kong movies the giant gorilla is always carrying a pretty blonde lady. Ha They got that wrong King Kong is the pretty blonde lady's pet We found the shipping container he was in, he shipwrecked right by my house All I could read was that he was supposed to go to a person named Ann in England. How in the world would we find her. There are a lot of benefits that your children can get when you as a parent read them bedtime stories. You also get a peek into how your child sees the world through the comments she makes on the plot, the characters, and the setting. As kids reach the upper-elementary grades, reading demands increase, yet

one-on-one reading instruction for competent readers doesn't. Listening to you read more advanced books shows her strategies that will help her at school. You read aloud with expression. You pause for punctuation. You raise and lower your voice in tune with the action. You speed up or slow down to indicate the degree of tension in the text.
